AN ORDINANCE introduced by City Manager Norton N. Bonaparte, Jr., amending City of Topeka Code § 142-679 and specifically repealing said original section.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF TOPEKA, KANSAS:

Section 1. That City of Topeka Code § 142-679, Fees, is hereby amended to read as follows:

Fees.

(a) The following fees shall be collected by the issuer of the license for the various types of licenses provided under this division: The license fee to be paid for each bicycle shall be $2.00 for the period for which such license shall be issued under this division, and it shall expire no less than two years after issuance. If a transfer of bicycle ownership is made in the manner prescribed in this division, the fee for the transfer of the license shall be the sum of $2.00.

(b) All fees received for the licensing of bicycles shall be deposited to be used for defraying the costs of the license program and projects designed to benefit bicycle riders by increasing safety and convenience. A monthly accounting shall be made on these funds by the parks and recreation department to the bicycle advisory board.

(c) The bicycle advisory board with the approval of the council shall determine the distribution and uses of the funds collected under this division. Such uses may be for projects designed to benefit bicycle riders by increasing the safety, convenience and recreational uses of bicycling within the city.
The city council may, upon receipt of a written application, waive bicycle license fees which are imposed by subsection (a) for a specific time period, provided the following criteria are met:

1. The request is made by a nonprofit organization or, in the case of an individual, the waiver of the fee will not promote or aid a profitmaking venture.

2. The waiver of such license fee will result in furthering public health, safety or welfare.

3. The duration of the requested fee waiver is short and limited to a specific time frame.

Upon the finding that the fee waiver request meets the criteria set forth in this section, the city council shall grant the waiver by adoption of a resolution. There shall be no fee assessed for issuing a bicycle license.

Section 2. That City of Topeka Code § 142-679 is hereby specifically repealed.

Section 3. This ordinance shall take effect and be in force after its passage, approval and publication in the official city newspaper.
