Section 1: Introduction and Disclaimers

The Tennessee Housing Development Agency ("THDA") administers the Low-Income Housing Credit program in Tennessee. The Low-Income Housing Credit ("Housing Credit") program was created by the Tax Reform Act of 1986 under Section 42 of the Internal Revenue Code of 1986, as amended ("Section 42"), to encourage the construction and rehabilitation of rental housing for low-income individuals and families. Under Section 42(m), THDA is required to develop a Qualified Allocation Plan ("QAP") to define the process by which it will allocate an annual amount of Housing Credit in Tennessee.

This QAP contains “electronic links” to resources utilized by THDA in the application process such as the Tennessee Growth Policy Act, Multifamily Tax Subsidy Project Income Limits, Qualified Census Tracts, designations of Difficult to Develop Areas, Fair Housing Act requirements, etc. “Attachments” are forms or documents, which must be submitted in the Tennessee Housing On-line Management Administration System ("THOMAS") as part of the Initial Application. Initial Application information entered into THOMAS, including attachments, are, collectively, part of the “Initial Application” and all are considered part of the QAP.

All QAP requirements, Initial Application requirements, and Code requirements must be met. These requirements include, without limitation, all applicable requirements of the THOMAS User Manual and use of all applicable forms and templates from the THOMAS Documents Page.

This QAP has been approved by the THDA Board of Directors and adopted by the Governor of Tennessee.

When this QAP calls for some THDA action, including but not limited to a determination, adjustment, review, evaluation, or exercise of discretion, all such actions shall be at THDA’s sole discretion, whether specifically so stated or not.

No person or entity who submits an Initial Application shall have any right to an allocation of Housing Credit under this QAP based solely on the score assigned to their Initial Application.

The QAP as Public Policy

The policy surrounding this QAP is to use the Housing Credit allocated to Tennessee to create, maintain, and preserve affordable rental housing for low-income households. Specific objectives of this QAP are to:

A. Make rental units affordable, in the areas of greatest need, to households with as low an income as possible and for the longest time period possible;

B. Encourage development of appropriate housing units for persons with special needs, including the elderly, the homeless and the disabled;

C. Allocate only the minimum amount of Housing Credit necessary to make a development financially feasible and viable throughout the credit period;

D. Encourage Non-Profit entities to develop rental housing for low-income households;

E. Encourage fair distribution of Housing Credit among counties and developers; and

F. Allocate Housing Credit fairly.

Amendments
THDA may amend any part of this QAP following public notice and approval by the THDA Board of Directors. Such amendment is expressly permitted by this QAP, and the making of such amendment will not require further public hearings or approval by the Governor. THDA, in accordance with Section 42, may impose additional requirements in order to fulfill the objectives of its housing initiatives.

**Document Review**

THDA will review and evaluate only those materials submitted in compliance with the requirements of this QAP. THDA will not evaluate any materials submitted outside the deadlines for submission of such materials and will assume no obligation to request additional information from applicants for any purpose. THDA may require additional information and/or documentation if THDA determines that additional information is necessary for clarification and/or explanation. THDA’s review of documents submitted with any Initial Application, including Initial Applications or documents submitted in connection with Housing Credit reserved or allocated under this QAP is for THDA’s own purposes and is not for the purpose of advising, certifying, representing or warranting to others as to the feasibility or viability of any proposed development.

**Adverse Action by Local Jurisdiction**

If, following the allocation of Housing Credit to a proposed development, the local jurisdiction in which the proposed development is located takes action that THDA, in its sole discretion, determines to be for the primary purpose of preventing the proposed development from satisfying applicable program requirements, THDA may lower the amount of Housing Credit available to that jurisdiction in future Qualified Allocation Plans. Examples include, without limitation, “downzoning”, action regarding utilities or utility connections, action regarding required public roads, or action to prevent issuance of Certificates of Occupancy.

**No THDA Liability**

No member, officer, agent, or employee of THDA shall have any personal liability with respect to any matters arising out of, or in relation to, this QAP, Housing Credit reserved or allocated under this QAP or the monitoring of Housing Credit developments.

THDA makes no representations or warranties to applicants, developers, owners or anyone else as to compliance with Section 42, Treasury regulations, or any other laws or regulations applying to Housing Credit or Housing Credit developments or as to the feasibility or viability of any proposed Housing Credit development.

**Enforcement**

In the event THDA seeks enforcement of any matter connected with any reservation, allocation or monitoring of Housing Credit, or any other matter connected with Housing Credit, THDA shall be entitled to recover all damages, costs, expenses and fees, including without limitation, all court costs, all legal fees and expenses, and all staff time, from any party connected with any Housing Credit development.

