PAYMENT PROBLEMS?

CLICK TO REGISTER AND ENTER YOUR EMAIL AND CHOOSE A PASSWORD. WRITE THIS DOWN. THEN JUST CLICK "PAY BY PAYPAL" (DO NOT CLICK THE VISA/MC LOGOS, AS THEY ARE JUST STATIC IMAGES, WITH NO LINK). AFTER CLICKING "PAY BY PAYPAL" ENTER YOUR CREDIT CARD INFORMATION ON THE PAYPAL SCREEN. YOU DON'T NEED A PAYPAL ACCOUNT TO PAY WITH A CREDIT CARD.

System Requirements:

- One of the web browser versions listed below
- Javascript enabled
- PDF plugin (to download any PDFs)
- Graphic and audio output capability
- Broadband internet connection with a minimum speed of 5Mbps (*recommended*)
- If you have a slow connection, click the "gear" at lower right of your video player and select a lower quality video to compensate for that.

Browsers:

- Firefox (best)
- Chrome (best)
- Edge (best)
- Safari (Unpredictable. Older versions of Safari don't load graphics or video correctly... very glitchy)
- Internet Explorer: version 11 only

Mobile Users:

If your iPhone or iPad isn't displaying the colorful "Defending Hirota" graphic at top of landing page, click the gray menu icon, upper left. If you still don't see the colorful graphic at top, or if the video player won't load the video, it's probably because you have an older version of iOS, so switch to a machine using Chrome, Firefox or Edge.
