AN ORDINANCE introduced by City Manager Jim Colson, amending City of Topeka Code § 3.40.030 establishing a service fee levy for 2014 relating to the Capital City Downtown Business Improvement District and specifically repealing said original section.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF TOPEKA, KANSAS:

Section 1. That section 3.40.030, Method of raising revenue, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

**Method of raising revenue.**

(a) The method to be used to raise the funds necessary for the district shall be the levy of service fees upon all businesses located within the district, as defined by K.S.A. 12-1782(b), based on the number of square feet of floor area occupied by each business within the district. For the purposes of this chapter, the operation of multifamily residential property and the operation of structured parking facilities shall not be considered to be a business.

(b) The service fees assessed shall be as follows:

<table>
<thead>
<tr>
<th>Number of square feet</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 – 999</td>
<td>$60.00</td>
</tr>
<tr>
<td>1,000 plus</td>
<td>$0.0605 per square foot</td>
</tr>
</tbody>
</table>

However, the maximum service fee per business shall be $13,000 regardless of the number of square feet.

(c) For the purposes of this chapter, the number of square feet of floor area occupied shall be determined as the total area designated for the exclusive use by the
owner or tenants expressed in square feet and measured from the centerline of joint
partitions and from outside wall faces. In the case of leased property, square feet of
floor area occupied is considered that area for which tenants pay rent. In no event shall
square feet of floor area occupied include public toilets, corridors, stairwells, elevators,
mechanical equipment rooms, lobbies, mall areas, or hotel sleeping rooms. Further, in
no event shall square feet of floor area occupied include area which is unusable, is not
occupied due to applicable city codes, or is not in active use by a tenant. In the case of
a building occupied by a single business, the gross floor area may be reduced by
subtracting the actual measured square footage of excluded areas as defined in this
section or by subtracting 15 percent of the gross floor area, whichever is greater.

(d) Service fees under this section shall be levied for the year 2013-2014 and
shall be due and payable in two semiannual installments. Service fees shall be deemed
delinquent if not paid within 30 days of the due date provided for the second semiannual
installment.

Section 2. That original § 3.40.030, of The Code of the City of Topeka, Kansas, is hereby specifically repealed.

Section 3. This ordinance shall take effect and be in force from and after its
passage, approval and publication in the official City newspaper.

Section 4. This ordinance shall supersede all ordinances, resolutions or rules,
or portions thereof, which are in conflict with the provisions of this ordinance.

Section 5. Should any section, clause or phrase of this ordinance be declared
invalid by a court of competent jurisdiction, the same shall not affect the validity of this
ordinance as a whole, or any part thereof, other than the part so declared to be invalid.
PASSED AND APPROVED by the Governing Body on December 10, 2013.

CITY OF TOPEKA, KANSAS