**False Statements**

A. Tennessee Code Annotated, Section 13-23-133, makes it a Class E felony for any person to knowingly make, utter, or publish a false statement of substance or aid or abet another person in making, uttering, or publishing a false statement of substance for the purpose of influencing THDA to allow participation in the Housing Credit Program. Any and all statements contained in any materials, including without limitation, an Initial Application and any other applications, documents, letters, opinions, or certifications, submitted to THDA in connection with any Initial Application, subsequent applications or in connection with Housing Credit reserved, allocated or monitored for compliance under this QAP or otherwise made by an applicant or other person
connected in any way with Housing Credit reserved, allocated or monitored for compliance under this QAP are statements of substance made for the purpose of influencing THDA to allow participation in the Housing Credit Program.

B. By submitting any materials, including without limitation, an Initial Application and any other applications, documents, letters, opinions, or certifications to THDA in an effort to obtain or maintain Housing Credit, the applicant and all parties connected with the development proposed in the Initial Application acknowledge and agree (1) they are entering into a contract with THDA; and (2) they intend for THDA to rely on and seek enforcement of all selections or statements (written or oral) made with respect to any reservation, allocation or monitoring of Housing Credit by any and all means available, including, without limitation, specific performance; and (3) they are knowingly making, uttering or publishing or aiding and abetting others in making, uttering or publishing statements of substance for the purpose of influencing THDA to allow participation in the Housing Credit program.

Section 3: Limits on Housing Credit Allocations

THDA will only allocate an amount of Housing Credit necessary for the financial feasibility of a development and its viability as a qualified low-income housing development in accordance with Section 42(m)(2). THDA may reject or require modifications to Initial Applications for Housing Credit when THDA determines that the proposed development is not financially feasible or does not need Housing Credit. THDA may also reserve or allocate an amount of Housing Credit less than the amount requested in an Initial Application, in a Carryover Allocation Application or in a Final Application. THDA’s determination under Section 42(m)(2) shall not be construed to be a representation or warranty by THDA as to the financial feasibility, viability, or lack thereof, of any development.

A. Annual Ceiling
The methodology to determine the annual Housing Credit Ceiling is contained in Section 42 (h)(3)(C)(i).

B. Set-Asides and Available Housing Credit Amounts by Set-Aside
1. Non-Profit Set-Aside - No less than 10% of the annual Housing Credit Ceiling will be allocated to Qualified Non-Profit applicants. THDA reserves the right to make allocations of Housing Credit to Qualified Non-Profit applicants as needed to meet the requirements of Section 42(h)(5).
2. CNI Grants - Eligible PHAs with qualified CNI grants may receive an allocation of Housing Credit outside of the PHA Set-Aside. The annual amount of Housing Credit to be allocated to Initial Applications involving CNI grants shall not exceed $1,700,000.
3. Innovation Round - No more than one innovation round Initial Application may receive Housing Credit annually. The amount of Housing Credit available to the successful innovation round Initial Application shall not exceed the amount of Housing Credit available under the per development limit for the type of construction proposed in the innovation round Initial Application. THDA, in its sole discretion, may elect not to award Housing Credit to any Innovation Round Application.
4. PHA Set-Aside - No more than 20% of the annual Housing Credit Ceiling will be allocated to developments involving a PHA that meets the requirements of Section 10 of this QAP.

to an eligible Initial Application qualified for special assistance under Section 24 of this QAP.

b. In each of the West, Cumberland, East, and Upper Eastfour pools, THDA may issue up to one two Reservation Notices to eligible Initial Applications not qualified for special assistance under Section 24 of this QAP and up to one Reservation to an eligible Initial Application qualified for special assistance under Section 24 of this QAP.

D. Incremental Developments/Phase 2 Development

An Initial Application proposing new units to a previously allocated new construction development in the next allocation year is an Incremental Development. The proposed new units will include the previously allocated development and must be located on the same plot of land within the same development, share a common financing plan and use the same Development Team.

Incremental Developments differ from Phase 2 Developments by nature because a Phase 2 Development relies on the Phase 1 Development’s lease up status. A Phase 1 Development’s construction must be complete and rent-up must be substantially completed, meaning at least 50 percent of the units have been leased, prior to applying for a Phase 2 Development.

