THDA has authorized the allocation of tax-exempt bond authority to local issuers for multifamily developments:

- **$50 million in 2002 authority** for developments which will close permanent financing by the date specified in the Commitment Letter. $10 million will be available in East Tennessee, $10 million will be available for Middle Tennessee, and $10 million for West Tennessee. Any unused, recaptured or released amounts after July 1, 2002 will be available first to any remaining eligible applications from that same Grand Division. If there are no remaining eligible applications from that same Grand Division, then the authority will be available to the next highest ranking application regardless of Grand Divisions until October 15, 2002.

- **Bonds must be issued by a local board or other issuing entity** with jurisdiction in the area of the proposed development.

- **Some units must be occupied by persons of low income**: twenty percent (20%) of the units must be occupied by persons at or below fifty percent (50%) of area median income; or forty percent (40%) of the units must be occupied by persons at or below sixty percent (60%) of area median income. Seventy-five percent (75%) of the units must be occupied by persons at or below one hundred and fifteen percent (115%) of the area median income.

- THDA will allocate a maximum of five million dollars ($5,000,000) in tax-exempt bond authority per development.

- The application submission period is February 15, 2002, to October 15, 2002.

- Bond authority will be allocated only to eligible applications on a first come, first served basis. If TDHA receives multiple applications on the same day that, in the aggregate, request more authority than is available, those applications will be ranked according to Part VI G.

- Applicants must meet THDA and federal tax requirements and all other applicable federal, State, and local laws or ordinances.

- A non-refundable $1,000 application fee is required with each application. If a Commitment Letter is issued, the applicant must submit a commitment fee of one percent (1%) of the amount of bond authority allocated and an incentive fee of twenty percent (20%) of the commitment fee. Part of these fees will be returned if the bonds are issued and the development placed in service within the allowed time.
This is only a brief description of some elements of the program. For a complete Program Description, contact Ed Yandell, Director of Multifamily and Special Programs, at (615) 741-9666.
Part I: Background, Eligibility, and Requirements

The Tennessee Housing Development Agency (THDA) has available tax-exempt bond authority to reallocate to local issuers for permanent financing for multifamily housing units in the State of Tennessee. Part of this authority is available in each of the three Grand Divisions of the State. The authority can be used only to provide permanent financing for new construction of affordable rental housing units, conversion of existing properties through adaptive reuse, or acquisition and rehabilitation of rental units, subject to the conditions and requirements described below, and subject to Internal Revenue Service requirements.

A. Use of Bond Authority:
   1. Any tax-exempt bond authority allocated pursuant to this program must be used to provide permanent financing for the development. The authority is not intended for short-term financing, construction financing, “bridge” financing, or any other financing which is not the permanent financing for the development;
   2. Applicants for and Recipients (as defined in Part II-C) of 2002 authority must be able to issue bonds no later than 1 PM (Central Time) on the date specified in the Commitment Letter.

B. Eligible Developments:
   1. The development must be:
      1. New construction; or
      2. A conversion of an existing property not being used for housing; or
      3. Acquisition and rehabilitation, with rehabilitation hard costs equal to at least twenty percent (20%) of building acquisition costs.

C. Identity of Interests Prohibited
   If a development involves acquisition of land or buildings, there can be no identity of interest between buyer and seller.

D. Tenants to be Served
   1. Seventy five percent (75%) of the units in the development must be occupied by individuals or families having incomes at or below one hundred fifteen percent (115%) of the area median income and
   2. a. Twenty percent (20%) of the units in the development must be occupied by individuals or families having incomes equal to or less than fifty percent (50%) of the area median income; or
      b. Forty percent (40%) of the units in the development must be occupied by individuals or families having incomes equal to or less than sixty percent (60%) of the area median income.

E. Limit on Cost per Unit
   The total cost per unit (Total Development Costs; item #12 on page 5 of the application; divided by total number of units in the proposed development) must not exceed $90,000 in MSA counties and must not exceed $69,900 in other counties.
F. Maximum Amount of Bonds per Development
A development may not receive more than five million dollars ($5,000,000) of tax-exempt bond authority.

