

Tim David

SUGGESTED INTRODUCTIONS

FOR KEYNOTES:

Before our next speaker became a bestselling author, he was a professional mentalist.

That means he can use body language, psychology, and magician's trickery to give the illusion that he's reading your mind.

So sit back...relax...and silently hope that he never teaches his skills to your spouse.

Ladies and gentlemen, Tim David!

FOR INTERVIEWS/PODCASTS:

Tim David is an ex-professional magician turned keynote speaker. He is the author of *Magic Words – The Science and Secrets Behind Seven Words that Motivate, Engage, and Influence*, and his new book, *FLIP – The Four Levels of Influencing People*, explores research and real life for the secrets of how to become more influential. He's appeared in hundreds of media outlets including Harvard Business Review, HuffPost, Psychology Today, Inc. Magazine, NY Times, and the Today Show. And now he joins us here at...