Initial Applications proposing Incremental Developments will be reviewed, evaluated, and scored based solely on the costs, characteristics, and other elements of the new housing units added. If an allocation of Housing Credit is allocated as an Incremental Development receives an allocation of competitive Housing Credit under this QAP, the development will be subject to the following limitations, based on the cumulative costs of the entire development as proposed:
1. By County
2. By Development
3. By Developer or Related Parties
4. Aggregate Qualified Census Tract
5. Total Development Cost Per Total Unit Limit
6. Second Allocation
7. Financial Feasibility
8. Developer, Consultant, Contractor, Overhead and General Requirements Fees

THDA reserves the right to determine, in its sole discretion, whether an Initial Application proposes an Incremental Development or a Phase 2 Development.

E. New Construction Per Development Limits

Initial Applications proposing developments involving new construction are not eligible for annual Housing Credit that exceeds the following limits:

THDA prefers Development Teams who have successful experience in Tennessee with the THDA Housing Credit program. Such experience is evidenced by successful construction, rehabilitation and placing in service of a recent Housing Credit development, maintaining a good track record in the on-going operations of the Housing Credit development, and providing the capacity to sustain the property in the ever changing regulatory and rental market. Section 14: Initial Application Scoring

A. Applications Proposing New Construction Only:

The scoring criteria in this section are not intended to allow an applicant to claim the maximum 100 points. An eligible Initial Application must have a minimum score of **70-65 points** to be eligible. THDA will determine the score during the scoring review process.

1. **Project Location Opportunity 360:**
   **up to 20 15 points**

Applications proposing development sites located in census tracts with high opportunity for upward mobility, as measured by the Enterprise Community Partners Opportunity 360 Community Dashboard, may be awarded up to 15 points (rounded to the nearest 1/1000th of a point). The score is derived from the Economic Security, Education, and Mobility state indices. Each index is equally weighted. The combined maximum value of the three state indices is 15 points. Each index value will be multiplied by 0.05. The sum of the three values will constitute the Development Location score.

For example, if the Opportunity 360 Community Dashboard reports the following values for a census tract, the score is calculated as follows:

- **Education:** 85
- **Economic Security:** 82
- **Mobility:** 82

\[
[(85 \times 0.05) + (82 \times 0.05) + (82 \times 0.05)] = 12.450
\]

These values result in a total score of 12.450 points. Applications proposing developments located in counties with the greatest rental housing need (County Need Score) (see link on the THOMAS Documents Page)

2. **Meeting Housing Needs:**
   **up to 5 points**

a. Applications in which the 40/60 Test is elected will serve a percentage of households with incomes no higher than 50% of the area median income with rents maintained at or below the 50% area median income maximums. Applications in which the 20/50 Test is elected will serve a percentage of households with incomes no higher than 40% of the area median income with rents maintained at or below the 40% area median income maximums. Units to be occupied by households with a Section 8 Housing Choice Voucher count towards this requirement. Applications in which the 60 Percent Income Averaging Test is elected are ineligible for these points.

b. Initial Applications may receive these points (rounded down to the nearest 1/1,000th point) in proportion to the three (3) year average physical occupancy rate of the proposed development, rounded down to the nearest 1/1,000th percent. An Initial Application will be eligible for points based on the three (3) year average physical occupancy rate of the proposed development. This three (3) year average physical occupancy rate shall be determined using both the occupied residential rental units which were charged rent as of December 1 during each of the previous three (3) years and the number of the total residential rental units determined at the last placed in service date for all the buildings in the development. Information must be certified by a CPA who shall confirm occupancy and rent information using December rent rolls for the prior three (3) years and the total number of residential rental units determined at the last placed in service date for all buildings in the development. For example, if the three (3) year average occupancy rate is
95.678%, 0.95678 x 3 = 2.870 points. The three (3) average physical occupancy rate should be rounded up to the nearest whole percentage point.

d. Initial Applications proposing to rehabilitate the highest percentage of the total of the currently existing affordable housing units in the county and the “pipeline” competitive and noncompetitive Housing Credit units in the county. Initial Applications may receive these points (rounded down to the nearest 1/1,000th point) in proportion to the ratio of post-rehabilitation Housing Credit units to the total of the currently existing affordable housing units in the county and the “pipeline” competitive and noncompetitive Housing Credit units in the county, rounded down to the nearest 1/1,000th percent. The county-by-county total of the currently existing affordable housing units in the county and the “pipeline” competitive and noncompetitive Housing Credit units in the county is available [HERE]. For example, if development does not have a Housing Assistance Payment contract set to expire prior to January 1, 2024, and the number of post-rehabilitation Housing Credit units is 88, and the total of the currently existing affordable housing units in the county and the “pipeline” competitive and noncompetitive Housing Credit units in the county is 789, (88/789) x 2 = 0.222 points.

