SECTION 2: ORIGINATING AGENTS

2.1 ORIGINATING AGENT WORKING AGREEMENT

The written agreement between an Originating Agent and THDA, which must be executed before any loan applications will be accepted by THDA for processing (the “Working Agreement”), contains the basic contractual agreements between the Originating Agent and THDA. The Working Agreement sets forth general terms under which the Originating Agent is authorized to act on behalf of THDA. The Working Agreement also incorporates the contents of this Guide, prior guides, and other written instructions that may be issued by THDA to provide instruction and direction in the daily operation of THDA’s programs.

2.2 CORRESPONDENT RELATIONSHIPS

Each Originating Agent is responsible for the documents submitted to THDA in loan application files, closed loan packages or otherwise. Applications that are originated by a third party and/or brokered applications, are eligible to be submitted to THDA upon written approval of THDA.

Applications originated by one Originating Agent that are transferred to another Originating Agent for submission to THDA must be re-verified in the receiving Originating Agent’s name prior to submission to THDA.

The Originating Agent who originated, processed, closed, insured and delivered a particular loan to THDA must directly assign the Deed of Trust securing the loan to THDA. Insurance or guaranty certificates may not contain the name of any entity other than the Originating Agent or THDA as the beneficiary of the insurance or guaranty.

In THDA’s sole discretion, THDA may permit a HUD-approved underwriting relationship between an Originating Agent and another lender solely for the purpose of FHA Direct Endorsement underwriting if an Originating Agent does not have an FHA Direct Endorsement Underwriter on staff. To request THDA’s approval prior to the submission of any loan application to THDA, submit a copy of the appropriate HUD approval of the underwriting relationship. The Originating Agent is responsible for originating, processing, closing, submitting for insurance or guaranty, delivering the loan to THDA and providing all necessary follow-up documentation.

Each of these policies may be waived or exceptions may be granted on a case-by-case basis, in THDA’s sole discretion. Requests for any waiver or exception under this Section 2.2 must be submitted in writing to THDA prior to submission of any loan application or applications to which the waiver or exception applies. In the event THDA denies a request for a waiver or an exception under this Section 2.2, THDA will not accept any loan application or applications for processing to which the waiver or exception applies.

2.3 FEES ORIGINATING AGENT MAY EARN

Originating Agents may earn the following fees in connection with THDA loans:

1. Origination Fee – Up to 2% of the Base Loan Amount. Either Applicant or seller may pay this fee.

2. Normal and Customary Fees – including, without limitations, appropriate application fee. Either Applicant or Seller may pay fees.
3. Service Release Fee - The amount depends on the agreement between Originating Agent and an approved THDA Servicer in connection with the sale of servicing. This agreement must be in writing, fully executed, and approved by THDA before a Commitment can be issued by THDA. Servicing can only be sold directly to an approved THDA Servicer.
4. Interest - For loans closed by the Purchase Method, an Originating Agent may retain per diem interest at the note rate for the number of days Originating Agent holds the loan prior to purchase by THDA.

SECTION 3: QUALIFYING AN APPLICANT TO PARTICIPATE IN THDA LOAN PROGRAMS

3.1 OVERVIEW

Before undertaking the typical underwriting process for a proposed THDA loan, first determine whether the Applicant is eligible to participate in the desired THDA loan program. See Section 1.4 for a description of THDA loan programs. If the Applicant does not meet the basic program requirements described in this Section, do not submit the application file to THDA. If the Applicant does not meet the basic program requirements described in this Section, THDA cannot approve the application.

THDA program eligibility requires the following determinations:

1. Determine whether the property is within the applicable Acquisition Cost Limit. See Section 3.2.
2. Determine whether the Applicant's Household Income is within the applicable Income Limits. See Section 3.3 for information about defining and calculating Household Income.
3. Determine whether the Applicant meets the Residence Requirement. See Section 3.4.
4. Determine whether the Applicant meets the Three Year Requirement. See Section 3.5 and 3.7.
5. Determine whether Applicant meets the New Mortgage Requirement. See Section 3.6.
6. Determine whether Applicant is a U.S. citizen or permanent resident alien.

If all of these requirements are not met, do not submit the application file to THDA.

3.2 ACQUISITION COST LIMITS

A. Defining Acquisition Cost

Property to be financed with a THDA loan cannot be purchased for an amount that exceeds the applicable Acquisition Cost Limit. Generally, the Acquisition Cost is the total cost of acquiring the property as a completed residential unit.

Usually, the Acquisition Cost is the price specified in the contract between the seller and Applicant for the property, so long as there are no other agreements (written or verbal) for payment of any additional amounts in connection with the purchase or construction of the property. If there are agreements of any kind in addition to the purchase contract, then the Acquisition Cost also includes all other amounts paid in cash or in kind by the Applicant or on behalf of the Applicant in connection with the property.

B. Acquisition Cost Inclusions

Include the following items in determining Acquisition Cost:

1. The price indicated in an executed sales contract for a proposed, new or existing house and lot that will be conveyed to the Applicant when the THDA loan is closed ("house" includes a manufactured home on a permanent foundation);

2. The price or total cost to construct a house on a lot owned by the Applicant;
3. The amount paid by the Applicant for an unimproved lot less than two years before the date of loan application upon which a residence will be (or has recently been) built;
4. The cost of necessary repairs to the residence that are not included in the sales contract;
5. The cost for fixtures that are not included in the sales contract;
6. The cost of all materials and labor needed to complete or renovate the residence that are not included in the sales contract;
7. Any other cash or in-kind contributions paid by or on behalf of the Applicant to or for the seller;
8. Any other cash or in-kind contributions paid by or on behalf of the seller to or for Applicant;
9. The portion of settlement and financing costs that exceed usual and reasonable amounts.

C. Acquisition Cost Exclusions

Do not include the following items in determining Acquisition Cost:

1. The amount paid by the Applicant for an unimproved lot more than two years before the date of application upon which the subject residence will be (or has recently been) built;
2. The cost for personal property that is not included in the contract for sale;
3. The imputed cost (sweat equity) of Applicant's labor and/or the labor of the Applicant's immediate family members;
4. Loan points paid by the seller;
5. Usual and reasonable settlement and financing costs.

3.3 HOUSEHOLD INCOME LIMITS

A. Defining Household

1. Household Includes

A household, for purposes of determining eligibility for THDA loan programs, includes all persons 18 years of age or older and all minors who will live in the property to be acquired with the THDA loan and any spouse who is absent or separated, regardless of whether they intend to occupy the property.

2. Accuracy of Household Composition

Although not a critical issue in other sources of financing, the accuracy of household composition must be determined for purposes of establishing total Household Income. If the Originating Agent becomes aware, at or prior to closing, that the household composition may differ from the composition first proposed, documentation must be corrected and submitted to THDA. Examples include the contemplated marriage of an Applicant, or the existence of a fiancé, relative or friend who intends to occupy the property.