G. Maximum Amount of Bonds per Developer or Related Parties
The maximum amount of tax-exempt bond authority that may be applied for by a single applicant, developer, owner, or related parties shall not exceed ten million dollars ($10,000,000). THDA reserves the right, in its sole discretion, to determine whether related parties are involved for the purpose of applying this limitation.

H. Limit on Developer’s Fee
1. The developer and consultant fees cannot exceed five percent (5%) on that portion of the basis attributable to acquisition (before the addition of the fees), and cannot exceed fifteen percent (15%) of that portion of the basis attributable to new construction or to rehabilitation (before the addition of the fees).
2. If the developer and contractor are related parties, then the combined fees for contractor's profit, overhead, and general requirements plus the developer's and consultant's fees, cannot exceed fifteen percent (15%) of the basis on that portion of the development attributable to acquisition (before the addition of the fees), and cannot exceed twenty-five percent (25%) of that portion of the basis attributable to new construction or to rehabilitation (before the addition of the fees).

I. Limits on Costs of Issuance
The bond issue must meet all federal tax requirements for private activity bonds including Section 147 (g) of the Internal Revenue Service Code of 1986. That Section provides that the costs of issuance financed by the proceeds of private activity bonds issued to finance multifamily housing may not exceed two percent (2%) of the basis of the development.

J. Market Study Required
1. The application must include a market study performed by an independent third party. The market study must contain current information (less than six months old) at the time of submission. “Comparables” as used in property appraisals are not acceptable. THDA will determine, in its sole discretion, whether the market study and other information available to THDA supports the proposed development.
2. A market study must include, without limitation, all of the following:
   a. Name and telephone number of person performing the study, their qualifications to perform this market study, and a statement indicating the person and/or entity performing the study has no identity of interest with any person or entity involved in the development, including, without limitation, the ownership entity and any of its partners, any other member of the development team, or any individuals involved in any such entities;
   b. On-site field study by the person performing the market study;

If the application is proposing acquisition of an existing structure, an “as is” appraisal must also be included.

L. Minimum Score Required

The application must receive at least 70 points under Part VII.

M. Program Requirements and IRS Requirements

All program description requirements, application requirements, and IRS requirements must be met. If there is any inconsistency or conflict among the requirements, the most stringent of the requirements will apply, as determined by THDA.

A. Fifty million dollars ($50,000,000) of 2002 Tax Exempt Bond Authority will be available.

B. A total of ten million dollars ($10,000,000) will be available initially in each of the three Grand Divisions (East, Middle, and West), then subsequently as provided in Part VI.

C. Recipients are eligible for commitments for 2002 authority, provided that they meet all of the other requirements of this Program Description.

Only complete applications will be accepted and they will be accepted only at the Tennessee Housing Development Agency, 404 James Robertson Parkway, Suite 1114, Nashville, Tennessee, 37243. (applications by express delivery services should be sent to the same address, but at Zip Code 37219-1505). All documents submitted to THDA must bear original signatures.

Part IV: Application Submission Period

Applications will be opened beginning February 15, 2002. No application will be accepted after 1:00 PM CDT October 15, 2002. Applications resubmitted under Part VIII B. will be treated as new applications.

Part V: Review of Applications for Completeness

A. Applications must be complete.

An application must be complete, as determined by THDA in its sole discretion, based on the requirements in this Program Description and the attached application. Incomplete applications will be returned to the applicant.

B. Information must be current.

1. Appraisal and market information older than six months, as determined by the date prepared and information contained within, will not be considered current or complete. Supplemental documentation, including any commitments, should not have expired if they contain an expiration date, or the application will not be considered complete. Documents indicating approval dates that have passed will not meet application requirements. Applications with such documents will be considered incomplete.
2. A resolution authorizing the issuance of bonds passed by the relevant issuing entity must be current and valid at the time of application. The applicant should coordinate any updates that may be required for the resolution to remain in effect. Information submitted that is not current will not be accepted by THDA and will cause the application to be deemed incomplete. Any information or documentation, which is not current or complete, will impair an applicant's chances of receiving bond authority.