Section 15: Initial Application Eligibility and Scoring Review

A. Initial Application Review Process

1. THDA will notify each applicant when the eligibility determination and scoring of all Initial Applications is complete. THDA will send this notice to the contact person at the address specified in the Initial Application. Failure to receive any notice specified in this QAP will not extend deadlines or modify requirements. All applicants shall immediately notify THDA at thomas@thda.org, of changes in the name and/or address of the contact or alternate person specified in the Initial Application. Such notification by the applicant will not be deemed to be an amendment to the Initial Application.

2. If THDA determines that an Initial Application meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial Application, then no further action by the applicant or THDA will be taken. Applicants shall not submit additional items for the purpose of increasing the score in a particular scoring category if the THDA assigned score for the Initial Application is the same as or higher than the score assigned by the applicant in the Initial Application. The provisions of the Cure Period do not apply.

3. If THDA determines that an Initial Application does not meet one or more of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is less than the score assigned by the applicant in the Initial Application, THDA will notify the applicant. This notice to applicants from THDA is referred to herein as the “Cure Notice”.

4. THDA will also provide a Cure Notice if THDA determines that (i) any two or more developments proposed in two or more Initial Applications constitute a single development for purposes of applying the development limit; or (ii) developers or Related Parties reflected in two or more Initial Applications constitute a single entity for purposes of applying the developer or related party limitation.

B. Cure Period

1. Applicants receiving a Cure Notice may, in compliance with the requirements of this QAP, correct erroneous items, supply missing or incomplete items and/or may clarify any inconsistencies related to the specific items identified by THDA during the cure period which shall begin on the date of the Cure Notice and shall end at the time and date specified in the Cure Notice. The Cure Notice shall specify the means and methods identified issues may be remedied. Applicants may not submit additional items for the purpose of increasing the score in a particular scoring category where the THDA assigned score is the same as or higher than the score assigned by the applicant in the Initial Application.

2. If additional documentation to address items specified in the Cure Notice is not submitted in accordance with the requirements contained in the Cure Notice, then the determination as to eligibility and scoring made by THDA is determinative. The review process described below is not available to applicants who do not submit additional documentation, in THOMAS, in accordance with the Cure Notice (including, without limitation, the time deadlines specified therein.).

3. These cure provisions do not apply to Initial Applications that are not submitted in accordance with the Initial Application submission requirements of this QAP.

4. THDA will review all documentation submitted in accordance with the Cure Notice for each relevant Initial Application. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, meets all of the eligibility requirements of this QAP and if the score assigned by THDA in each scoring category is the same as or higher than the score assigned by the applicant in the Initial
Application, then no further action by the applicant or THDA will be taken. The provisions of the Review Process will not apply.

5. If THDA determines that an Initial Application, taking into account documentation submitted in accordance with the Cure Notice, still does not meet all of the eligibility requirements of this QAP or if the score assigned by THDA in any scoring category is still less than the score assigned by the applicant in the Initial Application, THDA will notify the applicant of the determination (the “Review Notice”). The Review Notice will specify the time period within which a request for review may be made.

C. Review Appeal Process
1. Applicants who receive a Review Notice may submit a request for review. This request for review must be submitted in THOMAS in accordance with the Review Notice and the THOMAS User Manual. If no written request for review is submitted, no review will occur and the THDA determination prior to the issuance of the Review Notice will be final.
2. No additional documentation may be submitted in connection with this request for review. No information submitted after the expiration of the relevant cure period specified in the Cure Notice for an Initial Application will be considered. Requests for review that were not submitted in accordance with the Review Notice will not be considered.
3. The Tax Credit Committee of the THDA Board of Directors will meet in regular or special session in 2021 to evaluate the Initial Application, documentation submitted during the cure period, the Review Notice, the request for review and THDA staff analysis thereof (the “Review Meeting”). The Tax Credit Committee will consider only documentation submitted in compliance with the Cure Notice regardless of whether the applicant or a representative thereof is present at the Review Meeting.
4. The Tax Credit Committee will consider whether documentation submitted as a result of the Cure Notice, taking into account the THDA staff analysis, is sufficient to meet the requirements of this QAP or is otherwise consistent with the spirit and intent of this QAP.
5. Any contact with THDA Executive Director, any member of the TCC or any member of the THDA Board by any person or entity on behalf of any Initial Application between the date of the Review Notice and the date of the Review Meeting will be grounds for dismissal of the review request.
6. Applicants or representatives may contact THDA Multifamily Programs staff regarding procedural matters only between the date of the Review Notice and the date of the Review Meeting, which contact will not constitute grounds for dismissal of a review request. Applicants or representatives may, but are not required to, appear at the Review Meeting. Notice of the decision of the Tax Credit Committee will be provided to the applicant.
7. The final score for all Initial Applications will be determined after the Review Meeting. By adoption of this QAP, the THDA Board of Directors specifically delegates full authority to the Tax Credit Committee to make the determinations required in this Section. The THDA Board of Directors will not consider requests to review decisions of the Tax Credit Committee. All decisions of the Tax Credit Committee are final. No matters with respect to eligibility or scoring under will be considered after the adjournment of the Review Meeting.