If the Originating Agent becomes aware that a relative, a friend or fiancé intends to occupy the property, obtain supporting evidence of income for each such person.

3. Separated Applicant

A separated Applicant must be treated as married, and the Applicant, together with the Applicant's separated spouse, must meet all THDA program requirements. A separation agreement is not sufficient to waive this requirement. The Applicant and the Applicant's separated spouse must sign the Deed of Trust (as a minimum) at loan closing, so that the marital rights of the separated spouse in the property are encumbered by the Deed of Trust. A separated spouse who will not occupy or take title to the property must furnish, at a minimum, a current pay stub with verification of hire date and their previous year's Federal Income Tax Return, so that an accurate determination of Household Income can be made. Depending on the length of separation, up to three years' federal income tax returns could be required.

4. Expected Childbirth

Do not include an unborn child for purposes of determining the number of persons in the household.

B. Defining Household Income

The Applicant cannot have, at the time of application or at closing, a Household Income greater than the applicable Household Income Limit. Generally, Household Income includes all income of all occupants of the property, and all heads-of-household or spouses who do not live in the property, except as noted in "Exclusions From Household Income" below.

Household Income is the total annual gross income, earned and unearned, from all sources, before taxes or other deductions, received by the Applicant, all other persons 18 years of age and older who will live in the property and not a full time student (12 hours per semester), separated or absent spouses, and all unearned income of all members of a household, including minors.

Determining Household Income, as described in this Section 3.3, is essential for determining eligibility for THDA loan programs. This determination of Household Income is an initial step that is separate and different from subsequent credit underwriting for compliance with FHA, VA, USDA/RD or PMI regulations.

C. Household Income Inclusions

Calculate Household Income for all members of the household and include all full-time, part-time or temporary:

1. Wages, whether salary or hourly;
2. Overtime earnings, fees, tips and other compensation for personal services;
3. Bonuses, commissions, vacation pay, shift differential and holiday pay;
4. Social Security payments;
5. Interest, dividends and other net income of any kind from real or personal property; (any withdrawal of cash or assets from an investment will be included as income, except to the extent the withdrawal is reimbursement of cash or assets invested by a household member); also, the greater of actual earnings or imputed earnings from liquid assets in excess of \$5,000.00.
6. Periodic determinable allowances such as alimony, child support and other recurring payments or gifts from persons who will not reside in the property;
7. Periodic payments from annuities, insurance policies, pensions, retirement funds, royalties, sick pay, trust income, disability, death benefits or other type of periodic payments, including lump sum payments for the delayed start of a periodic payment, except Social Security and Supplemental Security Income (SSI);
8. Armed Forces pay, including regular pay, special pay and allowances (excluding special pay for exposure to hostile fire). Armed forces pay for a head-of-household or spouse is always included, whether they are living in the household or not;
9. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except lump sum payments as noted in "Exclusions From Household Income");
10. Welfare assistance;
11. Relocation payments made pursuant to Title II of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970;
12. Benefit and other non-earned income, including amounts paid directly to or on behalf of minors and full-time students;
13. Any other source of income, except as noted in "Exclusions From Household Income".
14. Annual net income from rental (net rental income is calculated at 75% of gross rent).
15. Total annual net income from operating a business or profession, including expenditures for business expansion or capital indebtedness, and withdrawal of cash or assets except to the extent the withdrawal is for reimbursement of cash or assets invested in the operation by a household member; an allowance for deduction of straight line depreciation of assets used in the operation is allowed.

D. Household Income Exclusions

When calculating Household Income do not include:

1. Earned income from employment of children and foster children under age 18; however, benefits and other non-earned income paid directly to or on behalf of minors and full-time students is counted as Household Income;
2. Payments received for care of foster children or foster adults;
3. Adoption assistance payments;
4. Amounts that are specifically for, or in reimbursement of, the cost of medical expenses for a household member;
5. Income of a live-in aide;
6. Student financial assistance (educational grants, scholarships, educational entitlements, work-study programs and financial aid packages) paid directly to the student or to the educational institution;
7. Earned income of full-time students 18 years old or older who can be claimed as a dependent by a household member; (earned income of a head-of-household or spouse who is a full-time student must be included in Household Income);
8. Armed Forces special pay for exposure to hostile fire;
9. Earned Income Tax Credits;
10. Amounts received that are incident to a training program funded by HUD, including compensation that is a component of a state or local employment training program with clearly defined goals and objectives, the duration of which is for a limited period, determined in advance;
11. Amounts received by a disabled person that are disregarded for a limited time for purposes of Supplemental Security Income (SSI) eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
12. Amounts received by a participant in a publicly assisted program which are specifically for or in reimbursement of out-of-pocket expenses (such as special equipment, special clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program, such as the Community Work Experience Program, or the Employment Search Program; this exemption also includes volunteer fire-fighters;
13. Temporary, sporadic or nonrecurring income, including gifts;
14. The value of Food Stamps;
15. Lump sum additions to assets, such as inheritance, insurance payments (including health and accident insurance and worker's compensation payments), capital gains, settlement for personal or property loss, and deferred periodic payments received in a lump sum from Supplemental Security Income (SSI) and Social Security benefits;
16. Repatriation payments made by foreign governments pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era (initial determination or reexamination must have been made on or after April 13, 1993).

3.4 RESIDENCE REQUIREMENT

The Applicant(s) must occupy the property as their permanent, principal residence within 60 days after the THDA loan is closed. The Applicant(s) must use the property as their permanent, principal residence for the life of the THDA loan.

3.5 THREE YEAR REQUIREMENT

Applicant(s) who have had an ownership interest in their principal residence within the three years (a full 36 calendar months) prior to the date of application are not eligible for a THDA loan. When an applicant is married, both spouses must meet the three year, first-time homebuyer requirement. The three year requirement does not apply if the property to be acquired with the THDA loan is located within a Targeted Area (See Section 3.7) or under certain circumstances if the applicant is a veteran (See Section 3.5.c).

A. Permitted Ownership Interests

An Applicant may have the following ownership interests in their principal residence within the last three years and be eligible for a THDA loan:

1. An ordinary lease, with or without an option to buy;
2. The interest of a buyer under a standard residential purchase contract;
3. A mere expectancy to inherit property at a later date;
4. A remainder interest;
5. A manufactured home without ownership of the land on which it is located;
6. A manufactured home and land on which it was located, if the manufactured home was not titled and assessed as real property;
7. Any of the prohibited ownership interests if the property is in a Targeted Area;
8. Any other interest that is not a prohibited interest, as determined by THDA.

An Applicant may also have the following ownership interests within the last three years and be eligible for a THDA loan:

1. An ownership interest in a vacation home or rental property;
2. A financial interest in a residence in which the Applicant has not resided at any time within the last three years;

B. Prohibited Ownership Interests

See Section 3.7 to determine whether the property is in a Targeted Area. If the property is in a Targeted Area, this requirement does not apply.

