COLLEGE SONGS

And Glee, including the Most Popular Songs, New and Old, used in American Colleges.

Edited by THOMAS G. SHEPARD, Instructor of Glee Clubs for 25 years.

Two Editions: Mixed Voices, Male Voices. Price of either edition Fifty Cents.

While all books of this class before have included, besides the songs supposed to be found in them, many not at all to be classed as college songs, this contains only those that have been adopted for use in some college or university, either by its students as campus songs, or by its Glee Club as concert pieces, or both.

It includes the present songs of a larger number of different colleges than any book yet offered. Among them are several very popular glees that have never before appeared in print.

Both editions contain a complete and easy piano accompaniment to every song, so that a player not accustomed to reading from vocal parts, may be in a position to accompany the voices without difficulty.
