

“Nuclear South Asia: A Guide to India, Pakistan, and the Bomb” Course Checklist & Instructions

Follow these simple steps to earn a Stimson-issued certificate:

- Complete the “Intro Survey” before beginning the course. This information will help us improve the course.
- Proceed through the chapters without skipping any content. You will not be able to access the next chapter until you have completed the prerequisites from the previous chapter. Be sure to click the green “Next” button.
- Take the “Final Exam” after you have completed all video lessons and quizzes.
- Complete the “Exit Survey” and the “Statement of Academic Integrity.”
- You must watch all video lessons in their entirety, take all quizzes, and complete the “Intro Survey,” “Exit Survey,” and “Statement of Academic Integrity” to be eligible to receive a certificate. Your activity history on the course website will be verified by *Nuclear Learning*. You will receive a certificate approval or rejection decision within six weeks of completing the course.
