ORDINANCE NO. 20149

AN ORDINANCE introduced by City Manager Brent Trout establishing a neighborhood revitalization area, adopting a neighborhood revitalization plan, and authorizing the city manager to execute an interlocal cooperation agreement with other municipalities pursuant to the Neighborhood Revitalization Act, K.S.A. 12-17,114 et seq.

WHEREAS, pursuant to K.S.A. 12-17,114 et seq., as amended ("the Act"), the governing body of any municipality may designate areas as a neighborhood revitalization area if the rehabilitation, conservation or redevelopment of the area is necessary to protect the public health, safety or welfare of the residents; and

WHEREAS, the City of Topeka ("City") desires to establish a neighborhood revitalization area ("Area") and adopt a neighborhood revitalization plan ("Plan") in accordance with the Act; and

WHEREAS, the City, pursuant to Resolution No. 9055, adopted October 9, 2018, gave notice that it is considering creating the Area and adopting the Plan and the Governing Body has conducted a public hearing on the proposed Area and Plan, all in accordance with the Act; and

WHEREAS, the Governing Body finds that one or more of the conditions identified in K.S.A. 12-17,115 exist within the Area; and

WHEREAS, prior to designating an area as a neighborhood revitalization area, the Act requires the governing body to adopt a plan for the revitalization of such area; and

WHEREAS, the Governing Body desires to adopt a Plan for the revitalization of the Area, which shall be substantially similar to Attachment A; and
WHEREAS, the Act authorizes two or more municipalities to enter into an interlocal cooperation agreement to exercise the power and duties authorized by the Act; and

WHEREAS, the municipalities will execute such an agreement, which shall be substantially similar to Attachment B.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF TOPEKA, KANSAS THAT:

Section 1. Eligible Area. The Governing Body finds that the Area identified in the Plan is an eligible area as defined by the Act.

Section 2. Findings. The rehabilitation, conservation or redevelopment of the Area is necessary to protect the public health, safety or welfare of the residents of the City.

Section 3. Adoption of Neighborhood Revitalization Plan. The Plan, attached hereto as Attachment A and incorporated by reference, is hereby approved and adopted.

Section 4. Interlocal Cooperation Agreement. The Governing Body approves and authorizes the city manager to execute the interlocal cooperation agreement, attached hereto as Attachment B, and incorporated by reference.

Section 5. Notification. The City Clerk is directed to mail a copy of this ordinance and its attachments to the following: (1) the superintendents for Unified School Districts Nos. 345 (Seaman), 437 (Auburn-Washburn) 450 (Shawnee Heights), and 501 (Topeka); (2) the Shawnee County Clerk; (3) the general manager for the Topeka Metro Transit Authority; (4) the president of the Metropolitan Topeka Airport Ordinance/NRP(2019-2021)
Authority; (5) the chief executive officer of the Topeka & Shawnee County Library; and
(5) the president of Washburn University.

Section 6. Effective date. This Ordinance shall take effect and be in force after its passage, approval and publication in the official City newspaper. Passed and approved by the Governing Body on October 23, 2018.

2019 Neighborhood Revitalization Plan

Adopted by the Governing Body: October 23, 2018
Introduction

This Plan is intended to promote the revitalization of the inner urban area hereinafter described as the Neighborhood Revitalization Area (NRA) of the City of Topeka through the rehabilitation, conservation and redevelopment of the area in order to protect the public health, safety welfare of the residents of the City. More specifically, in accordance with KSA 12-17, 118 (d), a tax rebate incentive will be available to property owners for certain improvements that raise the appraised value of residential property 10% and commercial property 20%.