D. Final Scoring
After the completion of the cure period and completion of the review process, the final score for each Initial Application will be determined by THDA. The Final Notice process is described in the THOMAS User Manual.

E. Application of Various Limits and Final Ranking Process
Following the final scoring of each Initial Application, THDA will make reservations of Housing Credit to eligible Initial Applications based on final score, the amount of Housing Credit determined by THDA to be appropriate, and the application of all requirements, priorities, and limits contained in this QAP, including as specified below, in the following order:

1. **Nonprofit Set-Aside** – Initial Applications must be eligible for this set-aside under Section 7 of this QAP. Reservations made from this set-aside will count against the limits for Existing Multifamily Housing or New Construction Regional Pools, as applicable.
   a. Highest ranking eligible Initial Application proposing new construction.
   b. Highest ranking eligible Initial Application proposing rehabilitation of Existing Multifamily Housing.
   c. The next highest ranking eligible Initial Application proposing new construction, if needed to reserve the full amount of the Nonprofit Set-Aside. If there are not enough Housing Credit remaining in the Nonprofit Set-Aside to reserve the full amount requested by this eligible Initial Application, additional Housing Credit will be added to this set-aside to make a full reservation.

2. **CNI Grants**
   a. Eligible Initial Applications as described in Section 8 of this QAP.
   b. Highest ranking eligible Initial Application, regardless of development type.
   c. THDA will continue down the ranking of eligible Initial Applications in this set-aside until the last full reservation can be made. In the event that a full reservation cannot be made to the next highest ranking Initial Application, then remaining Housing Credit will be transferred to the New Construction Regional Pool.
   d. Reservations made from this set-aside will count against the limits for Existing Multifamily Housing or New Construction Regional Pools, as applicable.

3. **Innovation Round**
   a. Eligible Initial Applications as described in Section 9 of this QAP.
   b. Eligible Initial Application(s), if any, to receive a reservation will be determined at the discretion of the Innovation Selection Committee.
   c. Reservations made from this set-aside will not count against the limits for Existing Multifamily Housing or New Construction Regional Pools, as applicable.

4. **PHA Set-Aside**
   a. Eligible Initial Applications as described in Section 10-B of this QAP.
   b. THDA will continue down the ranking of eligible Initial Applications in this set-aside until the last full reservation can be made. In the event that a full reservation cannot be made to the next highest ranking Initial Application, then remaining Housing Credit will be transferred to the New Construction Regional Pool.
   c. Reservations made from this set-aside to eligible Initial Applications proposing developments involving RAD will not count against the limits for New Construction Regional Pools or Existing Multifamily Housing.

5. **Existing Multifamily Housing**
   a. Eligible Initial Applications as described in Section 11 of this QAP.
   b. Highest ranking eligible Initial Application.
   c. THDA will continue down the ranking of eligible Initial Applications for Existing Multifamily Housing until the last full reservation can be made. In the event that a full reservation cannot be made to the next highest ranking eligible Initial Application, then remaining Housing Credit will be transferred to the New Construction Regional Pool.

6. **New Construction Regional Pool and all remaining New Construction**
   a. Eligible Initial Applications in each New Construction Regional Pool will be ranked in descending order. THDA will proceed down the ranking of eligible Initial Applications for the New Construction Regional Pools, making Reservations to fill the New...
Construction Regional Pools as specified in Map 3-1 and in Section 3-C, until the last full reservation can be made in each of the New Construction Regional Pools. In the process of making Reservations to fill the New Construction Regional Pools, no preference will be given based on whether an eligible Initial Application does or does not qualify for special assistance as described in Section 24 of this QAP.

b. New Construction Regional Pool allocations are limited to 1 per county. Allocations to developments involving RAD will not count against this per county limit.

