

fast pipe[®]

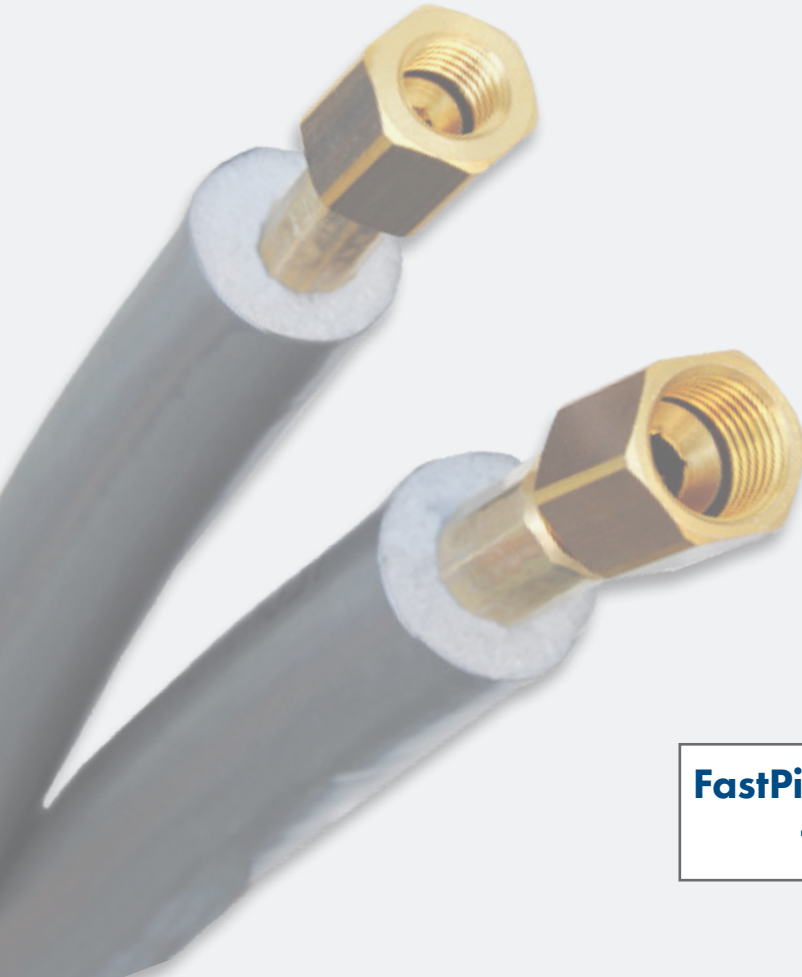

The tube that makes your split connection so easy

fast pipe®

FAST

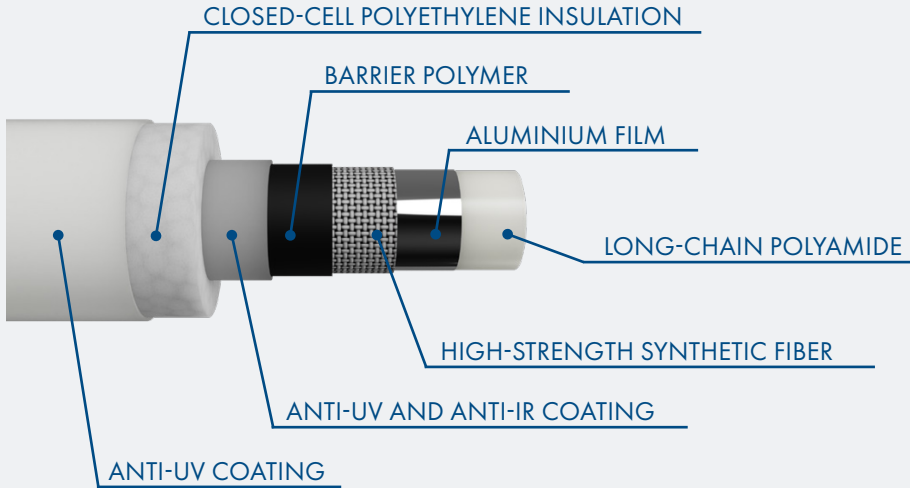

SAFE

RESISTANT

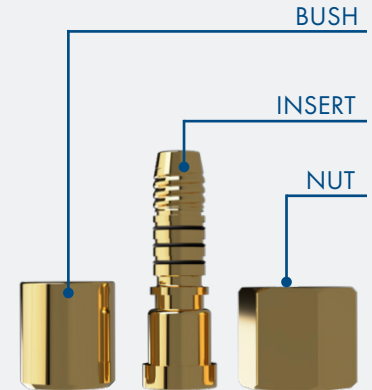

FastPipe® is available in different diameters
1/4" , 3/8" , 1/2" , 5/8"