In accordance with KSA 12-17, 114 et. seq., the Governing Body has held a public hearing and considered the existing conditions and alternatives with respect to the described area, the criteria and standards for a tax rebate and the necessity for interlocal cooperation among the other taxing units (City of Topeka, Shawnee County, USD 501 (Topeka), USD 345 (Seaman), USD 450 (Shawnee Heights), USD 437 (Auburn-Washburn Rural), Washburn University, Topeka-Shawnee County Public Library, Topeka Metropolitan Transit Authority (TMTA), Metropolitan Topeka Airport Authority (MTAA). Accordingly, the Governing Body has reviewed, evaluated, and found that the described area meets one or more of the conditions contained in KSA 12-17,115 (c).

1. An area in which there is a predominance of buildings or improvements which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare;

2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, defective or inadequate streets, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is detrimental to the public health, safety or welfare in its present condition and use; or
3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use.

Furthermore, the Governing Body may declare a building outside of a NRA to be a “dilapidated structure” if the structure satisfies the following definition KSA 12-17,115(a): "Dilapidated structure" means a residence or other building which is in deteriorating condition by reason of obsolescence, inadequate provision of ventilation, light, air or structural integrity or is otherwise in a condition detrimental to the health, safety or welfare of its inhabitants or a residence or other building which is in deteriorating condition and because of age, architecture, history or significance is worthy of preservation.

The boundary of the proposed NRA is intended to reflect the City’s most investment-challenged and deteriorated areas as determined by the City’s Neighborhood Health Map. The NRA includes all designated “Intensive Care” and “At Risk” Census block groups based on the most recent update of the health map in 2017. These areas are deemed to qualify under all of the above criteria (KSA 12-17, 115 (c)).

In addition, some parts of the proposed NRA are outside At Risk/Intensive Care designations. Those areas are included because they either: 1) have been historically “At Risk” since 2000, 2) are part of infill subdivisions or redevelopment areas that were dependent upon and approved under the City’s past Neighborhood Revitalization Plans, 3) are part of minor boundary rounding to make the NRA as contiguous and orderly as possible, or 4) otherwise would qualify under the above criteria (KSA 12-17, 115 (c)). Taken as a whole, the proposed NRA meets legislative and statutory intent of KSA 12-17, 115 (c).

Any boundary expansions should be consistent with the above criteria and the State’s Attorney General’s opinion issued in 1996 which determined that the intent of the legislation was aimed at neighborhood stabilization and preventing deterioration in the central section of the city or more specifically, neighborhoods. The opinion concludes that the governing body must make a finding that the area meets one of the conditions listed in KSA 12-17, 115 (c), that rehabilitation of the
area is necessary to protect the welfare of the municipalities’ residents, and that the area should not include the entire municipality.

As a matter of policy, the City of Topeka’s NRA is also proposed to be limited in scope to the above areas in order to promote a streamlined and administrative “but for” policy. The inherent presumption of this Plan is that necessary private investments would not occur in these areas “but for” the incentives offered under the Plan. Incentives are approved administratively by City of Topeka staff upon application by the property owner without further proof of need for the incentives. In order to enforce this assumption, the Plan puts forth thresholds for application deadlines to ensure the applicant knew about the program prior to construction and that the investment must create an impactful value increase.

Therefore, this Plan finds the proposed areas are most legally justifiable under State law and provides for a streamlined “but for” test to revitalize the City’s most deteriorated sections.
PART 1
DESCRIPTION OF NEIGHBORHOOD REVITALIZATION AREA

The Neighborhood Revitalization Area (Map #1) in general follows the boundaries of *Intensive Care* and *At Risk* neighborhoods as identified in the City of Topeka Neighborhood Health Map. This map most recently updated in 2017, establishes four (4) health classifications for neighborhoods (intensive care, at risk, out patient, and healthy) to determine priorities for reinvestment and planning assistance. They are described below in order of priority:

- **High Priority**
  - *Intensive Care* - areas with seriously distressed conditions that need immediate attention and intervention
  - *At Risk* - areas with emerging/existing negative conditions that need attention before they succumb to seriously distressed conditions
  - *Out Patient* - areas with favorable conditions in need of minor isolated treatments