c. A new construction allocation from the general pool is subject to the applicable limits in Section 3 of this QAP.

d. The next highest ranking New Construction Initial Application(s) will be funded from a general pool which includes the balance of any unallocated 2021 Housing Credit from prior set-asides, rounds and pools.

e. If the Housing Credit remaining is likely to exceed 1 percent of the total Housing Credit available for reservation, any remaining Housing Credit may be offered as a partial reservation to the next highest ranking eligible Initial Application proposing new construction, taking into account all applicable priorities and limits, until the Housing Credit is accepted. Acceptance of a partial reservation according to this provision would not classify a development as an “existing” Initial Application in subsequent years, but any limitation on Housing Credit per development in subsequent years would apply to any such partial reservation.

F. Tie Breaker

1. In the event of a scoring tie between two or more Initial Applications proposing new construction at the cutoff for receipt of a Reservation Notice, the tie shall be broken as follows:

   a. In the case of a tie between proposed new construction in different counties, priority will be given to the new construction development in the county that has gone the longest without a Housing Credit allocation with the highest tie breaker score (HC/Sq. Ft. points + HC/Unit points = tie breaker score) as calculated according to Table 15-1 below. Round HC/sq ft down to the next $0.50. Round HC/unit down to the next $500.

b. If the tie is not broken by Section 15-F-1-a of this QAP, priority will be given to the development that is furthest away from the nearest active Housing Credit development.
(regardless of County), as measured by distance between the center of the proposed
development and the street address of the nearest existing Housing Credit development as
determined by THDA, in its sole discretion.

e-b. If the tie is not broken by Section 15-F-1-a or, then priority will be given to the proposed
new construction development in the Initial Application requesting the least amount of
Housing Credit per low income unit.

2. In the event of a scoring tie between two or more Initial Applications proposing rehabilitation
of Existing Multifamily Housing, the tie shall be broken as follows:
   a. Priority will be given to the proposed development requesting the least amount of Housing
      Credit per Housing Credit unit.

G. Preliminary Ranking List
All Initial Applicants that have been earmarked for an annual allocation of Housing Credit in the
applicable funding year will be listed on the Preliminary Ranking List that will be available at
www.thda.org. This ranking is a preliminary confirmation of a reservation of Housing Credit.

H. Reservation Letter Process
1. THDA will notify each successful applicant of an initial reservation of Housing Credit by
   sending a Reservation Notice.
2. The THOMAS User Manual describes requirements that must be met, including timelines, for
   the reservation process.
3. In determining the initial amount of Housing Credit to be reflected in the Reservation Notice,
   THDA will use the costs, incomes, and expenses submitted in the Initial Application, as
determined reasonable by THDA.
4. The final amount of Housing Credit allocated to each successful applicant may be less than,
   but not be more than, the amount requested in the Initial Application, the amount specified in
   the Reservation Notice or the amount that will be reflected in the Carryover Allocation
   Agreement. Allocations will be determined in connection with a Carryover Allocation
   Application and in connection with an evaluation at the time the development is placed in
   service, in accordance with Section 42(m)(2) and this QAP.

I. Recapture of Housing Credit During Reservation Period
1. THDA will cancel a Reservation Notice for failure to fully satisfy conditions imposed in
   connection with the Reservation Notice and for failure to provide satisfactory information or
documentation required by the Reservation Notice by the deadlines specified in the Reservation
   Notice. When so cancelled, the Housing Credit referred to in the Reservation Notice is not
available for the development specified in the Reservation Notice and will be made available
   to other qualified developments. Deadlines specified in the Reservation Notice are the dates
upon which Housing Credit is deemed recaptured by THDA unless the conditions related to
each deadline have been met on or before such deadline or unless an extension has been
   granted.
2. Housing Credit made available through a Reservation Notice may be voluntarily returned. Any
such return means Housing Credit is not available for the development referenced in the
Reservation Notice.
3. Any Housing Credit recaptured either by cancellation of a Reservation Notice or voluntarily
   returned will be reserved to the fullest extent practical to other qualified Initial Applications
   for Housing Credit as provided in this QAP.
Section 16: Carryover Allocation Process

A. Qualifying for a Carryover Allocation
An applicant with a Reservation Notice for a development that will not place in service by December 31 of the year in which the Reservation Notice was issued may be eligible for a Carryover Allocation of Housing Credit (“Carryover Allocation”). In order to qualify for a Carryover Allocation, the ownership entity identified in the Initial Application must have ownership of the property identified in the Initial Application and must have incurred costs of at least 10 percent of the reasonably expected basis in the development by the date specified in the Carryover Allocation Agreement.

