That the estimates of costs of the Project as contained in the project budget, in the total amount of one million two hundred thirty-nine thousand three hundred seven dollars ($1,239,307.00) which are set out on the project budget attached hereto and on file in the office of the City Clerk of said City, be and the same are hereby approved.

Section 2. That the general nature of the Project is as follows:

The project consists of rehabilitation of eleven (11) existing Flood Protection Relief Wells, to protect the critical plant piping and in-ground structures in the event of a major flood on the Kansas River located immediately adjacent to the water plant complex. A
contractor was selected to evaluate, develop concepts/methods for and implement the following flood relief well rehabilitation strategies in accordance with US-ACE directives and requirements:

- Rehabilitation of eleven (11) existing flood protection relief wells or replacement by constructing new wells;
- Size, furnish and install complete new pumping units in each well;
- Size, furnish and install complete new pump motor starters in 4-X stainless steel panels;
- Motor starters shall have additional contactors for SCADA System integration, alarms and water level sensors for individual pump operational control;
- Install new or replacement piezometers in close proximity to relief wells and as required;
- Water level sensors will be mutually selected with Owner approval;
- Reconnect all hydraulic and electrical connections in each well;
- Test operation of each installed unit to validate performance.
- All other items necessary with making the Flood Protection Relief Wells fully operational.

The project will include an assessment of each relief well biological condition and develop up to three strategies for rehabilitation of each well; sizing for replacement pumping equipment; procurement and installation of pumps and new piezometers and level sensing/SCADA controls; and final performance testing for each well, requiring about one year, including US-ACE approvals required on overall and respective project elements.
Section 3. That notice be given by the governing body of the City of its intention to complete the Project in accordance with the plans, specifications and cost estimates and use utility operation funds, and/or to sell revenue bonds and/or general obligation bonds of the City in a total amount not exceeding one million two hundred thirty-nine thousand three hundred seven dollars ($1,239,307.00) to pay the cost thereof.