C. Responsibility for complete and current information

It is the sole responsibility of the applicant to submit a complete application with current information.

D. Multiple Applications for a Single Development

1. Multiple applications submitted as separate phases of one development will be considered as one development and reviewed as one application. THDA reserves the right to request additional information or documentation, if necessary, to determine if applications submitted will be considered and reviewed as one or more developments.

2. Only one application may be submitted and be considered for a development. THDA reserves the right to request additional information or documentation to determine if applications submitted will be considered and reviewed as one or more developments.

Part VI: Scoring Process and Allocation Per Grand Division

A. All applications will be scored according to the criteria described below. An application must receive at least 70 points to be eligible to receive bond authority.

B. Bond authority will be allocated on a first come, first served basis to eligible applicants by Grand Division until the total amount of authority available in each Grand Division is allocated. If THDA receives multiple eligible applications on the same day that, in the aggregate, request more authority than is available, those applications will be ranked according to Part VI G. The process of allocating authority within Grand Divisions will end with the last complete eligible application that can be allocated the full amount of authority requested in any Grand Division. No partial allocations of authority will be made.

C. If there is any tax-exempt bond authority remaining in any Grand Division, or if any additional authority is recaptured or released, any such amounts shall remain available first to qualified applicants in that same Grand Division until July 1, 2002. THDA will issue a commitment of tax-exempt bond authority to each eligible application in each Grand Division until the final amount of available tax-exempt bond authority is exhausted. Following July 1, 2002, any remaining authority will be available statewide. No partial commitments of tax-exempt bond authority will be made.

D. Any unallocated 2002 Tax Exempt Multifamily Bond Authority will be made available on a first come, first served basis to eligible applications submitted no later than Tuesday, October 15, 2002 that have not yet received an allocation of 2002 Tax Exempt Multifamily Bond Authority. The limits specified in Part I-G of the 2002 Tax Exempt Multifamily Bond Authority Program Description will not apply.

E. Any previously committed 2002 Tax Exempt Multifamily Bond Authority released after September 30, 2002 but before 1:00 PM CDT on October 15, 2002 will be made available on a first come, first served basis to eligible applications that have not yet received a commitment for 2002 Tax Exempt Multifamily Bond Authority.

F. Applications for allocations of 2002 Tax Exempt Multifamily Bond Authority submitted after Monday, September 30, 2002 will be required to provide THDA with a copy of the notice of public hearing regarding the bond issue as required by the Tax Equity and Fiscal Responsibility Act of 1982 no later than 1:00 PM CST on Thursday, October 31, 2002. The public hearing regarding the bond issue as required by the Tax Equity and Fiscal Responsibility Act of 1982 must be held no later than Thursday, October 31, 2002.
G. Multiple Applications Submitted on the Same Day

1. If, on or before July 1, 2002, THDA receives multiple eligible applications for the same Grand Division on the same day that, in the aggregate, request more authority than is available in that Grand Division, the eligible applications will be ranked in ascending order by authority requested per unit and priority will be given to the eligible application(s) with the lowest authority requested per unit. If two or more eligible applications request the same amount of authority per unit, the eligible applications will be ranked in ascending order by authority requested per square foot and priority will be given to the eligible application(s) with the lowest authority requested per square foot.

2. If, after July 1, 2002, THDA receives multiple eligible applications on the same day that, in the aggregate, request more authority than is available, the eligible applications will be ranked in ascending order by authority requested per unit and priority will be given to the eligible application(s) with the lowest authority requested per unit. If two or more eligible applications request the same amount of authority per unit, the eligible applications will be ranked in ascending order by authority requested per square foot and priority will be given to the eligible application(s) with the lowest authority requested per square foot.

Applications returned for this reason must submit the full one thousand dollar ($1,000) Application Fee if resubmitted.

B. Resubmission Fee

A Resubmission Fee of seven hundred and fifty dollars ($750) must be submitted to THDA if an application is resubmitted following the resubmission deadline specified in the notice described in Part VIII B.