- **Low Priority**
  - *Healthy* - areas with optimal conditions

The four health classifications were based on five (5) vital signs that measured the relative health of all neighborhood areas in Topeka. This neighborhood health assessment was used to develop a “triage” approach to revitalization. Those areas that had more “life-threatening” or urgent needs as measured by the vital signs should receive higher priority for treatment over those areas with less urgent needs. These higher priority areas (*intensive care/at risk*) are the focus for neighborhood planning efforts and public re-investment. A summary of the vital signs include:

**Poverty (2012-2016 American Community Survey 5-Year Estimates, U.S Census)** - High concentrations of poverty are one of the most reliable indicators of performance in school, crime rates, family fragmentation, job readiness, housing conditions, etc.

**Public Safety (January 2015 – December 2016, Topeka Police Dept.)** – Public Safety, as measured by number of Part 1 crimes reported for the last two full years, is a symptom indicating the local environmental conditions conducive to crime and how well a neighborhood is organized to prevent crime from occurring.
Residential Property Values (June 2017, Shawnee County Appraisers Office) – Property values are in part a reflection of the quality of housing supply and the image of a neighborhood. The median value of a house purchased in Shawnee County was $122,000 in 2018 (Topeka Association of Realtors).

Single Family Housing Tenure (June 2017 Shawnee County Appraisers Office) The percentage of homeowners residing in a neighborhood can be an indication of the willingness (or confidence) to invest in the area. The most relevant measure of this is how many single-family dwellings are owner-occupied since these homes were primarily built for individual ownership.

Secured Houses & Unsafe Structures (2017 City of Topeka Code Enforcement Unit) - A secured house is one of the most evident physical displays that will undermine confidence in an area for investment and precipitates a downward spiral for the block and/or neighborhood.

Area Profile

Health rankings are determined by averaging all vital sign levels for each neighborhood area. Intensive care and at risk neighborhoods have the lowest vital sign measurements, and hence are the primary focus of the Neighborhood Revitalization (NR) Area. Summary

- The primary NR Area comprises only 23% of the land area of Topeka, but contains approximately 50% of all vacant parcels in the City.
- The poverty rate in the primary NR Area is two and a half times the poverty rate of the non-NR Area.
- Average residential property values are nearly three times greater outside of the NR Area than within its boundaries.
- The homeownership rate is substantially greater outside of the primary NR Area boundary (72% versus 47%).
- 72% of all secured and unsafe structures in the City are located within the NR Area boundary yet only constitute 26% of all housing units in the city.

MAJOR IMPROVEMENTS

PROPOSED FOR NEIGHBORHOOD REVITALIZATION AREA

A list of the proposed major improvements within the Neighborhood Revitalization Area are identified within the adopted neighborhood and area plans of the City’s Comprehensive Plan. Copies of those plans are on file with the Topeka Planning Department and on-line at www.topeka.org/planning

- Topeka Land Use and Growth Management Plan (2015)
- Central Highland Park Neighborhood Plan (2010)
- Central Park Neighborhood Plan (1998/2008)
- Hi-Crest Neighborhood Plan (2015)
- North Topeka West (2016)
- Historic North Topeka East (2013)
- Oakland Neighborhood Plan (2004/2014)
- Hi-Crest Neighborhood Plan (2003)
- Old Town Neighborhood Plan (2003)
- East Topeka Neighborhood Revitalization Plan (2002)
- Downtown Topeka Redevelopment Plan (2001)
- Elmhurst Neighborhood Plan (2001)
- Tennessee Town (2001/2017)
- Washburn-Lane Parkway Plan (2001)
- Quinton Heights Neighborhood Plan (2018)

Proposed housing, infrastructure, and public facility improvements within these plans are intended to guide the City’s future resource allocation as targeted within the Neighborhood Revitalization Area. Actual approved resource allocations are found with the City’s Capital Improvement Budget and Consolidated Plan.
PART 6
STATEMENT SPECIFYING THE ELIGIBILITY REQUIREMENTS FOR A TAX REBATE

Residential New Construction/Rehabilitation

All properties with residential improvements legally permitted by applicable zoning regulations and building codes within, or that fronts a public street boundary of the designated Neighborhood Revitalization Area are eligible for the specified tax rebate provided the new appraised valuation is increased by a minimum of 10%.

