Don't forget the fine print!

By purchasing and downloading this Template, you agree to its use under our royalty-free license. You have a perpetual right to use the Template multiple times for multiple projects without incurring additional fees, including the right to edit the Template, by exchanging or changing design elements, changing or inserting new text or otherwise personalizing the template for a particular project, to create derivative works. The rights granted to you are non-exclusive, non-transferable and personal to you. Your derivative work may be printed or reproduced by a service provider (such a printer), as long as they agree to the royalty-free license.

You may not post any Template online in a downloadable format or as an editable web-to-print template, whether or not you represent the Template as the work of The Templatist or others, or offer any Template or Derivative Work for sale or other such distribution without obtaining a special license or written permission to do so from the Templatist.

You may not falsely represent, expressly or implied, that you are the original creator of the Template.

The Templatist retains all copyrights to any original product. You may not copy, modify, sell or distribute all or any part of any template except as expressly authorized in this Agreement (see above).