B. THOMAS Carryover Allocation Application Submission Requirements
1. To obtain a Carryover Allocation Agreement, an Initial Application with a Reservation Notice for a development that will not place in service by December 31 of the year in which the Reservation Notice was issued must submit a completed Carryover Allocation Application in THOMAS by the date specified by THDA. The THOMAS User Manual will specify the required information and any additional documentation to be submitted.
2. The owner must execute a Carryover Allocation Agreement and return the executed Carryover Allocation Agreement to THDA no later than the date specified in the Carryover Allocation Agreement.
3. The owner must submit (through THOMAS) Equity Syndication Closing documentation and, if applicable, Construction Financing Closing documentation.
4. The owner must submit the Cost Certification for the 10 Percent Test in THOMAS no later than the date specified in the Carryover Allocation Agreement.
5. If available, a recorded warranty deed showing ownership by the ownership entity identified in the Initial Application, or a fully executed 50-year ground lease (subject to the provisions of this QAP) showing the ownership entity identified in the Initial Application as the lessee, a copy of recorded warranty deed or ground lease, as applicable, must be submitted.
6. If a PILOT agreement is available, a copy of the PILOT agreement must be submitted.

C. Carryover Allocation Application Review Process
During the review of the Carryover Allocation Application THDA will issue Evaluation Notices to request additional documentation and/or information for purposes of clarification of eligibility, scoring and financial feasibility. Evaluation Notices will be issued in the following manner.

<table>
<thead>
<tr>
<th>Evaluation Notice</th>
<th>Deadline for Response</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>First</strong></td>
<td>5 business days from the date of the Evaluation Notice</td>
</tr>
<tr>
<td><strong>Second</strong></td>
<td>2 business days from the date of the Evaluation Notice</td>
</tr>
<tr>
<td><strong>Final</strong></td>
<td>1 business day from the date of the Evaluation Notice</td>
</tr>
</tbody>
</table>

THDA may not issue a Carryover Allocation Agreement for failure to fully satisfy conditions contained in Evaluation Notices issued in connection with the Carryover Allocation Application.
Deadlines specified in the Final Evaluation Notice are the dates upon which Housing Credit may be recaptured by THDA if the conditions related to the deadline have not been met. Upon notification, the Housing Credit referred to in the Reservation Notice are not available for the development and will be made available to other qualified developments.

D. Housing Credit Available
The amount of Housing Credit reflected in a Carryover Allocation Agreement will be determined by THDA in connection with an evaluation at the time a Carryover Allocation is requested. The amount of Housing Credit may be less than, but will not be more than, the Housing Credit amount in the Reservation Notice.

E. Status Reports
Following execution of a Carryover Allocation Agreement, THDA may request status reports outlining progress towards completion by dates, in a form and with substance all as specified by THDA in its sole discretion.

F. Recapture of Housing Credit During Carryover Period
1. THDA will cancel a Carryover Allocation Agreement if there is a failure to fully satisfy conditions imposed in connection with the Carryover Allocation Agreement by the deadlines specified by THDA. When so cancelled, the Housing Credit referred to in the Carryover Allocation Agreement is not available for the development specified in the Carryover Allocation Agreement and will be made available to other qualified developments. Deadlines specified in the Carryover Allocation Agreement are the dates upon which Housing Credit is deemed recaptured by THDA if the conditions related to each deadline have not been met on or before such deadlines or unless an extension has been granted.
2. Housing Credit allocated through a Carryover Allocation Agreement may be voluntarily returned by the owner. Upon return, the Housing Credit referred to in the Carryover Allocation Agreement is not available for the development specified in the Carryover Allocation Agreement.
3. Any Housing Credit recaptured either by cancellation of a Carryover Allocation Agreement or by voluntary return by the owner will be made available as follows;
   a. Any Housing Credit returned before October 1, 2021 will be reserved to other qualified 2021 Initial Applications for Housing Credit as provided in this QAP.
   b. Any Housing Credit returned on or after October 1, 2021 will be reserved for the 2022 competitive allocation cycle.
   c. Any Housing Credit returned on or after March 1, 2020 through September 30, 2020 will be reserved to other qualified 2020 Initial Applications for Housing Credit as provided in this QAP.
   d. Any Housing Credit returned on or after October 1, 2020 will be reserved for the 2021 competitive allocation cycle.
Section 17: Construction Review Process

