ORDINANCE NO. 17882

AN ORDINANCE introduced by Mayor Harry Felker, authorizing Improvement Project No. 28229 which provides for the construction of a new facility for removing water from the lime softening residual at the Water Treatment Plant as more specifically described herein, all pursuant to Section A12-1 of the Code of the City of Topeka and rescinding City of Topeka Resolution No. 6783.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF TOPEKA, KANSAS:

Section 1. That it is hereby deemed advisable and necessary and is also hereby authorized, pursuant to Section A12-1 of the Code of the City of Topeka that the following public improvement be made:

A. GENERAL NATURE OF IMPROVEMENT:

The project expands the existing water treatment plant facilities by the construction of a new facility for removing water from the lime softening residual. The new facility will include collection piping and pumping, a basin for thickening and storage, a plate and frame press, associated equipment, a building to house the press and associated operating equipment, and site work.

B. ESTIMATED OR PROBABLE COST:

$11,895,000.00

C. APPORTIONMENT OF COSTS:

Kansas Department of Health and Environment (KDHE) State Revolving Loan Funds, Revenue Bonds and any other legally available funds.

Section 2. This ordinance shall take effect and be in force from and after its passage, approval and publication in the official city newspaper.

BE IT FURTHER RESOLVED that City of Topeka Resolution No. 6783 is hereby specifically rescinded.