Commercial New Construction/Rehabilitation

All properties with commercial, office and institutional, and industrial improvements legally permitted by applicable zoning regulations and building codes within, or that fronts a public street boundary of the designated Neighborhood Revitalization Area are eligible for the specified tax rebate provided the new appraised valuation is increased by a minimum of 20%.
PART 7
CRITERIA FOR DETERMINATION OF ELIGIBILITY

(a) Construction of an improvement must have begun on or after January 1, 2019. Such improvement project shall remain eligible in the event the neighborhood revitalization plan is extended beyond 2021 by a subsequent ordinance. An improvement project constructed pursuant to a building permit and an application for tax rebate filed before January 1, 2019, may be eligible for a rebate under the Neighborhood Revitalization Program created by City Ordinance No. 19771 and extended by Ordinance No. 20086.

(b) A rebate application must be filed prior to or within sixty (60) days of the issuance of a building permit or initiation of work (if no building permit is required) as determined by the Planning Director. An application determined to be “out-of-time” shall be accepted by the Planning Director if the applicant can demonstrate that prior to commencing the improvements, he or she intended to use the program’s benefits for the specific improvement proposed in the application. Some factors that may be used to determine the intent and prior knowledge of the program include previous written or verbal communication with city staff, contractors, or other interested parties in the project. The fact that the applicant was not made aware of the program by city staff shall not be used as a factor in this determination. An application shall not be accepted “out-of-time” if the building permit was issued to correct a past zoning or building code violation. The applicant must submit all evidence in writing that supports the above criteria to the Planning Department within one (1) year of the issuance of the building permit. The applicant may appeal the Planning Director’s decision to the City Manager who has final authority over the matter.

(c) The improvements must conform with the Comprehensive Plan, design guidelines within applicable elements of the Comprehensive Plan and Title 18 Comprehensive Zoning Regulations, including adopted Neighborhood Conversation Districts in effect at the time the improvements are made.

(d) New and existing improvements on the property must conform with all other applicable codes, rules, and regulations in effect at the time the improvements are made, and for the length of the rebate or the rebate may be terminated.

(e) Any property that is delinquent in any real property tax payment or special assessment shall not be eligible for any rebate or future rebate until such time as all real property taxes and special assessments have been paid. Additionally, taxes on all real property owned by the applicant must be current.

(f) Commercial or industrial property eligible for tax incentives under any adopted Neighborhood Revitalization Plan and Topeka's existing tax abatement program pursuant
to Article 11, Section 13 of the Kansas Constitution and TMC Chapter 3.55, may receive one exemption/rebate per project from the City as a tax incentive.

(g) Any property that fronts a public street boundary of the Neighborhood Revitalization Area shall be eligible for the rebate, except those properties that front a public highway.
PART 8

CONTENTS OF APPLICATION FOR TAX REBATE

Part 1 - General Information (Completed by applicant)

(a) Owner's Name and applicant’s name
(b) Owner's Mailing Address.
(c) School District No.
(d) Parcel I.D. No.
(e) Building Permit No. and copy of permit
(f) Address of Property.
(g) Legal Description of Property
(h) Day Phone Number.
(i) Proposed Property Use.
(j) Improvements (Attach itemized list of improvements)
(k) Estimated Cost of Improvements
(l) Proof of Historical Register Listing or nomination.
(m) List of Buildings proposed to be or actually demolished.
(n) Date of commencement of construction.
(o) Estimated date of completion of construction.