Applicants who have had any of the following ownership interests in their principal residence within the three years (a full 36 calendar months) before the date of the THDA loan application are not eligible for a THDA loan to acquire property located within a non-Targeted Area:

1. A fee simple interest;
2. A joint tenancy;
3. A tenancy in common;

4. A tenancy by the entirety;
5. The interest of a tenant-shareholder in a cooperative;
6. A life estate;
7. A land contract;
8. Ownership of a manufactured home and the land on which it was located, if the manufactured home was titled and assessed as real property;
9. An interest in an Applicant's principal residence created by the existence of an inheritance, whether title is vested in the Applicant or not;
10. Any of the above interests held in a trust (whether or not created by the Applicant) that would constitute an ownership interest if held directly by the Applicant.
11. Interest arising because, within the last three years, the Applicant's name was included on a deed to a residence which the Applicant occupied as their principal residence.
12. Interest arising because, within the last three years, the Applicant was married to a person who had one of the prohibited ownership interests in a residence which Applicant occupied as their principal residence.
13. Any other interest that constitutes an ownership interest, as determined by THDA.

C. Veteran Exemption

Veterans and their spouses do not have to meet the three year requirement (i.e. be a first-time homebuyer) under certain circumstances to be eligible for THDA's mortgage programs. "Veterans" as defined in 38 U.S.C. Section 101, so long as the Veteran did not previously receive a bond finance mortgage under this exception and, generally, includes anyone (a) who has served in the military and has been released under conditions other than dishonorable or (b) who has re-enlisted, but could have been discharged or released under conditions other than dishonorable.

3.6 NEW MORTGAGE REQUIREMENT

A THDA loan cannot be used to refinance an existing loan. A THDA loan may replace a temporary construction or bridge loan if acceptable documentation is provided to THDA that such a loan has a non-renewable term of twenty-four (24) months or less, documented with a copy of the construction or bridge loan note and recorded Deed of Trust. A THDA loan cannot close with a three-day Right of Rescission. All THDA loans must be amortized for a term of 30 years, unless a different term is specifically stated in this Guide

3.7 TARGETED AREAS

A Targeted Area is a qualified census tract or an area of chronic economic distress as designated by the IRS. A Targeted Area may be an entire county or may be a particular census tract within a county. The Targeted Area designation is important for two reasons:

1. The Three Year Requirement (see Section 3.5) does not apply in Targeted Areas; and
2. THDA is required to use or set aside a portion of the proceeds from each bond issue for loans in Targeted Areas.

Documentation in each application file submitted to THDA must correctly identify whether the property is or is not located within a Targeted Area. The Appraisal must identify the relevant census tract. If a discrepancy occurs in the census tract information reported on the appraisal versus the census tract shown on the Flood Hazard Determination, the Originating Agent must clarify and provide correct census tract information to THDA.

A. Census Tracts

The US Census Bureau divides the United States into many small geographic areas, and identifies each with a unique series of numerals separated by decimals. These numbers indicate the property's state, county, tract, and sub-tract. An example of a complete Census Bureau identification number and an explanation of its elements follows:

Example: 47.157.0078.10

“47” - the US Census Bureau identification number for Tennessee. THDA does not require this number to be indicated on the appraisal report.

“157” - the US Census Bureau identification number for Shelby County. THDA does not require the Census Bureau county code number to be entered on the appraisal report.

“0078” - the US Census Bureau identification number for one of the census tracts within Shelby County. The correct census tract number must be indicated on the Appraisal for property located in those counties.

“10” - the US Census Bureau sub-tract number within tract 0078.

SECTION 4: OTHER THDA PROGRAM REQUIREMENTS

4.1 ELIGIBLE APPLICANTS

An Eligible Applicant must meet ALL of the following criteria:

1. Possess and demonstrate the legal capacity to incur the THDA debt (not be judged incompetent, and be age 18 or older or have minority removed by judicial process);
2. Meet credit underwriting standards of the relevant insuring program as evidenced by the approval of a Direct Endorsement underwriter or the insurer program accepted underwriting software, i.e. Loan Prospector, Desktop Underwriter;
3. Be, or become, within 60 days after the THDA loan closing, a resident of the State of Tennessee and intend to occupy the property as their principal residence;
4. Have gross assets of such amounts as to be considered a person of low or moderate income, as THDA may determine from the documentation contained in the application file (See Section 5.2); and
5. Agree to occupy the property as their principal residence and agree not to rent the property during the term of the THDA loan, as sworn to in the Application Affidavit and as precluded by the THDA Rider.
6. Must be a U.S. citizen or permanent resident alien.

4.2 PROPERTY ELIGIBILITY

A. Eligible Property

Eligible property must meet all of the following requirements:

1. Be one of the following:
 - (a) A detached or semi-detached house;
 - (b) A row-house, townhouse, condominium or be part of a planned unit development. For a property located in a condominium development, including developments less than 100% complete, the condominium development must have approval by either FHA, VA, USDA/RD, FHLMC or FNMA;
 - (c) A one, two, three, or four-family residence, one unit of which must be occupied by Applicant as his/her principal residence;
 - (d) Any of the above types of residences, existing, new or proposed:
 - (1) built on site, or
 - (2) a modular home permanently attached to a foundation (in compliance with HUD guidelines, or
 - (3) a HUD approved double-wide manufactured home permanently attached to a foundation (in compliance with HUD Manual 4930.3, "Permanent

Foundations Guide for Manufactured Housing”), with wheels, axles, towing tongue and running lights removed. If any portion of a

residence includes a manufactured home, the residence is classified as a manufactured home for THDA's purposes. A structural engineer's report is required stating that the home is permanently attached to a foundation in compliance with HUD guidelines.

2. Any property consisting of more than one unit as described above, or that contains a separate living unit detached from the Borrower's principal residence, will not be eligible for THDA funding.
3. Not to be used in a trade or business or as an investment property, vacation home or seasonal home. Occasionally individuals claim a business deduction on their Federal Income Tax Returns. In most cases this is a small portion of the home used as an office and the tax return must show the percentage of square footage used for the business deduction. As long as the square footage used for a business deduction is 15% or less, it is acceptable to THDA. Obviously, the home cannot be used as a day care center, beauty salon or other similar businesses.
4. Be in good condition, meet state and local codes, comply with local zoning in its present use.
5. Be in complete compliance with any and all loan program insurer guidelines for minimum property standards and loan insurance. Any closed loan subsequently found ineligible for insurance for a property related issue, as determined by the relevant insurer, is ineligible for THDA funding and immediately subject to repurchase by the Originating Agent, without exception.
6. In order for a HUD owned property to be considered an eligible property for THDA funding, it must be listed for sale as:

"Insurable", meaning that FHA's MPR has been met at the time of the appraisal, and no repairs are required regardless of program type (FHA, VA, USDA/RD, or Conventional):

or

"Insurable With Conditions" and all conditions have been satisfied to fully meet FHA's MPR or HUD is providing escrow funds to cover the costs of required repairs regardless of program type (FHA, VA, USDA/RD, or Conventional).

