

IT'S ALL IN THE WAY YOU INTERPRET THINGS. YOUR PERCEPTION.
BELIEVE 8

A WORD ABOUT:
LET THE WOMAN SEE OR YOUR RELIGION WILL NOT BE.

The woman is the heart, the man is the wonderful outer part. What you do to your woman is done to you. Do not deny the truth, I will give you further proof. The higher picture you will soon see, you must believe me.

In some religion she must be a he, how can this be? Religion that does not let the woman have the highest goal, surely is trying to take part of her soul, for her there will always be a hole. Because of her emptiness that religion must now play her role, it can now never be whole.

The ripples of her confinement and restrictions will cripple you and your religion. So now your religion will be prevented to grow and flourish. Will you not see, if you don't let half of who you are, be who they want to be, how can your religion or you ever be free?

If you hold someone back from or with religion, your full religion or belief will be held back from you. Now that you see how big the picture will grow....what will you do now that you know?

LESSON EIGHT AND TEST.
TRINITY

BASIC LESSON ON I-CHING.
THIS LESSON HAS 13 PAGES.
Are you ready to dive in?

I-CHING pronounced EE-CHING. An ancient Chinese way of fortune telling that is over 4000 years old.

The I-CHING is based on the eight essential forces and structures in the universe, Heaven, The Earth, Thunder, Water, The Mountain, Wind, Fire and The Sacred Lake. Each of these forces has its own trigram. Here are the eight trigrams used in the I-CHING, each one is constructed out of three lines, either solid or broken.

THE EIGHT TRIGRAMS OF THE I-CHING.

HEAVEN _____ THE EARTH _____ THUNDER _____ WATER _____

MOUNTAIN _____ WIND _____ FIRE _____ SACRED LAKE _____

The trigrams are put on top of each other to form a hexagram. There are 64 hexagrams in the I-CHING. The I-CHING is based on the philosophy of kindness, fairness, truth and balance. The original book of I-CHING is called the "BOOK OF CHANGES" All the hexagram structures revolve around the central idea of change. Remember change is good for the soul.

There are many different ways of making a hexagram. The most used is the coin toss. You flip the coin and write down the results, H for heads and T for tails. Repeat six times until it looks like this. The H's represent the unbroken line. The T's represent the broken lines. It should look like this:

H _____ WIND

H _____

T _____ OVER

Now you have a hexagram.

H _____

T _____ MOUNTAIN

T _____

Next is the triple coin method. Flip the coin three times; write the results down in a horizontal line, like this: HTT. Do it six times until it looks like this:

HHT _____

HTT _____

HHH _____ x

FIRE

HHT _____

HTH _____

TTT _____ x

WIND

A solid line is drawn when there is more H's; a broken line is drawn when there is more T's. Now you look for the lines that have three of a kind in a row, mark it with an x. This is extra changes for you, which you will find in the next few pages. The top trigram is used to locate your hexagram in the book. The hexagrams in this book are organized according to the top trigram as follows:

Wednesday March 1 2000. Physically: I had a nice relaxing day. Took Jeff to Highwayman to meet his friend. I went to the Village and to Funks grocery store, home. Relax, putter, got Jeff at his friend's. Home, lovely evening, bed. Mentally: Cori should just take Chelsea and go back to her apartment, not move in with her boss's people. Emotionally: I dreamed they said the thing you need for a good relationship, then a list. First they said you have to be supportive but that doesn't mean you have to support him. True but funny. I dreamed there was candy all over the house; Carla's son wanted some I said ok because he finished his lunch, grill cheese sandwich. I said he could have any from the cupboards or the drawer, he chose the chewy ones with sugar on them, which were on the table.

Thursday March 2 2000. Physically: Jeff and I didn't get much sleep because of so much sex and talking, we finally went to bed at 5 in the morning until 11, very relaxing day. Jeff went to take games back and see his parents. I did some things in town, home, dinner, rest, bed. Mentally: Jeff and I are getting so close. Emotionally: I dreamed that Jeff and I were doing real estate things, we moved from the apartment in Surrey, #107, to the Mission duplex but it was in Newton, 76th and 100th, Ryan's friend's mom and sister lived next store. Phil and Cindy lived across the street, big 4x4. Jeff and I still had a house in Newton too. But it was my townhouse inside. Then we had to stay at our farm one night, the whole family was there, I fell asleep on the hay. I woke and was looking for Ryan; I asked Julie, he's playing with the dogs in the back, ok. I was getting the bad guys with Jeff, we were in a helicopter over the ocean, I stopped it by climbing on the blades, it fell, so I dived in the water, I was ok. I dreamed Ryan got Jeff a bongo drum set and a guitar, they were in plastic bags in the fridge, I asked Ryan about it.

Mentally: I guess touched by an angel is a very Born Again, Christian based show. Born again and evangelists think I am evil, that the devil is in me because I do readings, many have told me this over the years, in the meanest, cruelest unchristian way. There is also a part in the bible that says to watch for false prophets, I do not claim to be a prophet of any kind, never have. There is also a part in the bible that talks about a woman that could only tell the future when evil was in her, then when evil was gone she could no longer see the future, that's what they bass all their judgment on me with, and they don't even know me or anything that I BELIEVE, very closed mined attitude. Well the things I am teaching have been around for thousands of years, some belief's think that fortune tellers are good and some do not. I know who I am and I am not evil or a prophet. I don't think it is fair to be called evil by people that don't even know me. I find most of the people that say I am evil are very judgmental and controlling and I pray for them as much as they prey on/for me. The only one that will Judge me is me and God. I know that and I am just fine with it, so I'll see all you haters on the other side and then we will have a nice talk, only then will I talk to you, when God is there with us. Amen to that.
