I am participating in a driving event and represent as follows:

For IMS M Experience, I represent that I am at least 21 years of age and have a valid, unexpired, driver's license to participate as a driver. No restricted license of any kind shall be accepted, i.e. provisional, probationary, limited etc.

I recognize that anyone not participating in a driving event must avoid the designated driving event area(s).

I recognize that the operation of any motor vehicle is an inherently dangerous activity with a risk of loss of the motor vehicle and injury to myself. I understand that these risks include, but are not limited to, road surface conditions, debris on roads, varying road widths, curves and other vehicles and pedestrians sharing the roadway.

I will stop driving at any time I feel I can no longer safely operate a motor vehicle. I understand that The Central Region Advertising Inc. ("BMW"), BMW of North America, LLC ("BMW NA"), Genesco Sports Enterprises ("Genesco"), (collectively, the "BMW Entities"), their respective parent, affiliate and subsidiary companies and their respective representatives, agencies, marketing partners, and its vendors are relying on my representations in allowing me to drive a motor vehicle.

I recognize that there is the possibility that through and as a potential result of my participation in this driving event, I could, through no fault of the BMW Entities, contract or be infected by the Covid-19 virus or a similar communicable disease.

I agree to indemnify and hold harmless the BMW Entities, their respective representatives, agencies, marketing partners, and its vendors providing services in connection with the event from and against any and all injuries, diseases, and damages to person and property (including, but not limited to, attorneys' fees and court costs) arising in connection with or related to my participation in this event.

I grant to the BMW Entities, their respective representatives, agencies, marketing partners, and their vendors permission to: (a) film, photograph, and record me in connection with the event; and (b) use, reproduce, distribute, exhibit, display, perform, and otherwise exploit any resulting films, photographs, and recordings, and my name, picture, likeness, image, voice, statements, biographical information, and performance (collectively, "Persona") in any manner, venue, format, and media anywhere in the world, in perpetuity, for any lawful purpose, including, without limitation, for purposes of advertising or trade. I understand that nothing herein obligates any of the BMW Entities or the representatives to exercise any of the rights granted herein.

I assume all the risk of injury and loss, waive and release any claim for loss, damages, diseases or injury of any nature, I might state against the BMW Entities, its representatives, agencies, marketing partners, and its vendors arising out of my participation in this Event.

An inherent risk of exposure to covid-19 or similar communicable diseases exists in any public place where people are present. Covid-19 especially, is an extremely contagious disease that can lead to severe illness and possibly death. By participating in this event, you voluntarily assume all risks related to exposure to covid-19 or other similar communicable diseases and any liability waiver as set forth above shall extend to any possibility that I may contract covid-19 or a similar communicable disease.

I understand and acknowledge that some of the event motor vehicles may be European models not yet certified for sale in the US.

I have read the above release, understand it, and agree to all its terms and conditions. I enter into this Release freely and on behalf of myself.

If participant is a minor, the parent or legal guardian must sign on the registration form.