The HUD Appraisal must include the estimated cost of any required repairs and must state that the utilities were on. THDA will allow HUD escrow for repairs to be included in the loan amount. THDA will also allow borrower funded escrow for required repairs. The appraiser must specify the cost of any and all required repairs. An actual bid from a licensed contractor stating the total cost of the required repairs may be required by THDA. The Originating Agent must be responsible to insure that adequate funds are available to complete the required repairs and at a minimum, one and one-half (1½) times the cost of the repairs must be held in escrow. The required repairs must be completed within 60 days of the date of loan closing and a clear, final inspection by the appraiser or Originating Agent is required. An escrow agreement signed by the Originating Agent and the borrower must be provided to THDA. THDA reserves the right to reject any request for escrows.

B. Appraisals

The Originating Agent is responsible for selecting appraisers and reviewing the quality of their work. THDA does not maintain a list of approved appraisers; however, THDA reserves the right to refuse appraisals from specific appraisers or appraisal firms. THDA also reserves the right to require a new appraisal prepared by a different appraiser or to require additional information, including additional comparable sales.

In September 2005, FHA issued ML 2005-34 announcing the adoption of Fannie Mae's revised appraisal forms. Also in December, 2005, FHA issued ML 2005-48 pertaining to required repairs and inspections for existing properties. THDA has approved and adopted these same guidelines and policy changes as it relates to FHA loans.

As an element of THDA's quality control process, appraisal desk reviews and field reviews may be ordered by THDA. Reviews indicating that the original appraisal contained unrealistic valuation methods or conclusions, or reviews that reveal patterns of inappropriate valuations, may result in the suspension of the appraiser from THDA's programs, or other appropriate action.

All application files submitted for THDA underwriting must include a Uniform Residential Appraisal Report (URAR), completed by an appraiser who is licensed by the State of Tennessee, and who has no financial interest in the transaction.

The Appraisal must indicate an appraised value acceptable to THDA. An application may be rejected by THDA if:

1. The appraised value of the property exceeds the applicable Acquisition Cost Limit by more than 20%; or
2. The Appraisal indicates a land value in excess of 35% of the total appraised value of the property, unless otherwise approved by THDA in its sole discretion; or
3. The Appraisal indicates the property values for the neighborhood in which the property is located are declining and the Applicant is seeking a THDA mortgage loan for maximum financing.

C. Acceptable Amount of Land

Property purchased using a THDA loan program can include one subdivision lot of up to five acres in size, as shown on a recorded subdivision plat, without express THDA approval. More than one recorded subdivision lot may be acceptable at THDA's discretion, if the lots are located in an older subdivision containing narrow "shotgun" lots, and if one lot does not contain the minimum size required under local regulation to permit construction of a residence. Lots of any size not shown on a recorded subdivision plat require express approval by THDA, at THDA's sole discretion.

Land relating to a residence shall be considered as part of the residence only if such land reasonably maintains the basic livability of the residence and does not provide a source of income to the mortgagor.

4.3 ELIGIBLE LOAN TYPES AND TERMS

A. Types Of Loans

Each THDA loan must be one of the following:

1. Insured or guaranteed by one of the following:
 - a. the Department of Veterans Affairs (VA), as evidenced by a Loan Guaranty Certificate (LGC); or
 - b. the Federal Housing Administration (FHA), as evidenced by a Mortgage Insurance Certificate (MIC) in FHA connection; or
 - c. the United States Department of Agriculture, Rural Development, as evidenced by USDA/RD Form 3555-17.
2. Conventional loans must have a loan-to-value ratio of 78% or less based on the loan amount divided by the lesser of appraisal or contract sales price. In the case of a self-built new construction, the ratio is based on the lesser of appraised value or actual total cost.

B. Maximum Loan-To-Value Ratios

As permitted by FHA, VA, USDA/RD, or 78% LTV for conventional loans, subject to any restrictions contained in this Guide.

C. Maximum Loan Amount

1. Conventional Loans
 - a. All Conventional loans must be underwritten using FNMA and FHLMC guidelines, no expanded approvals allowed. Automated Underwriting Systems, FNMA's (DU) or FHLMC's (LP) must be used for the underwriting decision.
 - b. Loans at 78% or less LTV may be manually underwritten if the borrower/s have no credit score. However, if FNMA or FHLMC's Automated Underwriting System (DU or LP) is used, no expanded approvals are acceptable for THDA loans.
2. FHA, VA or USDA/RD Loans

The Base Loan Amount cannot exceed the appraised value, and cannot exceed THDA's Acquisition Cost limit for the county in which the property is located. The Total Loan Amount may exceed the maximum Acquisition Cost limit by no more than the amount of financed MIP, funding fee or guaranty fee.

3. FHA 203(h) Mortgage Insurance for Disaster Victims

THDA will accept applications under FHA's Section 203(h) Mortgage Insurance for disaster victims, provided they were a tenant who lost the use of their rental primary residence due to a natural disaster located within a Presidentially declared area.

- Program is in effect for one year from when the President declares the disaster.
- 100% financing for disaster victims whose homes/residences have been either destroyed or damaged to the point that reconstruction is required in a Presidentially declared disaster area.

- The victim/borrower does not have to purchase in the declared disaster areas.
- Find the listed Presidentially declared disaster areas at: www.fema.gov .
- The victim/borrower has to provide proof of permanent residence in the disaster area and proof of destruction of residence with the following recommended documents:
 - Proof of permanent residence: valid driver's license, voter registration card, or utility bills;
 - Proof of destruction of residence: an insurance report, an inspection report by an independent fee inspector or government agency (FEMA), or conclusive photographic evidence showing the destruction or damage.

The following properties are eligible: one unit detached homes, approved condominium projects, or spot loan condominiums. (Two, three, and four unit properties are not eligible to be purchased in this program.)

Closing costs and prepaids can be paid by the buyer, seller, Originating Agent, or through the THDA Great Choice Plus second mortgage loan program.

Standard FHA and THDA underwriting guidelines apply for qualification.

4. THDA will not accept applications from any applicant whose credit score is below 640. Applicant(s) with no credit scores, however, may be manually underwritten using non-traditional credit guidelines in accordance with FHA, VA or Rural Development requirements. If all applicants do not have a credit score, application must be manually underwritten using non-traditional credit guidelines.
5. The total debt to income ratio must not exceed 45%. Debt to income ratio for manual underwriting must not exceed 43%. Debt to income ratio for non-traditional credit file (no scores) is limited to 36%.
6. Other Considerations
 - a. A Gift of Equity may be considered by THDA on a case-by-case basis on an existing home or new construction under certain circumstances. The terms of the Gift of Equity must be stated in the sales contract and must be from an immediate family member. Immediate family member is defined as parents, siblings and grandparents. If the home is proposed or under construction, the maximum loan cannot exceed the borrower's actual cost of construction plus the borrower's actual cost of the lot, both of which must be verified. THDA reserves the right to ask for or require additional documentation on any loan with a Gift of Equity.
 - b. For transactions involving estate sales wherein the Applicant is an heir, the maximum loan amount must be calculated after deducting the Applicant/heir's anticipated share of the sale proceeds.

