Notice

Schedule of Fees for Unlawful Stop and/or Detention

We rebut any and all claims that POLICE DEPARTMENT (Vic) ABN 63 446 481 493, and/or any and all of its employees, has any authority over us, note that you are now, in effect, acting without authority as a private citizen.

As State and territory general duty police officers carry on their person any or all of: a loaded pistol (particularly Glock or Smith & Wesson semiautomatic), OC spray, baton, handcuffs, and a taser. You only have authority to carry these weapons whilst rostered on duty and when you are acting with your claimed authority as an Officer of POLICE DEPARTMENT (Vic) ABN 63 446 481 493, particularly when acting against a citizen who has committed a Common Law crime or a living being that has consented to your authority.

- We are not a citizen, nor an alien. We are a Non-citizen, and a Non-alien.
- We are a national of Terra Australis
- We do not consent to your authority.
- We rebut any and all presumptions of law.

You have no authority over us and are now an illegally-armed private civilian detaining us. Any actions you take from this point onward makes you personally and privately liable to criminal and civil charges, I.e. Unlawful Detention, Conspiracy to Defraud, Kidnap, Armed Robbery, Assault and Battery, etc.

False imprisonment occurs whenever one person acts, without lawful authority, to intentionally cause the detention and/or confinement of another living being and the law recognises that the shock of being told one is under arrest is important to assessing the impact of an unlawful arrest. Therefore, if you continue to unlawfully detain us against our will, it is taken that you understand, consent to, and are personally, and in the private, liable to, the fees as outlined in the schedule included in this Notice. Note that any action you take from this moment may also be in breach of our claim of Diplomatic immunity.
