

IT'S ALL IN THE WAY YOU INTERPRET THINGS. YOUR PERCEPTION.

A WORD ABOUT: TRUSTING YOURSELF.

No one knows better than you.
We are the only mammals that do not trust our own instincts.
We question our red flags.
You must trust your own feelings and go with your gut.

Even if you are really wrong, trust that it was a lesson for you.
Grow from it and move on.
That is how we all learn, from our mistakes.
Everyone must go through this, trust your path.

In the end your lessons become easier because we learn to pay attention to our red flags and listen to our gut feelings. After all, that is the way our angels talk to us.

Through our feelings, through our symbols and signs. Pay attention to what is going on around you, because that is how the other side communicates with us. That is the way God talks to us.

Prayers, signs, symbols, feelings, and lessons - the other side is always talking to us. Stop, listen, learn and grow. That is what we are all here for. Trust yourself because no one knows better you do.