D. Security

All THDA loans must be secured by a first lien on the property. In addition, at the option of the borrower, a Great Choice Plus loan for DPA/closing costs assistance may be provided. All Great Choice Plus loans must be secured by a second lien on the property.

E. Loan Payment Terms

1. Great Choice

Great Choice loans must be fully amortized, with level payments, and must be for a term of 30 years. If a 30 year loan term exceeds the economic life of the property, as provided in the appraisal report, THDA may not approve the loan.

2. Great Choice Plus

The Great Choice Plus loan is a 0% interest rate, deferred payment, forgivable second lien. The second mortgage loan is forgiven at the end of the term of the Great Choice first mortgage loan. Great Choice Plus second mortgage loans can only be used for closing costs, prepaids and down payment assistance.

F. Prepayment Penalty

Prepayment penalties are not permitted on THDA loans.

G. Late Charge

Late charges, if any, must be reflected in the Deed of Trust and Note and must be in compliance with program insurer's guidelines.

H. Origination Fee

Only the authorized Origination Fee may be charged.

I. Assumptions

THDA first mortgage loans are assumable only if the person assuming the THDA loan meets all THDA program requirements applicable to new THDA loans, and the assumption application is approved by THDA. Assumption applications are processed by THDA or the THDA Servicer of the loan to be assumed.

THDA second mortgage loans are not assumable with the exception of a VA assumption.

4.4 FEDERAL RECAPTURE

All THDA loans closed after December 31, 1990, are subject to the federal recapture tax. The recapture tax is designed to recapture a portion of the subsidy associated with THDA loans. Recapture tax liability must be determined at the time the property is sold, if the sale occurs within nine years from the closing of the THDA loan. Refinancing a THDA loan does not trigger recapture tax liability, however, if the property is sold after the date of refinancing but before the ninth anniversary of the THDA loan closing, recapture tax liability must be determined at the time of sale. THDA Originating Agents notify the Applicant about recapture tax at the time a THDA loan application is made by securing their signature on the Notice To Applicants Federal Recapture Requirements.

Whether the recapture tax results in an actual payment to the federal government depends on a number of factors, including changes in family income, gain on the sale of the property, the number of years the THDA loan is outstanding, and the original THDA loan amount. The exact amount to be paid, if any, cannot be determined until the property is sold.

A THDA loan, originally closed after December 31, 1990, that is assumed within nine years from the date of the original THDA loan closing is subject to the recapture tax for an additional nine year period beginning on the date of the assumption.

For further information regarding the federal recapture tax, advise Applicants or Borrowers to contact their tax professional. Written information is available by ordering IRS Form 8828 "Recapture of Federal Mortgage Subsidy" and its accompanying instructions from any IRS office or through the IRS website at www.irs.gov.

SECTION 6: SUBMITTING AN APPLICATION FILE TO THDA

6.1 OVERVIEW

Originating Agents must present accurate and complete information with each application file. Information withheld or misrepresented may void a Commitment or if discovered subsequent to loan closing, could result in a requirement for repurchase of the loan. The application file as submitted to THDA, must have all documentation being submitted in the order shown on the THDA Underwriting Submission Checklist.

The Tax Transcript must be signed and dated by the tax payer. Transcripts may be ordered by using IRS Form 4506. The only exception to this requirement is, if the seller of the subject property has a mortgage on the property and the lien holder is in possession of the title or MCO and will not release it until their loan is paid off. Under this scenario, a copy of the Certificate of Title or MCO must be included in the Underwriting Submission package and the commitment will be conditioned to receive the **original** Certificate of Title or MCO with the Closed Loan package. THDA Underwriters review each application file (original, update or re-submission). This review results in one of the following:

1. THDA Underwriters may approve an application file without conditions or subject to conditions as specified in Section 6.5.
2. THDA Underwriters may request additional documentation from the Originating Agent.
3. THDA Underwriters may reject an application that fails to meet the requirements of this Guide.
4. THDA Underwriters will reject an application if Household Income exceeds current Household Income Limits, if Acquisition Cost exceeds current Acquisition Cost Limit, if the property is not eligible for THDA financing, or if the Applicant's credit is not acceptable to THDA. THDA, at its sole discretion, reserves the right to credit underwrite any loan and issue a denial based on unacceptable credit issues.

B. Rejections

Any application file rejected by a THDA Underwriter is reviewed by management before the Originating Agent is notified.

C. Re-Submissions

6.5 COMMITMENTS

A. Application Approval

An application file is not approved until a written Commitment is issued by THDA.

2. All Closing Conditions (indicated on the Commitment as “Receipt, With Closing Documents”) must be satisfied by the time the loan is closed. Documentation acceptable to THDA to satisfy Closing Conditions must be included with the closed loan file when shipped to THDA.
3. THDA, in its sole discretion, may refuse to purchase any loan when any loan closing condition is not satisfied.

E. Update of Application or Commitment

The application file and the Commitment must be updated in the following situations:

1. After the Commitment is issued, if the Originating Agent becomes aware of significant changes in the Applicant’s household composition, income or credit, updated documentation must be submitted to THDA for review and approval.
2. When construction is complete (based on a six-month Commitment for new construction) final inspection, final photos and updated income documents (if more than 180 days old) must always be submitted for THDA review and approval.
3. All requests for an extension of a Commitment must be accompanied with updated income documents if the income documents are more than 180 days old.

F. Loan Amount or Program Type Changes

Occasionally, there will be a change in the loan amount, and/or the loan program may change. If the final loan amount is less than the loan amount indicated in the commitment, the Originating Agent should immediately contact THDA Processing for a new principal and interest payment amount. THDA will issue a revised Commitment, but closing can proceed, providing all other elements of the commitment have been satisfied.

If the final loan amount is more than the amount indicated in the Commitment, the Originating Agent should immediately contact THDA Underwriting. Closing should not be scheduled or held if already

scheduled. The Originating Agent must submit revised loan amount documentation and the updated Originating Agent underwriter approval on the higher loan amount.

In any and all cases where the loan amount changes after receiving the THDA approval, THDA must be contacted before loan closing occurs. Do not close THDA loans when discrepancies exist.

G. Commitment Delivery

THDA will deliver Commitments to Originating Agents by either fax or email based on documentation provided on the Underwriting Submission Checklist.

