

## MATERIALS LIST – FOOD GLORIOUS FOOD

You may find that you already have some of these materials so just purchase what you need, or you may find a suitable alternative. The great thing about investing in your own materials is your children will have them on hand to continue creating and consolidating skills.

Materials can be purchased from a store of your choice, online or onsite. We have included codes from Warehouse Stationery for easy ordering for our NZ subscribers.

<https://www.warehousestationery.co.nz/>

This list is for one person. Please adjust quantities for certain items accordingly.

You can order a *Creative Matters Sketchbook* through our website

<https://www.creativematters.co.nz/for-children> This can be used for recording the exploring and experimenting stage of the creative process.

You may choose to use paints you already have but we recommend buying a set of cool and warm primary colours (blue, red, yellow) + black and white, to encourage your child to make the colours they need. Colour making will be covered in the course.

ITEM	WS code	WS price
2 x Graphite Pencil set	4005401168812	\$2.99
