DECISION

[1] This application was scheduled on an expedited basis because the parties require a decision which could be implemented for the upcoming 2020-21 academic year.

[2] The court heard a full day's oral argument from the parties on August 5, 2020. The issues are important to the parties and were presented thoroughly and with great skill by all counsel. At the conclusion of the hearing, the court advised that it would deliver its decision as soon as possible, likely with reasons to follow later.

[3] We are all of the view that the application for judicial review be dismissed with costs payable by the applicants to the respondent in the agreed amount of \$15,000 inclusive.

[4] Our reasons for this decision will follow in due course.