A Commitment is void under the following circumstances:

6.6 FUNDING THDA LOANS

Funding Method

All THDA first mortgage loans and THDA Great Choice Plus second mortgage loans are funded by the Purchase Method. Under this funding method, the loan closes with the Originating Agent's funds after all Prior-to-Closing conditions have been cleared by THDA. After the closed loan file is delivered to THDA with acceptable documentation, THDA may purchase the loan.

6.7 ADDITIONAL INFORMATION

A. Scheduling Loan Closings

Depending on volume, THDA attempts to review application files in the order of date received within 5 business days following the date of receipt. Application files received later than those already on hand will not be underwritten out-of-turn due to a scheduled closing date or the personal circumstances of an Applicant or a seller. Applications hand delivered by the Originating Agent after 3:00 P.M. will be considered received the following day for processing purposes. Applications received during the final 5 business days of the month should not be expected to close by end of month.

B. Change Of Property

If, at any time between application and closing, the Applicant wishes to purchase a different property, a new transaction is created. If property is substituted before the application file is submitted to THDA, be sure all references to the original property are omitted (including information on the 1003), and a correct sales contract, appraisal and all original THDA Affidavits showing correct property address are enclosed.

If the Applicant wishes to purchase a property different from that which is indicated in the Commitment, the Commitment is void and a new application reflecting the correct property must be submitted to THDA.

C. Change in Employment

If, at any time between commitment issued and closing, the Applicant is no longer employed at the employment listed on the 1003, as determined by the Verbal Verification of employment (VVOE), THDA must be notified immediately. The commitment is voided.

If the Applicant wishes to continue with the purchase of the property, a correct 1003, income documentation and new approval documents must be provided and a new commitment will be issued.

SECTION 7: CLOSING A THDA LOAN

7.1 OVERVIEW

All THDA approved loans must be closed in compliance with the Commitment and in compliance with the instructions contained in this Guide by a Settlement Agent who is an independent, third-party attorney or a title company. A federal or state regulated financial institution may act as their own Settlement Agent only with THDA's prior written approval, and in THDA's sole discretion. THDA will, however, rely on the Originating Agent to remedy problems concerning closed loan documentation.

Any closed loan subsequently determined to be ineligible due to the terms of the closing, closing documentation, failure to comply with insurer, guarantor or THDA closing conditions, early payment default, and/or any other closing related problem or error, is ineligible for THDA funding, without exception and the Originating Agent will be required to repurchase the loan, at THDA's discretion.

A. Electronic Notes

A copy of the executed Note for the first and second mortgage (if applicable) should be emailed to closing@thda.org or uploaded to the mortgage loan portal within 72 hours of loan closing.

B. Expedite Loan Documents

The Originating Agent must immediately submit the closed loan file for loan guaranty/insurance and ship servicing documents to the THDA Servicer as soon as possible.

Failure to comply with delivery deadlines will result in the Originating Agent being required to repurchase the loan from THDA or THDA will refuse to purchase the loan. See Section 8.2 for THDA delivery deadlines.

7.2 LOAN COMMITMENT

If the terms of the closed loan do not match the Commitment, or Commitment conditions are not satisfied, the Commitment is void. THDA may refuse to fund, may refuse to purchase or may demand repurchase by Originating Agent of closed first and second loans that do not conform to the Commitment. If any element of the transaction does not match the Commitment or if Commitment conditions are not satisfied, do not proceed with the closing. A revised Commitment must be issued prior to closing if any element of the proposed transaction does not match the Commitment. Contact THDA with any questions or to obtain a revised Commitment prior to closing.

7.3 REQUIRED LOAN DOCUMENTS

A. Loan Documents

The most recent versions of the following instruments for the applicable loan type must be used, including any applicable riders. A non-qualifying spouse must sign the Deed of Trust:

1. FHA: Multistate FHA Note (Tennessee)
Multistate FHA Deed of Trust (Tennessee)
THDA Rider

2. VA: FNMA/FHLMC Multistate Note (Tennessee)
FNMA/FHLMC Multistate Deed of Trust (Tennessee)
VA Rider
THDA Rider
3. USDA/RD (FmHA):

FNMA/FHLMC Multistate Deed of Trust (Tennessee)
THDA Rider
USDA/RD loans must close with FNMA/FHLMC documents only.

FNMA/FHLMC Multistate Deed of Trust (Tennessee)
THDA Rider
5. THDA Great Choice Plus Second Deed of Trust and Note
6. Legally Enforceable Obligation Letter

B. Due Dates

The promissory note must specify a first payment due date as the first day of the second calendar month following the date of closing. All subsequent payments are due the first day of each month. Interest credits are not allowed on THDA loan closings.

C. Late Charges

Late charges are permitted only in compliance with the applicable program insurer’s guidelines. If the charge exceeds the allowable rate, the note will be returned for correction and signature by Borrower(s).

7.4 OTHER REQUIRED DOCUMENTATION

A. Title Insurance Policy

Use ALTA Loan Policy or ALTA Short Form Residential Loan Policy and include the following:

1. The insured amount must be equivalent to the amount of the first mortgage. THDA will not require a Lender's Title Policy on the Great Choice Plus second mortgage.
2. THDA must be a “named insured”. Use the following language:

(Name of Originating Agent), and/or Tennessee Housing Development Agency, and/or (Name of insuring or guaranteeing entity), as their interests may appear.

OR

(Name of Originating Agent), its successors and assigns and/or (Name of insuring or guaranteeing entity), as their interests may appear.

3. Taxes/assessments that are due and payable cannot be indicated as unpaid.

Endorsements to the Title Insurance Policy may be required as determined by THDA.

B. Warranty Deed

The Warranty Deed must convey the property to the borrower(s) indicated on the Commitment.

C. Termite Inspection/Treatment Certificate

Termite Inspections/Treatment Certificate provided as required by the insurer, guarantor or the appraiser.

D. Hazard Insurance

Hazard insurance coverage must be issued in the name(s) of the titled property owner(s). The insurance company issuing the hazard insurance policy must be licensed by the State of Tennessee, and have a current financial rating by Best’s Insurance Reports of class IV or better.

The policy must insure against loss due to fire and other hazards covered by the standard extended coverage endorsement on a replacement cost basis. The Borrower may elect to include additional coverages, such as liability and earthquake insurance, and special policy riders.

The minimum acceptable amount of hazard insurance coverage is the appraised value less the site value, as provided in the appraisal, or an amount sufficient to replace the structure as determined by THDA.

The maximum allowable amount for deductible will be the maximum of 1% of the loan amount, \$2,500 or the maximum of guarantor’s guidelines for VA and USDA loans. The deductible clause may apply to either fire, extended coverage, or both.

Minimum initial term is one year.

THDA must be named as mortgagee in the original policy or in an endorsement. Use the following language:

Tennessee Housing Development Agency
C/O (THDA Servicer), Loan # _____
(Servicer’s mailing address)
(Servicer’s city, state, zip)

Coverage must be in force on or before the day of closing.