DESIGN FEATURES

**"HELIX" FITTING IN BRASS:
CALIBRATE, SCREW, CRIMP.**

TECHNICAL DATA

Field of use

F-GAS refrigeration circuits contain **R410A, R32, R134a, R404A, R407C (Not compatible with R22)**
Operating temperature **-30°C / +110°C (max 130°C non-continuous)**
Maximum operating pressure **60 bar (Design pressure 100 bar)**

REFERENCE STANDARDS

Global compliance to standard **EN 1736:2009 (EN 1736:2008)**
Coating (thermal conductivity) **UNI 8457 - UNI 9174**
Coating (fire resistance) **EN 1382:2014 - UL 94:2001**
Permeation resistance **EN 1736:2008 Par. 7 Class 1**

FastPipe® System - TUBES

SINGLE TUBE

SKU	Description
FPU140120	FastPipe® UV-Pro tube roll Ø 1/4" L. 50 m (164 ft)
FPU380120	FastPipe® UV-Pro tube roll Ø 3/8" L. 50 m (164 ft)
FPU120120	FastPipe® UV-Pro tube roll Ø 1/2" L. 50 m (164 ft)
FPU580120	FastPipe® UV-Pro tube roll Ø 5/8" L. 50 m (164 ft)

TWIN TUBE

SKU	Description
FPT010120	FastPipe® Twin UV-Pro tube roll Ø 1/4" + 3/8" L. 50 m (164 ft)
FPT020120	FastPipe® Twin UV-Pro tube roll Ø 1/4" + 1/2" L. 50 m (164 ft)
FPT032520	FastPipe® Twin UV-Pro tube roll Ø 1/4" + 5/8" L. 25 m (82 ft)
FPT042520	FastPipe® Twin UV-Pro tube roll Ø 3/8" + 5/8" L. 25 m (82 ft)

WHAT IS UV-Pro?

It is a pearl-grey coating that is 3 times stronger to UV rays and sunlight than traditional polyethylene coating film. This type of coating helps to preserve both the pipe and the insulating layer. Therefore, it is able to guarantee optimum performance of the air-conditioning system.

FastPipe® System - FITTINGS AND ACCESSORIES

fastpipe® SYSTEM

FastPipe® SYSTEM is composed by tube rolls, fittings and all the tools for laying and crimping it. In this way, FastPipe® is able to **satisfy every installation need**. After the laying, you can cut FastPipe® as you need and fix the fittings in an instant!

SKU	Description
FP1196220	Couple of crimping matrixes for Ø 1/4"
FP1196320	Couple of crimping matrixes for Ø 3/8"
FP1196420	Couple of crimping matrixes for Ø 1/2"
FP1196520	Couple of crimping matrixes for Ø 5/8"

SKU	Description
FP1103420	Caps 2-in-1 for FastPipe® Ø 1/4" - 10 pcs pack
FP1103520	Caps 2-in-1 for FastPipe® Ø 3/8" - 10 pcs pack
FP1103620	Caps 2-in-1 for FastPipe® Ø 1/2" - 10 pcs pack
FP1103720	Caps 2-in-1 for FastPipe® Ø 5/8" - 10 pcs pack

SKU	Description
FP1197120	Empty bag for FastPipe® connections
AC0500100	SuperGrip gloves
FP1141920	Spray oil 100 ml
FP1197220	Anti-UV protective tape

SKU	Description
FP1100020	FastPipe® Connection Kit - Ø 1/4" SAE F
FP1100120	FastPipe® Connection Kit - Ø 3/8" SAE F
FP1100220	FastPipe® Connection Kit - Ø 1/2" SAE F
FP1100320	FastPipe® Connection Kit - Ø 5/8" SAE F
FP1211020	FastPipe® Connection Kit - Ø 1/4" SAE M
FP1211120	FastPipe® Connection Kit - Ø 3/8" SAE M
FP1211220	FastPipe® Connection Kit - Ø 1/2" SAE M
FP1211320	FastPipe® Connection Kit - Ø 5/8" SAE M

SKU	Description
FP1196020	Manual crimping tool mod. HT-51D-TG
FP1196120	Battery-operated crimping tool mod. B500D-TG

