THE JUDGE SAID
I NEED TO TAKE
DECISION MAKING...

HE MAY BE RIGHT...
I CAN'T DECIDE...

Can I preview a course before I purchase?

Yes, of course!

To preview a course, enroll in a free 1-hour NCOei eCourse. Click on any course to see the landing page, overview & curriculum.

Students enroll in 1-hour eCourses by creating an account and enrolling for free; all 1-hour courses include a certificate of accomplishment-

2-hour courses start at $10.00 & payments can be made with a pre-paid credit card.

How is payment made?

Payment is made in two easy steps...
First, students sign-up by creating an account.
Next, students enroll and complete their purchase.

Payment can be made with a pre-paid credit card, good for the exact amount.

Can a student's progress be tracked?

Yes, progress is tracked.

All courses have excess videos. You may skip videos that do not interest you. However, you must engage at least 70% to validate your certificate.

The Quiz scores only add to your activity log which is measurable via Hotjar Heatmaps & Behavior Analytics tools (see Hotjar on the web).

Hotjar is only visible to **NCOei**; everyone else must obtain your username & password to have access to your Hotjar score.

What does the EQ score mean?

The EQ quizzes are not pass or fail.

Engage in your course at least 70% to achieve an activity rate score of **EQ::GOOD** on your certificate for validation.

The **EQ Comprehension Quizzes** only add to your total score (activity rate). Activity rate monitoring is accomplished by Hotjar (learn more about Hotjar on the web).

How do I get my certificate?

Your Certificate of Accomplishment:

Upon completion of your course, you will instantly receive a **Certificate of Accomplishment** with your name, date, certificate number, EQ score and full title of your course.

YOUR STUDENT DASHBOARD contains all of your enrolled courses.

YOUR STUDENT ACCOUNT contains your profile, all certificates earned, notifications and your order history.