An original insurance policy or Certificate of Insurance is required. An insurance binder, a memorandum of insurance or a premium bill is not acceptable. The Originating Agent must submit the original policy or certificate to the THDA Servicer promptly after closing and a copy of the declarations page to THDA with the closed loan package.

For loans in condominium developments, secure a Certificate of Insurance for the blanket hazard insurance policy that covers the development or building.

Policies are not acceptable if, under the terms of the carrier’s charter, by-laws or policy, contributions or assessments may be made against the Borrower, THDA or THDA’s designee; or if by the terms of the carrier’s charter, by-laws or policy, loss payment is contingent upon action by the carrier’s Board of Directors, policyholders or members; or the policy includes any limiting clauses (other than insurance conditions) which could prevent THDA or Borrower from collecting insurance proceeds.

E. Flood Insurance

Flood insurance is mandatory for all loans with improvements located in Flood Zone A, without exception. A copy of FEMA Form 81-93 Standard Flood Hazard Determination must be included with the closed loan package when submitted to THDA. The Flood Certification MUST state it is for the life of loan. If part of the property is located in Flood Zone A but all of the improvements are outside Flood Zone A, flood insurance is not required, subject to the rules of the loan insurer or guarantor.

To waive the flood insurance requirement, a loan survey is required and must indicate the boundary of Flood Zone A and show that all improvements included in the appraised value are outside of Flood Zone A.

The amount of coverage must equal the total amount of the THDA approved loan up to the maximum amount available through the National Flood Insurance Program.

The maximum allowable amount for deductible will be the maximum of 1% of the loan amount, \$2,500 or the maximum of guarantor's guidelines for VA and USDA loans.

The same mortgagee clause and mailing address previously indicated under "Hazard Insurance" must be used.

A copy of the flood insurance application and a copy of the check for the first year's premium must be enclosed with the closing package shipped to THDA.

F. Escrow for Repairs or Completion of Construction

Escrows for repair should be avoided. Submit the proposed escrow agreement to THDA prior to closing. At a minimum, the escrow agreement must state what the escrow is for, the dollar amount to be escrowed, and the completion date which may not exceed 60 days.

Loans should be closed with repair escrows only if the repairs are minor and can be completed quickly. Escrows for completion of construction should only be for minor items, such as final landscaping that is delayed due to seasonal weather.

The amount to be placed in escrow for the completion of repairs or construction must be the greater of (a) 150 percent of the estimated cost of the repairs or the estimated cost to complete construction or (b) the amount required by the applicable loan insurer or guarantor.

All work must be completed and a final inspection delivered to THDA by no later than 60 days after closing.

An escrow agreement acceptable to THDA for repairs or completion of construction must be used. The Originating Agent must hold and disburse the escrow funds in accordance with the Escrow Agreement.

G. Closing Disclosure

The Closing Disclosure (CD) is required. The principal amount of the second loan should be listed on the CD for the first loan.

H. Verbal Verification of Employment (VVOE)

The verbal verification of employment (VVOE) utilized by lenders to confirm the borrower's current employment status within 10 business days prior to the note date must be included in the closing package.

7.5 OTHER REQUIREMENTS

A. Close In The Name Of

All THDA approved Great Choice loans must be closed in the name of the Originating Agent noted on the Commitment and are assigned to THDA. THDA Great Choice Plus loans must be closed in the name of THDA.

B. Qualifying Spouse

Applications involving married applicants require that both spouses meet the first-time homebuyer eligibility, except in Targeted Areas or if eligible for a veteran's exemption.

A non-qualifying spouse must sign the Deed of Trust.

C. Rescission

THDA cannot fund or purchase a loan that is closed with a Three-day Right of Rescission.

D. Net Funds "To Borrower"

A borrower cannot receive any funds from the closing that exceed amounts that they paid in advance from their personal funds for earnest money, appraisal fees, credit report fees, and homebuyer education counseling. If a grant from an entity other than THDA is included in the transaction, coordinate this subject with the grant provider. Borrowers using Great Choice Plus assistance cannot receive any funds at closing from the assistance provided.

There are circumstances that arise at the closing table that cause excessive cash back to the borrower. In these situations, THDA will allow a principal reduction to cure the issue.

E. Original Certificate of Title or Original Manufactured Certificate (MCO) of Origin (Manufactured Home)

If the seller of the subject property has a mortgage on the property and the lien holder is in possession of the original title or MCO and will not release it until their loan is paid off, the original Certificate of Title with any lien noted thereon having been marked released, or Manufactured Certificate of Origin ("MCO"), in the name of the seller of the subject property or having been endorsed to the seller **MUST** be provided to THDA with the closing documents. If the Manufactured Home consists of more than one (1) unit, you will need to provide the title or "MCO" for each unit. THDA will not purchase the loan until we receive the original certificate of Title or original MCO.

F. Affidavit of Affixation (Manufactured Home)

An Affidavit of Affixation is required on all manufactured home loans and must be recorded as a separate document. It cannot be recorded with or attached to the Deed of Trust. THDA's Affidavit of Affixation (Form HO-0453) is to be used unless the Settlement Agent uses an Affidavit of Affixation that meets the statutory requirement of TCA Section 55-3-138.

G. Warranty Deed

A copy of the Warranty Deed (certified copy of recorded Warranty Deed if Manufactured Home) to the subject residence must be provided to THDA in the Closed Loan Submission package.

7.6 CLOSING COSTS

Closing Costs and Fees a THDA Borrower May Pay

1. The borrower may pay any and all reasonable and customary fees and costs normally charged in the market place. If THDA, in its sole discretion, determines that the borrower has been charged a fee that is exorbitant or not customarily charged in the market place, the Originating Agent will be required to refund these fees to the borrower.

2. Origination Fee

A fee up to 2% of the Base Loan Amount is permissible, and is paid to the Originating Agent. The origination fee may not be charged on financed FHA MIP, VA Guaranty Fee, USDA/RD Guaranty Fee or PMI, unless expressly permitted by FHA, VA, USDA/RD or PMI regulations. Either the Borrower or the seller may pay the Origination Fee up to 2%. No additional origination fee may be charged to the Borrower or seller.

A loan originator may designate an origination point on page 2 of the CD.

3. THDA allows the Originating Agent to charge normal and customary fees, including without limitations, appropriate application fee. If the Originating Agent elects to charge the Application Fee, it must be included on the LE and CD.

7.7 USE OF MERS SYSTEM

Originating Agents who are MERS members, in good standing, may use loan documentation showing Mortgage Electronic Registration Systems, Inc., as the nominee for Originating Agent and Originating Agent's successors and assigns for THDA loans closed on or after July 1, 2006. The THDA loan number must be reflected on all THDA loan documentation in addition to the use of the Mortgage Identification Number (MIN) as may be assigned and required by MERS.

Originating Agents shall cause each deed of trust (with THDA Rider) securing a THDA loan to be properly recorded in the Register's Office of the county in which the property is located and to register such deeds of trust with MERS in accordance with applicable MERS requirements. Originating Agent may sell servicing rights to THDA loans registered with MERS only to THDA approved Servicers who are also MERS members in good standing.

