BE IT ORDAINED BY THE COUNCIL OF THE CITY OF TOPEKA, KANSAS:

Section 1. That section 2.60.010, Topeka landmarks commission – Created, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

Topeka landmarks commission – Created.

There is created and established a commission to be known as the “Topeka landmarks commission” of the city of Topeka in place of and instead of the body heretofore known as the Topeka-Shawnee County landmarks commission. The Topeka landmarks commission will hereafter be called the “Topeka landmarks commission.”

(a) Scope of Duties. The duties of the Topeka landmarks commission are to shall advise the city council on historic assets and to safeguard the architectural and cultural heritage of the community through the preservation of historic resources, local historic landmarks and local historic districts. The Topeka landmarks commission may carry out these duties through the identification, documentation and designation of local historic assets landmarks; development and implementation of a historic preservation plan; administration of ordinances governing the designation, alteration and removal of local historic assets landmarks; assistance with educational and incentive programs,
economic development and tourism, and coordination of public and private historic preservation activities.

(b) Members. The Topeka landmarks commission shall be composed of nine members. The nine members shall be appointed by the mayor with approval of the city council and will serve without compensation. The Topeka landmarks commission membership shall be comprised of people who have a demonstrated interest in historic preservation through their community and/or professional involvements. The members of the commission shall be drawn from such backgrounds as architecture, history, landscape architecture, architectural history, planning, archaeology, urban design, neighborhood and community development, geography, real estate, law, finance, building trades or related areas. A minimum of four members shall be preservation related professionals.

(c) Terms. The initial terms of office shall be as follows:

<table>
<thead>
<tr>
<th>One-year terms</th>
<th>Three members</th>
</tr>
</thead>
<tbody>
<tr>
<td>Two-year terms</td>
<td>Three members</td>
</tr>
<tr>
<td>Three-year terms</td>
<td>Three members</td>
</tr>
</tbody>
</table>

Thereafter, all terms shall be for a three-year period commencing on January 1st and terminating on December 31st, three years hence. No member shall serve beyond the end of his or her appointed term. Upon expiration of a term, the position shall remain vacant until a successor is appointed.

(d) Officers. The Topeka landmarks commission shall elect a chairperson and one vice-chairperson from its members.
(e) Meetings. The Topeka landmarks commission shall meet at least once each month, with additional meetings upon call by the chairperson or upon petition of a majority of the members. All meetings shall be open to the public and notification shall be given in the official newspaper, and to those who request notification. Unless otherwise required herein, five members present shall constitute a quorum for the transaction of business.

(f) Ex Officio Members. The following may sit and serve on the Topeka landmarks commission as ex officio members:

(1) The director or designee of the development services office;

(2) The director or designee of the city planning department.

(g) Jurisdiction. The chapter shall apply to the city of Topeka.

(h) Committees and Subcommittees. The Topeka landmarks commission may establish through its bylaws such committees, including a design review committee, as deemed necessary or convenient to carry out the various functions and duties of the commission. Such committees or subcommittees may be made up of part or all of the members of the commission and may include members outside the Topeka landmarks commission. Any person appointed by the chairperson and may meet upon such schedule and for such purposes as established by the commission.

(i) Staff of the Topeka Landmarks Commission. The Topeka landmarks commission shall receive such staff support as directed by the city administration.

Section 2. That section 2.60.020, Topeka landmarks commission – Functions, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

Topeka landmarks commission – Functions.
The Topeka landmarks commission shall have the following functions:

(a) The Topeka landmarks commission shall familiarize itself with the historic assets within the community and those which may be eligible for designation as historic resources, historic landmarks or historic districts and shall administer the identification, documentation and designation of such local historic landmarks and local historic districts, and shall present verification of significance to the city planning department, or the city council.

(b) The Topeka landmarks commission, using the criteria identified herein, shall determine whether certain buildings, structures, land areas, and interiors (only for local historic landmarks and with owner consent) should be designated as local historic landmarks or local historic districts.

(c) The Topeka landmarks commission shall administer certificate of appropriateness reviews according to design criteria as defined review guidelines to determine whether to grant or deny approval of proposed undertakings.

(d) The Topeka landmarks commission shall review and comment on projects which may be determined to pose a threat to a recorded archaeological site as designated by the city or the Kansas State Historical Office.

(e) The Topeka landmarks commission may apply for or suggest sources of funds for preservation, acquisition, and restoration activities for acquisition, to include federal, state, municipal, private and foundation sources.

(f) The Topeka landmarks commission may implement incentive programs for preservation.
(g) If the Topeka landmarks commission finds that certain historic assets cannot be preserved without acquisition, the Topeka landmarks commission may recommend to the city council that the fee or a lesser interest in the property be acquired by gift, or purchase, using funds or facilities available for preservation or restoration.