Part 2 - Status of Construction/Completion

(a) County Appraiser's Statement of Percentage Test.
(b) County Clerk's Statement of Tax Status.
(c) Planning’s Statement of Application Conformance for Tax Rebate.
PART 9
APPLICATION PROCEDURE

(a) The owner/applicant shall obtain an Application for Tax Rebate from Topeka Planning Department, or concurrent with obtaining a building permit application.

(b) The applicant shall complete and sign the application and file the original with Planning, prior to or within sixty (60) days of issuance of the building permit or as permitted under Part 7(b).

(c) Planning shall forward the application to the Shawnee County Appraiser's Office for determination of the appraised valuation of the improvements and when necessary for designated historic properties, shall indicate the base tax year in order to determine the property’s pre-demolition value for historic resources or landmarks that were demolished to make way for the improvements.

(d) On or about January 1, the County Appraiser shall conduct an on-site inspection of the construction project, determine the new valuation of the real-estate, complete his portion of the application, and report the new valuation to the Shawnee County Clerk by June 1 of that same year. The tax records on the project shall be revised by the County Clerk's Office.

(e) Upon determination by the Appraiser's office that the improvements meet the percentage test for rebate and the Clerk's office has determined the status of the taxes on the property, Planning shall certify to the County Clerk the project and application does or does not meet the requirements for a tax rebate and shall notify the applicant.

(f) Upon the payment of the real estate tax for the subject property for the initial and each succeeding tax year period extending through the specified rebate period, and within a thirty (30) day period following the date of tax distribution by Shawnee County to the other taxing units, a tax rebate in the amount of the tax increment (less any fees as specified in the Interlocal Agreement) shall be made to the applicant.

The tax rebate amount will be based on the appraised property value increment between the application year and the completion year directly attributal to the improvement itself. The actual rebate may vary year to year depending upon the approved mill levy for all participating taxing jurisdictions. The tax rebate shall be made by Audit and Finance, Shawnee County through the Neighborhood Revitalization Fund established in conjunction with the City of Topeka and the other taxing units participating in an Interlocal Agreement.
PART 10
STANDARDS AND CRITERIA FOR APPROVAL

(a) Project improvements shall be 100% complete within two years of building permit issuance or within two years of beginning construction on the listed improvements.

(b) The appraised value of residential property must be increased by a minimum of 10%.

(c) The appraised value of commercial and industrial property must be increased by a minimum of 20%.

(d) New improvements must conform with all applicable codes, rules, and regulations in effect at the time the improvements are made, including zoning regulations and design guidelines adopted by the Governing Body, for the length of the rebate.

(e) Any property that is delinquent in any real property tax payment or special assessment shall not be eligible for any rebate or future rebate until such time as all real property taxes and special assessments have been paid. Additionally, taxes on all real property owned by the applicant must be current.
PART 11

Part 12

OTHER MATTERS

1. The governing body may declare a structure outside of a neighborhood revitalization area eligible if it satisfies the conditions set forth in subsection (a) of KSA 12-17, 115 as a “dilapidated structure” due to its deteriorated conditions and/or is worthy of preservation. In such event, the governing body will proceed pursuant to K.S.A. 12-17,114 et seq.

2. The Special Fund identified in the Neighborhood Revitalization Plan adopted in Ordinance No. 18222 shall only be used to support in-fill housing projects either administered by the City of Topeka, or in partnership with the City of Topeka, within the Neighborhood Revitalization Area. Eligible activities shall include any improvements by Community Development Organizations (CHDOs) associated with infill-housing projects. A maximum match of 30% of Special Fund dollars can be used for the total project cost. All improvements must be consistent with any adopted design guidelines of Neighborhood Plans. The Special Fund shall not be used as substitute funding for current sources or programs.

CITY OF TOPEKA CONTRACT NO. 47256

INTERLOCAL AGREEMENT/NEIGHBORHOOD REVITALIZATION

This Interlocal Cooperation Agreement (hereinafter referred to as "Agreement") entered into this _____ day of __________________, 20___, by and among the City of Topeka, a duly organized municipal corporation hereinafter referred to as "City" and Unified School Districts Nos. 345 (Seaman), 437 (Auburn-Washburn) 450 (Shawnee Heights), and 501 (Topeka); the Board of County Commissioners of Shawnee County; Topeka Metro Transit Authority; Metropolitan Topeka Airport Authority; Topeka & Shawnee County Library and Washburn University.

