ORDINANCE NO. 18074

AN ORDINANCE introduced by Mayor Harry Felker, authorizing Stormwater Project No. 50218-00, which provides for the construction of two detention basins that will detain stormwater during large rain events and serve as community green space as more specifically described herein, all pursuant to Charter Ordinance No. 89 of the Code of the City of Topeka.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF TOPEKA, KANSAS:

Section 1. That it is hereby deemed advisable and necessary and is also hereby authorized, pursuant to Charter Ordinance No. 89 of the Code of the City of Topeka that the following public improvement be made:

A. GENERAL NATURE OF IMPROVEMENT:

The Quinton Heights Stormwater Project will alleviate flooding due to inadequate stormwater infrastructure and provide green space in the Quinton Heights-Steele neighborhood. The project will include the construction of two detention basins, a bio-retention swale, re-grading roadside ditches and the replacement of old, and the construction of additional, catch basins in the area. This project will capture and detain stormwater runoff reducing downstream flooding.

B. ESTIMATED OR PROBABLE COST:

$828,720.00

C. APPORTIONMENT OF COSTS:

Stormwater Utility Funds and other legally available funds.

Section 2. This Ordinance shall take effect and be in force from and after its passage, approval and publication in the official city newspaper.

PASSED and APPROVED by the City Council AUG 26 2003

ATTEST:

Harry Felker, Mayor

Iris E. Walker, City Clerk