(h) The Topeka landmarks commission shall annually review the status of designated historic resources, local historic landmarks and local historic districts and include in the Topeka landmarks commission minutes a report of such review.

(i) The Topeka landmarks commission shall prepare and adopt a historic preservation plan as an element for inclusion in the City’s comprehensive plan and review and update the plan as needed. The plan may include a list of historic resources which may not have attained the status of a historic landmark or as historic district. Twenty days prior to a historic resource listing determination by the Topeka landmarks commission, the following procedures shall be initiated and administered by the preservation staff:

   (1) Property owners of those sites and structures which are being considered for nomination as historic resources shall be notified of a pending decision to list their property as historic resources.

   (2) Property owners of nominated historic resources shall be provided the opportunity to “agree” or “not agree” with the inclusion of their property in the listing.
(3) If the owner agrees to the historic resource listing, notice of the “historic resource” listing of a property shall be filed with the register of deeds and recorded as an official notice subject to subsequent property owners. If the owner does not agree to the “historic resource” listing, the property shall not be listed as a “historic resource.”

(j) The Topeka landmarks commission may implement a receivership program for conservation easement donations for the purpose of historic preservation. Such easements shall be held by the city and monitored by the Topeka landmarks commission.

(k) The Topeka landmarks commission may recommend programs and legislation to the city council to encourage historic preservation.

(l) The Topeka landmarks commission, upon request of the property owner, may assist in the preparation of national and/or state register nominations, upon request of the property owner.

(m) The Topeka landmarks commission, upon request of the property owner, may render advice and provide guidance with respect to any proposed work on a historic asset.

(n) Adopt and implement design review guidelines for local historic landmarks and local historic districts.

(o) Review nominations of properties within the city proposed for inclusion in the National Register of Historic Places.
(p) Create and maintain a list of individuals and organizations that request, in writing, to be advised of actions related to local historic landmarks and local historic districts.

(q) Provide a quarterly report to the council listing approved and rejected certificates of appropriateness for local historic landmarks and local historic districts.

(r) Provide design-review guidelines to owners of local historic landmarks and owners of property located within a local historic district.

Section 3. That section 18.255.020, Definitions, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

Definitions.

As used in this chapter, the following words, terms and phrases shall have the meanings set out below:

“Appurtenances and environmental setting” includes, but is not limited to walkways and driveways (whether paved or not) fences, gateways, open space and waterways. Interiors of structures are included only when a historic resource is designated for local historic landmarks and the owner consents upon consent of the owner to the addition of the interior of the structure.

“Contributing feature” is a significant building, site, structure, or object which adds to the architectural qualities, historic association, or archeological values of a local
historic district because (1) the item was present during the district’s period of significance and (2) possesses significant historic character or is capable of yielding important information about the period of significance.

“Demolition” shall mean any and all activity that requires a demolition permit.

“Demolition by neglect” is the failure to provide ordinary and necessary maintenance and repair to a structure resulting in the deterioration of the structure or resulting in permanent damage, injury or loss to exterior features.

“Design-review criteria” are standards identified in the Secretary of the Interior’s Standards for the Treatment of Historic Properties.

“Design-review guidelines” are standards used in addition to the design-review criteria for issuing a certificate of appropriateness for individual projects or projects located within local historic districts. The criteria shall be based upon the Secretary of the Interior’s Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, or guidelines adopted by the historic district and based upon criteria of the Secretary of the Interior’s Standards as recommended by the Topeka landmarks commission and approved by the respective jurisdiction. Examples illustrating said standards shall be made available by the preservation staff.

“Historic asset” is a site, land area, building, structure or object, which may also include appurtenances and environmental setting, which has may have historical, cultural, aesthetic, architectural and/or archaeological significance but has not been designated as a historic resource, a local historic landmark, or as contributing to a local historic district by the Topeka landmarks commission.
“Historic district” is a group of residential historic resources, consisting of three or more principal-use residential structures or a residentially zoned tract of ground five acres or larger which are significant as a cohesive unit and contribute to the historical, architectural, archaeological or cultural values of the city, county, state, or nation which is so designated by the city council. “Historic district” includes all state and national registered districts, provided the owner(s) of record consents in writing to the inclusion. The historic district may also include appurtenances and environmental setting with written consent from the owner(s) of record.

“Historic integrity” is the authenticity of a property’s historic identity, evidenced by the survival of physical characteristics that existed during the property’s prehistoric or historic period. It is a composite of original and historic characteristics, construction, elements, qualities, design, architectural features, distinctive style, craftsmanship, composition, color, texture, and other visual characteristics.

