**Industry Veteran Jonathan Cressy Joins 3EDGE Asset Management to Support Firm's Strong Growth**

**Cressy to Open New California Offices in Irvine**

*Firm Assets Approach \$750M in Under Two Years*

ORANGE COUNTY, CA and BOSTON, MA - 3EDGE Asset Management announced that Jonathan Cressy has joined the firm as Managing Director.

Mr. Cressy, a 20-year industry veteran, will report to Monica Chandra, Partner and Head of Business Development. He will open the firm's office in California and will be responsible for building 3EDGE's business with registered investment advisers, bank trust departments, and institutional and high net worth clients on the West Coast.

"3EDGE's strong growth is a testament to the team we have assembled," said Steve Cucchiaro, president and Chief Investment Officer of 3EDGE Asset Management. "Our focus on working with like-minded investors has allowed us to grow the firm to almost \$750M in assets under management in less than two years. We see a great demand for our strategies and approach to investing and Jonathan's tremendous industry experience and leadership ability will help us extend our business nationally."

Mr. Cressy joins 3EDGE from PIMCO where he served as a Senior Vice President. Since 2003, he held leadership roles at PIMCO in building distribution across independent investment advisers, bank trust departments, and retail broker-dealer channels. Prior to PIMCO, he served as an account manager at a start-up investment advisory firm where he focused on building a sales team and servicing high net worth clients. Mr. Cressy is an established asset management sales executive with extensive experience in the distribution of mutual funds, separately managed accounts, ETFs and alternative investments. He holds a Bachelor of Arts and Sciences degree in Communications and a Master in Business Administration with a specialization in Finance from Boston College. He is a past Board member of Explore Ocean in Newport Beach, CA and actively volunteers his time for civic and community activities.

3EDGE Asset Management is an investment management firm focusing on a global, multi-asset investment strategy that seeks to blend scientific methodology with sound judgment and practical experience. The firm seeks to generate

attractive, risk-adjusted returns by following an investment discipline of seeking to identify undervalued asset classes across the globe that may be poised to enter a period of market outperformance. The 3EDGE approach to portfolio management also prioritizes risk management and seeks to limit potential portfolio drawdowns. Headquartered in Boston, the firm provides investment management services to private clients and institutional investors.
