ORDINANCE NO. 17984

AN ORDINANCE introduced by Mayor Felker, authorizing Improvement Project No. 29091-5, which provides for the replacement of the aeration basins at the Oakland Wastewater Treatment Plant (WWTP) as more specifically described herein, all pursuant to Section A12-1 of the Code of the City of Topeka.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF TOPEKA, KANSAS:

Section 1. That it is hereby deemed advisable and necessary and is also hereby authorized, pursuant to Section A12-1 of the Code of the City of Topeka that the following public improvement be made:

A. GENERAL NATURE OF IMPROVEMENT:

Phase 2 of the Oakland WWTP rehabilitation will address replacement of the aeration basins due to structural concerns, as well as sizing for new ammonia requirements. Secondary clarifiers will be replaced due to depth and process limitations. This phase of the rehabilitation will provide increased secondary treatment capacity as well as denitrification (full nitrogen removal) to comply with the National Pollution Discharge Elimination Permit issued by the State of Kansas. Other specific items include: digester cleaning, Oakland Well Pump Station, demonstration, operations building, and site remediation.

B. ESTIMATED OR PROBABLE COST:

$30,250,000.00

C. APPORTIONMENT OF COSTS:

100% by Kansas Department of Health and Environment State Revolving Loan Funds and any other legally available funds.

Section 2. This ordinance shall take effect and be in force from and after its passage, approval and publication in the official city newspaper.

PASSED and APPROVED by the City Council March 25, 2003.

ATTEST:

Harry Felker, Mayor

Irvis E. Walker, City Clerk
