A WORD ABOUT:  
OPENING ALL YOUR GIFTS

I don't like it when people snub their noses up at other religions; why not look at the wisdom of other beliefs. Be open-minded. The more you know the less you fear. The less fear you have the smarter you are. The more you understand things the happier you are. How can you see the whole picture if you don't have all the pieces? Go and look for all the beautiful pieces God made, he made it all for a reason, that reason is you, so why not open all your beautiful gifts?

That is why I decided to look into as many other rituals/tools/symbols as I could find. I have an open mind, I'll look into it but I will only take what I find to be true and kind. The things I like are the things that stay with me, all the rest I discard. Anything that is cruel, mean or tells you to kill, maim or hurt is evil. Do unto others as you would have them do unto you. Choose wisely, now go open and enjoy all your wonderful gifts.