SKU	Description
FP1197620	FastPipe® screwdriver bits Ø 1/4"
FP1197720	FastPipe® screwdriver bits Ø 3/8"
FP1197820	FastPipe® screwdriver bits Ø 1/2"
FP1197920	FastPipe® screwdriver bits Ø 5/8"

SKU	Description
FP1197020	Cross tool for calibration
FP1200320	90° bend support for FastPipe® Ø 5/8"
FP1199920	Pipe-cutter professional for FastPipe® system

FastPipe® STARTER KIT

Starter Kit consists of:

- 1 FastPipe® roll 1/4" SKU FPU140120
- 1 FastPipe® roll 3/8" SKU FPU380120
- 10 Fittings kit 1/4" SKU FP1100020
- 10 Fittings kit 3/8" SKU FP1100120
- 1 Manual crimping tool SKU FP1196020 (or battery-operating tool SKU FP1196120)
- 1 Crimping matrixes 1/4" SKU FP1196220
- 1 Crimping matrixes 3/8" SKU FP1196320
- 1 Professional tube-cutter SKU FP1199920
- 1 Spray oil 100 ml SKU FP1141920
- 1 Screwdriver bit for FastPipe® Ø1/4" SKU FP1197620
- 1 Screwdriver bit for FastPipe® Ø3/8" SKU FP1197720
- 1 Cross calibrator tool SKU FP1197020
- 1 Anti-UV protective tape SKU FP1197220
- SuperGrip gloves SKU AC0500100
- 2-in-1 plastic caps SKU FP1103420 + SKU FP1103520

Everything perfectly organized in a James-Bond-like shockproof case

SKU	Description
FP2196820	FastPipe® Starter Kit with manual crimping tool
FP2196920	FastPipe® Starter Kit with battery-operated crimping tool

FastPipe® KIT

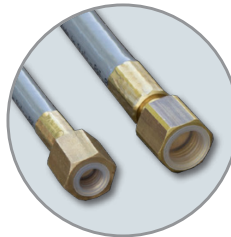

fastpipe® KIT

FastPipe® KIT includes 2 tubes with fittings already tested, 3 or 6 meters long: the best solution for **fast** and **efficient** installations and to help you to forget leaking connections! Each kit is individually packaged and ready to use.

Do not find the right length for you? Ask help to our consultants.

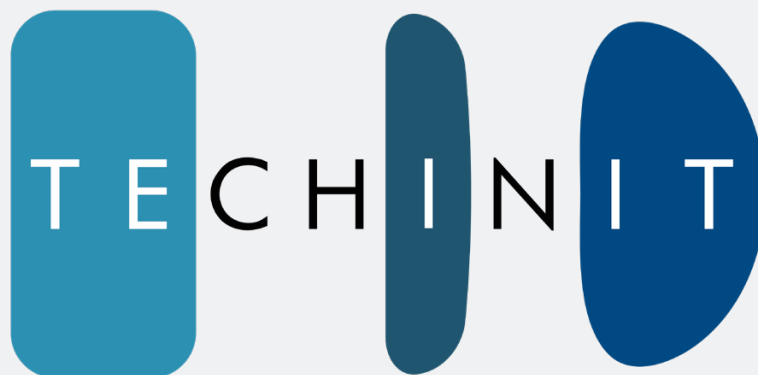

N.B. To fix the connection of **FastPipe® KIT** it is necessary the use of the specific assembling oil supplied in the FastPipe® kit bag. If required, you can buy extra spray oil (SKU FP1141920).

SKU	Description
FP2107120	FastPipe® UV-Pro 2 tubes Kit Ø 1/4" + 3/8" L. 3 m (10 ft)
FP2107220	FastPipe® UV-Pro 2 tubes Kit Ø 1/4" + 1/2" L. 3 m (10 ft)
FP2108120	FastPipe® UV-Pro 2 tubes Kit Ø 1/4" + 5/8" L. 3 m (10 ft)
FP2107420	FastPipe® UV-Pro 2 tubes Kit Ø 1/4" + 3/8" L. 6 m (20 ft)
FP2107520	FastPipe® UV-Pro 2 tubes Kit Ø 1/4" + 1/2" L. 6 m (20 ft)
FP2108420	FastPipe® UV-Pro 2 tubes Kit Ø 1/4" + 5/8" L. 6 m (20 ft)
FP2109120	FastPipe® UV-Pro 2 tubes Kit Ø 3/8" + 5/8" L. 3 m (10 ft)
FP2109420	FastPipe® UV-Pro 2 tubes Kit Ø 3/8" + 5/8" L. 6 m (20 ft)
FP1141920	Spray oil HVAC&R 100 ml
