your annual income in an hour**

OVERCOME THE GRAVITATIONAL PULL OF BAD HABITS, PROCRASTINATION, FEAR AND INACTION.

Enormous propulsion is required over a short period of time to blast you off from your current level to a much higher ORBIT. What is that rocket fuel? What is that radical propulsion? It's Raymond's secrets that have propelled him!! And, once the propulsion is gathered, the jump up to the higher orbit is startlingly instantaneous ... as proven by Quantum Physics.

QUANTUM PHYSICS

Simplistically, an atom is a nucleus in the centre with electrons spinning around in specifically defined orbits, each one higher than the previous. When electrons are excited (given higher energy), they move up to the next higher orbit – but the move is instantaneous – faster than the speed of light, faster than any machine can detect. The electrons just ARE at one orbit and then they just ARE at the higher orbit. That's your future. Given enough fuel from Raymond, you will suddenly BE at a higher orbit, with all its enjoyable benefits like higher income, greater wealth, better relationships, better fitness, no debt, ability to postulate to get whatever you wish effortlessly.

NEWTONIAN PHYSICS

Sir Isaac Newton discovered the Universal Law of Gravitation which states that the force of gravity falls as the square of the distance between two objects. That means, when you go up to a higher ORBIT that is twice as far from the centre, your pull of gravity is only one-quarter. When you rise 3 times the distance, gravity drops to 1/9th. So, all the ills of your life – procrastination, bad habits, errors, regrets, mistakes – fall away to tiny irrelevance as soon as you begin moving upwards!!

Note what Raymond has done for his own company:

- **97%** of its income is derived from products and services it did not offer – and had not even imagined – a scant 5 years ago.
- Because of this constant propulsion up to a higher and higher ORBIT, Raymond's company is enjoying a profit **500% higher** than 5 years ago.
- In Raymond's first year as a professional speaker in 1983, he earned \$250,000 working full time travelling around the continent with considerable effort. Now, Raymond's lowest earning company of many earns way more than that requiring only one hour a week from Raymond and no travel.
- No effort was needed for these income increases.

Those are Raymond's actual results. Are those the results you have? Are those the result you desire? If so, you are a rare breed and a very special person. You may well qualify.

Low energy equals low orbit equals the heightened pull of gravitation of procrastination and mistakes and efforting. High energy equals suddenly living easily at higher orbits equals lowered gravitational pull of the hardships and debts and regrets of life.

The world is changing fast and has no patience for those who are content. The world punishes complacency very harshly. Blockbuster was content – now it's been crushed by iTunes. Toys R Us was satisfied; now it's bankrupt. Polaroid was the world leader – now it's gone even though the inventor of digital cameras was one of its own employees!! Taxi companies are going bankrupt around the world – because of a new kind of taxi service they didn't see coming, Uber. Most travel agents are out of business because of the Internet. Most tellers have been replaced by ATMs. They all claim they did not see it coming. Now it's your turn to harvest the goodies of life or be crushed by a new disruption you didn't see coming.

But, you are that special person who knows this and wishes to prevent it, no matter what. There is only one way to prevent it ... The ORBIT™.

Please note, it is not just the giant worldwide corporations that have failed (fallen out of ORBIT), it is the millions of small entrepreneurs that got pulled down into the Black Hole of bankruptcy when the giants fell. For every Blockbuster store that closed, there's a family that depends on a parent cleaning that store at night, a parent operating a local store, a parent serving food at a local restaurant. When big companies fall, thousands of other entrepreneurs get hurt. They all cry the same mantra: we didn't see it coming.

SAFETY IS NOT FOUND IN STAYING THE SAME, FAILURE IS FOUND THERE!

IN YOUR HIGHER ORBIT:

- Income is effortless;
- Results simply seem to happen just by Postulate, not by struggle;
- Your new colleagues will be powerful and supportive; and
- The predominate atmosphere will be admiration, respect, helpfulness.

RAYMOND REDISCOVERS WILD SUCCESS FOR HIS OWN COMPANY EVERY YEAR AND, HE CAN DO IT FOR YOU TOO.

Wouldn't it be nice if there were no change, just for a while? Well, here's the deal. The world is speeding up. The sweetness of no-change is no longer possible. Grab that rocket propulsion and blast off to the higher ORBIT, or get pulled down by the gravitation of bad habits, indifference, satisfaction, fears. The other entrepreneurs and companies who are now the victims of change didn't see it coming either!!

When you meet someone new, what do you say? Do you improvise something you hope will sound nice? Here's what I say.

“Hello, I'm Raymond Aaron, NY Times bestselling author, Professional Speaker, Creator of educational products that really work and an Adventurer. My income is very high, my vacations are frequent, my relationships are a blessing, and I'm calm and happy. But, it wasn't always like this. At age 39, I was just fired and divorced, \$100,000 in debt and depressed. I saw no future. Now I am at the helm of a wildly successful educational institution supporting entrepreneurs like you to blast off to a far higher ORBIT of grace, effortlessness, ease, very high income and calm. Interested?

Can you feel the difference?

WHEN THE MASTER TAPS YOU ON THE SHOULDER,
IT'S A MESSAGE.
HEED THE CALL.

Achieve what others will never achieve. Achieve beyond what you ever believed you could achieve. Raymond will clean the windshield of your rocket ship so that you can look into your future, instead of attempting to steer the rocket ship looking in the rear-view mirror. Do not let your Past define you – that is the gravitational pull of fear and futile hope for safety. Let Raymond set “impossible” goals for you and then ensure that you achieve them – guaranteed.

There are only three ORBITs and you are on one of them:

1. HIGH MOTION WITH EASE

• Sir Richard Branson runs 400 companies effortlessly. Raymond runs 40 companies, brands and cash-gushing websites effortlessly. Elon Musk runs 7 companies effortlessly. **There is no need for hope** here.

2. HIGH MOTION WITH STRUGGLE

• This is the plight of practically every employee and entrepreneur. Lots of struggle. Lots of late nights working. Lots of hectic weekends. Lots of junk food. Poor fitness and poor health. Poor relationship with family. **Hope and efforting live here.**

3. LOW MOTION AND LOW EXPECTATIONS

• This is the low level of spinning wheels. This is where low income lives. This is where people have given up. Life is just too fast-paced for them. This is the space of unhappiness, chronic ill health, **lost hope.**

IF YOU ARE AT THE BOTTOM LEVEL 3, NO ONE CAN HELP YOU.
IF YOU ARE AT THE BLESSED TOP LEVEL 1, YOU DO NOT NEED HELP.
IF YOU ARE AT THE ALL-IMPORTANT LEVEL 2, YOU NEED THAT
ROCKET PROPULSION NOW!!