WHEREAS, K.S.A. 12-17,119 and K.S.A. 12-2904 authorize public agencies to enter into interlocal agreements to jointly perform certain functions including neighborhood revitalization; and

WHEREAS, all parties are, pursuant to K.S.A. 12-2903, public agencies, capable of entering into interlocal agreements; and

WHEREAS, K.S.A. 12-17,114 et seq. and any amendments thereto (the “Act”), provides a program for neighborhood revitalization and further allows for the use of interlocal agreements between public agencies to further neighborhood revitalization; and

WHEREAS, it is the desire and intent of the parties hereto to provide the maximum economic development incentive as provided for in the Act, by acting jointly.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL COVENANTS CONTAINED HEREIN THE PARTIES AGREE AS FOLLOWS:

1. **Purpose.** The purpose of this Agreement is to provide a program for neighborhood revitalization and allow the public agencies within the designated neighborhood revitalization area to work together to maximize the economic development
incentives allowed through the Act. The parties have reviewed the City’s neighborhood revitalization plan (“Plan”), and by adoption of this Agreement, agree to work cooperatively to implement the Plan.

2. Administrator. As the parties are not utilizing a separate legal entity to administer the Agreement, the City shall administer the Plan.

3. Financing. The parties will finance the development in the revitalization areas through a property tax rebate which shall be administered according to the Plan. Pursuant to K.S.A. 12-17,118, City will create a neighborhood revitalization fund and Shawnee County will administer distribution of the rebates. Five percent (5%) of the increment in ad valorem property taxes, as defined by the Act, shall be used to pay for administrative costs of the City and Shawnee County in budgeting, implementing and administering the Plan. The five percent (5%) administration fee shall be apportioned sixty-seven percent (67%) to Shawnee County and thirty-three percent (33%) to the City.

4. Duration. Pending approval of the Attorney General and filing with the Shawnee County Register of Deeds and the Secretary of State, this Agreement shall be effective on the date indicated on Page 1 which shall be the same date that the Agreement was executed by the City Manager, notwithstanding that the other parties may have executed this Agreement at an earlier or later date. This Agreement shall expire on December 31, 2021.

5. Termination. The Plan has a duration of three (3) calendar years, commencing January 1, 2019, and ending December 31, 2021. Notwithstanding Section 4, the parties agree that termination of this Agreement by any party prior to December 31, 2021 would adversely impact the Plan, and, consequently, this Agreement may only be terminated with ninety (90) day’s written notice, and further provided such written notice must be received prior to August 1 in the calendar year prior to the tax year the party
desires to terminate participation, unless such notice is waived, in writing, by all parties. Any application for a tax rebate submitted to the City prior to receipt of the notice of termination shall, if approved, be considered eligible for the duration of the rebate period set forth in the Plan.

6. **Property.** No real or personal property shall be acquired, held, or disposed of during the term of this Agreement.

7. **Execution.** For purposes of executing this Agreement, this document if signed and transmitted by facsimile machine or electronic mail, is to be treated as an original document. This Agreement may be executed by each party in one or more counterparts, each of which when so executed shall be an original, and all of which together shall constitute one instrument.

8. **Liberal Construction.** This Agreement shall be liberally construed to achieve the economic development objectives and purposes of both this Agreement and the Plan. Should any provision of this Agreement be determined to be void, unenforceable, or illegal, such provision(s) shall be null and void, but the remaining provisions shall be unaffected thereby and shall continue to be valid and enforceable.

9. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties and may not be modified or amended, except in writing executed by all parties in the same manner as the original.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective representatives with authority to bind their respective entity.
