From Fantasy **TO REALITY**

WHAT DO YOU TRULY DESIRE TO CREATE, EXPERIENCE AND
MANIFEST THIS YEAR? LET'S GET SPECIFIC!

Step 1 JOURNAL EXERCISE

Brainstorm your desires. What would your life look like if there were no limits? Allow yourself to be creative, authentic and exactly where you're at in business and life—neither overreaching nor underreaching.

EXAMPLE

Desires

- ▶ Hire a virtual assistant or a bookkeeper
- ▶ Hire a housekeeper to come once a week
- ▶ Know how much a certain trip will cost and manifest the funds
- ▶ Get a massage twice a month
- ▶ Move to a new, more comfortable home
- ▶ Have the support you need at home so you can focus on your dream
- ▶ Make time for date nights and/or other social outings
- ▶ Become more comfortable being visible
- ▶ Receive media training and/or 1:1 coaching
- ▶ Purchase new wardrobe items
- ▶ Invest in new photos and branding
- ▶ Fulfill XYZ creative dream

Step 2 YOUR TOP 10 DESIRES FOR THIS YEAR

Take a look at your brainstorm. What really matters to you now? Ask your source to make sure each desire is coming from your truth, rather than what you think you “should” go for or should “have by now.”

2. _____

3. _____

4. _____

Step 3 THE COST OF YOUR DESIRES

To be truly specific about your desires, you've got to get clear and comfortable about what they cost! This is how you manifest the life that's going to have you living out your full purpose and potential.

First, we'll go through your monthly lifestyle desires. Feel free to omit or add your own categories, and get as detailed as possible so you can accurately estimate costs.

Then, add any desires that you would invest in on a less frequent basis into the yearly chart to get a complete picture of what your epic life looks like!

Your SPIRIT-LED DESIRES ARE MEANT FOR YOU!

Congratulations! You are now more clear than ever before on what it would look like to live your purpose.

Know that it doesn't matter how big the gap is between where you are now and where you desire to be. That doesn't make your desires any less possible or "realistic" for you!