Originating Agent shall, upon THDA's request, obtain and properly record an assignment of any MERS registered THDA loan from MERS to THDA or as THDA may direct. In the event of any dispute regarding a THDA loan registered with MERS, Originating Agent shall take all steps deemed necessary by THDA to protect THDA's interest. All other requirements of this Guide and of the Working Agreement between THDA and Originating Agent shall apply to each THDA loan regardless of registration with MERS.

SECTION 8: SHIPPING A CLOSED THDA LOAN

8.1 OVERVIEW

A. Originating Agent Obligations

Originating Agents must conform to strict time tables when shipping a closed loan file to THDA and to the THDA Servicer. The THDA Closed Loan Transmittal lists the documents that must be provided to THDA with each closed loan file.

In order to avoid potential problems in complying with THDA timeliness guidelines and the resulting fees for such, upon receipt of the closed loan file from the Settlement Agent, Originating Agents are strongly encouraged to:

1. Audit all documents for accuracy,
2. Immediately secure any necessary corrections,
3. Promptly submit required documents to the THDA Servicer indicated on the Commitment to facilitate timely notification to the Borrower in preparation for the first scheduled loan payment,
4. Submit all information and materials required to obtain insurance or guarantee, and
5. Comply with THDA delivery deadlines.

B. Document Caption

Documents or files delivered to THDA must be clearly identified with the Originating Agent's name, the primary Borrower's name, the THDA loan number, and the name and telephone number of the Originating Agent's contact person. When shipping follow-up documents after the initial closed loan file has been delivered, Originating Agents must properly identify all documents being delivered. More than one loan file may be delivered in each envelope; however, documents for each loan file must be clearly identified.

C. Shipping Address

When delivering closed loan files and follow-up documents, specify "Single Family Programs Division, Closing Department". Documents delivered without "Single Family Programs Division" included in the address may be misdirected or lost.

8.2 DELIVERY DEADLINES

Delivery of all THDA closed loan files must conform to the following deadlines:

1. 10 Day Deadline
For all THDA loans, THDA must receive the THDA Closed Loan Transmittal, the original Notes, per diem interest (if applicable), and all other required initial submission documentation regardless of type or source of funding, within ten (10) calendar days following closing.
2. 120 Day Deadline
THDA must be in receipt of all necessary documentation, including the recorded Deed of Trust, Assignment (n/a if MERS documents submitted), Title Insurance Policy, final

inspections and insuring or guarantee certificate within 120 days of closing, on all THDA loans.

THDA may grant one extension, for a period not to exceed thirty (30) calendar days, to the delivery deadline to allow for additional efforts to resolve the problems. THDA may consider additional extensions. Any additional extensions must be approved by THDA, in THDA's sole discretion.

THDA may decide to complete a file without all final corrections being received. In those cases, the Originating Agent would receive notification from THDA of the correction(s) to be made and the Originating Agent will be responsible for completion of the file.

8.3 FAILURE TO MEET DELIVERY DEADLINES

Any loan closing file remaining incomplete on the 151st day following closing, regardless of extension status and/or file documentation status, will result in THDA issuing a demand for repurchase, along with repurchase instructions and deadline, without any further notice to the Originating Agent, unless a further extension was granted by THDA. If the loan has not yet been purchased by THDA, it will immediately become ineligible for purchase on the 151st day following closing, unless a further extension was granted by THDA. Loans declared ineligible for purchase by THDA, including Great Choice Plus loans and/or loans repurchased from THDA, are not eligible for subsequent purchase by THDA.

THDA may require Originating Agents who submit loans closed by the Purchase Method and do not comply with delivery deadlines to submit all final documents before their loans will be eligible for purchase by THDA.

Originating Agents who consistently fail to meet delivery deadlines will be suspended from new loan originating until such time that the delinquent loan closings are completed.

THDA, in its sole discretion, may refuse to purchase any loan and may require an Originating Agent to repurchase any loan(s) when any of the following exist:

1. Commitment conditions are not satisfied; or
2. The closed loan does not match all elements of the Commitment; or
3. The Originating Agent fails to deliver required documents to the THDA Servicer within the THDA Servicer's deadline; or
4. The loan is refused for servicing by the THDA Servicer; or
5. The Borrower fails to make the first regularly scheduled loan payment to the THDA Servicer ("first payment default"); or

An Originating Agent who fails to repurchase loans upon demand may be suspended from submitting new loan applications to THDA, and THDA may pursue other remedies as specified in the Working Agreement.

B. Repurchase Price

The amount necessary to repurchase a loan is:

1. The sum of the outstanding principal and interest on the Great Choice loan and the Great Choice Plus loan, if applicable.
2. Monthly escrow adjustment.

In addition, if the Originating Agent is not the THDA Servicer, the repurchase price may include reimbursement of the Service Release Fee to the THDA Servicer and a repurchase fee.

1. The THDA Servicer will provide instructions for obtaining the repurchase price by a certain deadline.
2. The Originating Agent must prepare an Assignment from THDA to the Originating Agent and submit it to the THDA Servicer, who will forward the Assignment to THDA for execution.
3. The Originating Agent must wire the required repurchase price to the THDA Servicer according to instructions provided by the THDA Servicer.

Loans declared ineligible for purchase by THDA, and loans repurchased from THDA, are not eligible for subsequent purchase by THDA.

8.6 SERVICING PROCEDURES

All loans shall be sold servicing-released to THDA dba Volunteer Mortgage Loan Servicing (VMLS). VMLS servicing effective date is the THDA purchase date.

A. Service Release Premium

THDA will pay a Service Release Premium (SRP) in an amount equal to 1% of the loan amount. Closed loan packages must be received and purchased prior to the first payment due date and meet the delivery deadline described in Section 8.2 of the O. A. Guide. THDA will withhold the SRP amount from the purchase price of the loan. THDA will pay the SRP for a loan once all documents as described in section 7 of the O. A. Guide are received from the lender for that loan. The THDA prepared SRP report will be emailed to the lender each week to the most recent email address THDA has in its files for each lender. THDA will wire the SRP each week to the lender using the most recent wiring instructions THDA has in its files for each lender. It is the lender's obligation to ensure that email addresses and wiring instructions are accurate and up to date.

D. Tax Service Fee

A \$75 tax service fee must be charged on all loans. It can be paid by the borrower or lender and must be reflected accurately on the Loan Estimate and Closing Disclosure. THDA deducts this amount from the SRP and remits the tax service fee to CoreLogic.

E. Changing Fees/Compensation

Compensation and fees may be changed or eliminated at the discretion of THDA.

F. Tax and Insurance Escrow

The initial Escrow Account Disclosure statement must be completed accurately to be sure sufficient funds are collected at closing. The initial escrow funds will be deducted from the purchase of the loan.
