

## ■ Planning Stage - Storyboarding

Most movies contain the following basic elements: title slide, credits and copyright slide, narration, music, images, animated text, interactive boxes (click boxes and text boxes), and quizzes.

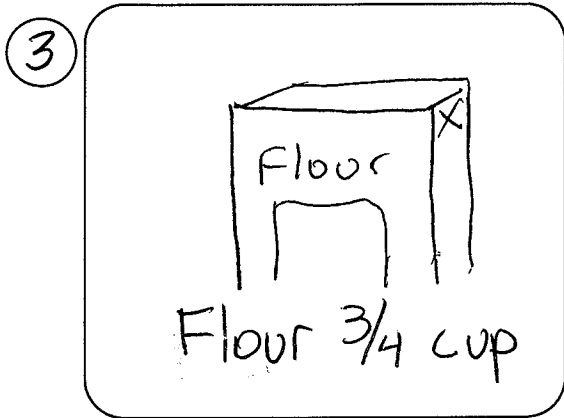

Title of Movie: How to prepare and bake 'Hearth ~~Bread~~ Bread'

Purpose of Movie: It's a cooking show and this is one of the many episodes show on the Food Network. (I wish :-)

This episode will show the ~~viewer~~ viewer how to prepare 'Hearth ~~Bread~~ Bread' (the round brown bread with the 'X' cut into the top). We will talk about the history of bread (briefly), the ingredients needed, how to prepare the dough, how to bake it and then view the finish product.
