THE CLIENT ATTRACTION MASTERY
BLUEPRINT 2.0

JESSE KOREN AND SHARLA JACOBS
IF YOU’RE A COACH OR HOLISTIC PRACTITIONER, THIS 3-STEP CLIENT ATTRACTION MASTERY BLUEPRINT WAS CREATED JUST FOR YOU!

By now, you already know it’s ESSENTIAL to master Client Attraction, so you can do the work you love, make a great living, be valued and respected for the contribution you make to other people’s lives and so you can finally Thrive!

And we know your work isn’t just about you and your own happiness. It’s also about YOUR people—the people who haven’t yet found you, but really need YOUR unique gifts to help end their struggling.

People are suffering—and the work you do helps to change their lives on so many levels. This is why the work we are collectively doing as a community of coaches and holistic practitioners is SO needed right now.

In this Blueprint and the accompanying video, you’re going to discover how you can quickly attract all the clients you want, so YOU can have $10,000 months on a consistent basis.

We created this 3-Step formula because our clients told us that they wanted to know with absolute certainty, that they could move anywhere, and fill their schedule with clients in 90 days!

And they wanted a system that was so heart-based, that they didn’t have to worry about being pushy, sales-y, or manipulative. They wanted the exact opposite.

When you work this system, you will find that people actually appreciate their conversations with you immensely.

Each of these 3 steps is PROVEN to be effective.

You’ve mastered client attraction when you’ve mastered the keys below.

For each of the questions below, rate your level of mastery on a scale from 1-10. Then add up your score to get your total.

1. GET CALLS

When your phone rings many times each week with potential clients, the feeling of abundance and confidence will take your business to $10,000+/month.

But if your phone is not ringing with potential clients, it can feel like you’re a hidden treasure, and it’s easy to feel frustrated and discouraged.

2. CREATE AN IRRESISTIBLE “WHAT DO YOU DO?” STATEMENT

When you have a great “What do you do?” Statement, people are compelled to work with you and refer friends.

If your “What do you do?” Statement is weak, it’s nearly impossible to get clients, because they don’t understand why they should pay you money.
3. CREATE YOUR STORY

When you have an amazing Hero’s Journey Story, your potential clients will be so inspired that they will trust you. They’ll also trust that they’ll get results from working with you.

If you don’t have an inspiring story, they may wonder if you can really help them get the results they want.

1       2       3       4       5       6       7       8       9       10
I DON’T SHARE IT  PEOPLE SEEM MILDLY INTERESTED  PEOPLE ARE MOVED BY MY STORY AND WANT TO HIRE ME

4. NAIL YOUR NICHE

We define niche as: The urgent problem you solve and the group of people you solve it for.

When you have a powerful niche, you know exactly who your ideal clients are, you can easily become an expert in your field, and you are in a position to get lots of referrals.

But if you don’t have a great niche, you’re often blend in with every other coach and holistic practitioner and it’s hard for people to find you and pay you well.

1       2       3       4       5       6       7       8       9       10
I DON’T HAVE A NICHE  I HAVE A NICHE THAT DOESN’T SOLVE AN URGENT PROBLEM  PEOPLE HEAR MY NICHE AND EITHER WANT TO WORK WITH ME OR REFER PEOPLE TO ME

5. POSITION YOURSELF

When you position yourself as an expert (while also sharing your heart) your potential clients will respect you and they will like you. They will pay you top dollar because they have confidence in you.

Important: Even if you’re just starting your business, there are ways you can position yourself as an expert while staying in integrity.

But if you don’t position yourself as an expert, nothing you say or do will have them hire you. And if they do hire you, they’ll often negotiate pricing with you because they don’t have full confidence in you.

1       2       3       4       5       6       7       8       9       10
I AM OVERLY MODEST AND DON’T WANT TO BRAG  I WITHOLD SOME OF MY GREATNESS  MY POTENTIAL CLIENTS SAY “WOW” WHEN I POSITION MYSELF
6. **GIVE VALUABLE CONSULTS**

When you give valuable consults, your potential clients will be grateful for their session, will refer their friends to get free consults with you, and will often say “YES” to working with you.

But if your consults are not valuable, they can feel draining, frustrating, and result in very few clients.

7. **OFFER HIGH-END PACKAGE**

When you offer a High-End Package ($1,000-$10,000), attracting clients becomes very exciting. And your clients will get better results because they’re more committed.

But if you don’t offer packages, it will be harder to earn a living and your clients may not be as committed.

8. **TRANSFORM CONCERNS INTO “YES”**

When you know how to transform concerns like, “I can’t afford it,” or “I don’t have the time” into a “YES!” you have the power to get twice the number of clients and make double the income. And your clients will be elated because they get to receive your gifts instead of succumbing to their doubts and fears.

But if you don’t know how to transform concerns into a “YES!” you may hesitate to offer High-End Packages because you know that you will lose lots of clients. You might think, for example, “I really want to help them, and I need to get paid...I just don’t know how to inspire them to pay me for the gifts I can provide.”

9. GET REFERRALS (LIVE)

When you know how to ask for and get referrals from friends and family, colleagues, clients, and past clients, your business will feel easy (as if you’re walking downhill with the wind beneath your wings). It’s a great feeling to know that the people you care about believe in you enough to send people your way.

But if you don’t know how to get referrals from these folks, it can feel like you want to make a difference, but don’t know where to start. And because you’re not getting a ton of referrals, you may feel overly dependent on the small number of potential clients saying yes…which can lead to feelings of desperation.

10. GET REFERRALS (ONLINE)

When you know how to get referrals online, you can play a bigger game. Your business is no longer dependent on the people you know. You can turn on the faucet of your business when you want more clients, and turn the faucet down when you want more free time.

When you don’t know how to get referrals online, you might feel like you were born to help a lot of people, but just don’t have the reach.