A. Construction Overview
THDA will conduct a preconstruction meeting with the ownership entity, developer, architect, and general contractor after the equity syndication and construction financing has closed. Documentation in a form and with substance specified by THDA must be uploaded into THOMAS. Guidance may be found on the THOMAS Documents Page. The architectural drawings and specifications, as approved by the syndicator and lender, shall be submitted into THOMAS within five (5) days after the closing. If rehabilitation of Existing Multifamily Housing or adaptive reuse is proposed, the scope of work must also be submitted in THOMAS within five (5) days after the closing. The scheduling of the preconstruction meeting shall not take place until the information is submitted to THDA using THOMAS. THDA does not approve or provide any representations or warranties in connection with architectural drawings or specifications or other documents submitted in connection with the construction review process described in this Section.

B. Preconstruction Meeting
The purpose of the preconstruction meeting is to outline basic responsibilities and duties of the various parties throughout the construction process.
1. For developers with no previous Housing Credit program experience, a full preconstruction meeting must take place.
2. Developers with previous Housing Credit program experience may request a limited preconstruction meeting.
3. THDA shall determine, in its sole discretion, whether the preconstruction meeting will be full or limited.

Preconstruction meeting scheduling should not delay construction progress.

C. Construction Inspections and Reporting

Section 20: Noncompetitive Housing Credit Allocated to Developments Financed with Tax Exempt Bonds

A. Allocation Requirements

Developments financed with tax-exempt bonds issued as a result of an award of MTBA may be eligible for allocations of Noncompetitive Housing Credit outside of the competitive process described in this QAP. These developments must meet the following conditions:

1. Applicants applying for Noncompetitive Housing Credit and MTBA must demonstrate that a minimum of 50% of the outstanding principal amount of tax-exempt bonds originally issued using an award of MTBA remain outstanding as of the placed in service date for the development. On that date, the outstanding principal amount of tax-exempt bonds originally issued using an award of MTBA must meet the requirements of Section 42(h)(4) of the Code. Either bond counsel or a certified public accountant licensed in Tennessee must certify to THDA that this financing requirement is met.

2. Applicants applying for MTBA in THOMAS are deemed to be simultaneously applying for Noncompetitive Housing Credit in THOMAS. THDA will determine the amount of Noncompetitive Housing Credit to be allocated and will issue a Firm 42(m) Letter or a Conditional 42(m) Letter. In determining the initial amount of Noncompetitive Housing Credit to be reserved, THDA will use the costs, incomes and expenses submitted in the Initial Application as determined to be reasonable by THDA. Allocations are subject to Section 42(m)(2) of the Code and this QAP. Any allocation of Noncompetitive Housing Credit will not count against the limits on Housing Credit by county, developer and related parties as specified in this QAP.

3. Applicants applying for MTBA and Noncompetitive Housing Credit are subject to the requirements in the 2021 MTBA Program Description and in this Section 20 of this QAP.

4. In addition, applicants applying for MTBA and Noncompetitive Housing Credit are subject to all applicable requirements of this QAP as determined by THDA, including, without limitation, determinations of eligibility as described in Section 1 of this QAP, fees described in Section 5 of this QAP, the construction review process requirements found in Section 17 of this QAP, the compliance requirements found in Section 19 of this QAP, and the application procedures found in Sections 4, 17, and 18 of this QAP.

5. If an Initial Application for Competitive Housing Credit and an application for MTBA and Noncompetitive Housing Credit for the same development is submitted, the Initial Application for Competitive Housing Credit will be deemed ineligible for further consideration, see Section 12 of the 2021 MTBA Program Description.

B. Development Limits

The maximum amount of annual Noncompetitive Housing Credit that may be allocated to a single development is three million dollars ($3,000,000). In making this determination, THDA will consider the physical location of the development; the relationships among owners, developers, management agents, and other Development Team members; the structure of financing; and any other information which might clarify whether applications reflect a single development or multiple developments.

An applicant may submit a written request for an exception to the maximum Noncompetitive Housing Credit limit. The written request must include sufficient supporting documentation and information to substantiate the additional Noncompetitive Housing Credit as determined by THDA, in its sole discretion. Only one (1) written request for an exception to the maximum Noncompetitive Housing Credit limit per application may be submitted. If an exception to the amount of MTBA that may be awarded is also needed, then both exceptions must be included in one request. Multiple requests will not be considered.
C. **Total Development Cost Limits**

Total Development Cost limits as specified in Table 3-2 in Section 3-G of this QAP will be applied to all proposed developments requesting Noncompetitive Housing Credits at the time of Initial Application.