C. Commitment Fee and Incentive Fee

1. Applications receiving a commitment from THDA for a specific amount of tax-exempt bond authority must submit a Commitment Fee and an Incentive Fee prior to the commitment being valid.

2. The Commitment Fee will be an amount equal to one percent (1%) of the bond authority allocated to the local issuer.

3. The Incentive Fee will be equal to twenty percent (20%) of the Commitment Fee.

D. Refund of Commitment Fee and Incentive Fee

1. One half (1/2) of the Commitment Fee will be refunded when: (1) documentation from the issuing authority's bond counsel is provided to THDA that the bonds have been issued and sold; and (2) acceptable proof is furnished to THDA that all units are constructed and the facility is placed in service; and (3) all THDA requirements have been satisfied; and (4) all forms to be filed by the issuing authority have been completed and filed to THDA's satisfaction.

2. If all the conditions of Part X-D-1 have been met and the bonds were issued and sold on or before 1 PM (Central Time) on the date specified in the Commitment Letter, THDA will refund the Incentive Fee.
E. Release of Commitments and Partial Refund of Commitment Fee
   1. Commitments may be released by notifying THDA, in writing, prior to the expiration of
      the commitment, that the bonds will not be issued.
   2. A commitment which is released according to these requirements will receive a refund
      of seventy-five percent (75%) of the Commitment Fee. THDA will retain twenty-five
      percent (25%) of the Commitment Fee.

   1. If the bonds are not issued by the expiration date of the commitment, and the
      commitment has not been released according to Part X-D, THDA will retain the full
      amount of the Commitment Fee and the full amount of the Incentive Fee. NONE of the
      Commitment Fee and NONE of the Incentive Fee will be refunded to the applicant.

      to the applicant.
   3. If a request for an extension to the deadline for closing the sale of the bonds beyond 1
      PM (Central Time) on the date specified in the Commitment Letter is approved in
      accordance with Part IX B. 2., NONE of the Incentive Fee will be refunded to the
      applicant.

Part XI: Application for Low Income Housing Tax Credits
If the development also will be seeking to receive Low Income Housing Tax Credits, a separate
application must be submitted to Tennessee Housing Development Agency to request the credits.
Receipt of authority to issue tax-exempt bonds does not guarantee receipt of tax credits. THDA
retains the authority to determine eligibility to receive tax credits and the amount of tax credits to
be allocated to the development, up to the maximum amount eligible with tax exempt financing.
Any development seeking Low Income Housing Tax Credits must apply for tax credits in the
same calendar year in which the tax-exempt bonds are issued. Any applicant for Tax Credits will
be subject to all fees and requirements stated in the State of Tennessee's LIHTC Qualified
Allocation Plan for 2002, including monitoring fees.

The maximum obtainable rents supported by the market study will be expected to support
reasonable operating expenses and maximum mortgage debt service prior to Tax Credits filling
any financial “gaps”. This may require that the development obtain additional financing over and
above the maximum amount of tax exempt bond authority committed to the development by
THDA, from a financial source other than THDA’s tax-exempt bond authority.

Any development seeking Low Income Housing Tax Credits must apply for tax credits prior to
4:00 PM (Central Time) December 20, 2002. Any applicant for Tax Credits will be subject to all
fees and requirements stated in the Low Income Housing Tax Credit Qualified Allocation Plan
for 2002, including monitoring fees.

Beginning in 1996, THDA designated certain communities to receive special grant funding. These communities each identified a specific geographic area within their boundaries as “Bicentennial Neighborhoods.” For a Tax-Exempt Multifamily Bond Application to receive points for being within a Bicentennial Neighborhood, the development must lie entirely within the defined geographic boundaries of the designated Bicentennial Neighborhood.

For more information about the boundaries of these Bicentennial Neighborhoods, the communities and contact persons are listed below. THDA will also review any Application claiming to lie within the boundaries of a Bicentennial Neighborhood to confirm its eligibility for points claimed.
