

2019 THDA Single Family Sponsorship Opportunity

Housing Education Symposium

June 23-25, 2019

Each year THDA conducts a two-day session for our Homebuyer Education provider partners. The annual **THDA Housing Education Symposium** provides valuable training, networking, industry specific education, and continuing education credit hours. This year's event will offer continued education to approximately 100 housing counselors and educators across Tennessee. These providers work tirelessly throughout the year providing pre-purchase housing counseling to make sure borrowers have the knowledge and tools to make them successful homeowners and providing help to Tennesseans facing foreclosure as they modify their loan, go through a short sale, or transition out of homeownership.