“Historic landmark” is an historic asset that has been designated, with the written consent of the owner(s) of record, as having historical, architectural, archaeological, or cultural importance or value which the city council determines shall be protected, enhanced and preserved in the interest of the culture, prosperity, education and welfare of the public. “Historic landmark” may also include the interior of a structure appurtenances and environmental setting with written consent from the owner(s) of record. “Historic landmark” includes all state and national registered structures, provided the owner(s) of record consents in writing to the inclusion.

“Historic resource” is a site, land area, building, structure or object, which may also include appurtenances and environmental setting, which has been determined as
having historical, cultural, aesthetic, architectural and/or archaeological significance, or is a site, land area, building, structure, or object with potential importance or value.

“Local historic district” encompasses a group of historic assets, consisting of three or more buildings, structures or objects which are significant as a cohesive unit and contribute to the historical, architectural, archaeological or cultural values of the city, county, state, or nation which is so designated by the city council. The district may also include appurtenances and environmental setting with written consent from the owner(s) of record.

“Local historic landmark” is an historic asset that has been designated, with the written consent of the owner(s) of record, as having historical, architectural, archaeological, or cultural importance or value which the city council determines shall be protected, enhanced and preserved in the interest of the culture, prosperity, education and welfare of the public. “Local historic landmark” may also include the interior of a structure appurtenances and environmental setting with written consent from the owner(s) of record. “Local historic landmark” includes all state and nationally registered structures, provided the owner(s) of record consents in writing to the inclusion.

“Mothballing” means controlling the long-term deterioration of a building while it is unoccupied as well as finding methods to protect it from sudden loss by fire or vandalism. Mothballing includes, but is not limited to, securing the building from unwanted entry, providing adequate ventilation to the interior, shutting down or modifying existing utilities, surveillance monitoring and periodic maintenance to minimize deterioration.
“Overlay zoning” means any zoning that functions in addition to the existing land use zoning, as in the case of local historic landmark or local historic district zoning.

“Period of significance” is the span of time in which a local historic landmark or local historic district attained the significance for which it is designated.

“Permit” means authorization whether by administrative action or actions by the city council and includes a building, demolition, moving, zoning, sign, fence, parking lot, roofing, sidewalk, siding, or swimming pool permit which is issued by the development services office.

“Preservation plan” means a document developed, adopted and implemented by the Topeka landmarks commission that identifies trends affecting and impacting historic assets and provides guidance for their preservation. The preservation plan will include a list of all historic resources, local historic landmarks and local historic districts within Topeka. The preservation plan will be a component of the comprehensive plan for the city.

“Preservation program” means the overall program administered by the Topeka landmarks commission that involves the implementation of the historic preservation ordinance, the historic preservation plan, and all activities relating to the furtherance of historic preservation in Topeka.

“Preservation staff” means personnel assigned to provide staff services for the Topeka landmarks commission.

Project Classification. For the purpose of the certificate of appropriateness review procedure, proposed work involving a local historic landmark or property within a local historic district shall be classified as major or minor.
(1) “Major projects” include:

   (i) Any undertaking requiring a permit certificate of appropriateness on a local historic landmark unless determined minor by the preservation staff; or a structure within a local historic district unless determined minor by preservation staff; or

   (ii) Any demolition permit or moving permit for any structure listed as a local historic landmark or historic asset within a historic district contributing feature.

(2) Minor Project. For the purpose of certificate of appropriateness review, a “minor project” is any project requiring a permit certificate of appropriateness on a local historic landmark or property within a local historic district that proposes repairing or restoring an existing exterior element, or replacing an element or material with identical material and design to that which is existing. A list of minor projects, which can be reviewed and approved by preservation staff, shall be adopted by the Topeka landmarks commission.

“Uniform Code for Building Conservation” means a national code adopted by the city that provides for more flexible code review for older and historic properties.

Section 4. That section 18.255.030, Historic landmark designation, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

Local historic landmark; local historic district designation.

The city council governing body may designate certain historic assets as local historic landmarks or local historic districts by adopting historic overlay zoning. Such
designations shall be in addition to any other zoning designation established in the 
comprehensive zoning regulations of the city and be known as historic overlay zoning. 

An official register of all historic designations in the city shall be created, and maintained 
and filed for public information and use in the office of the city clerk by the planning 
department.

Section 5. That section 18.255.040, Historic landmark designation criteria, of 
The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

**Historic landmark or local historic district designation criteria.**

(a) Local historic landmark. In the designation of buildings, structures and 
objects as historic landmarks or districts certain criteria must be met. These properties 
must be 50 years or older. In addition, the property must meet one or more of the 
following criteria. The governing body may designate an historic asset as a local historic 
landmark if the following requirements are met:

(1) The asset is at least 50 years old; and

(2) The asset possesses integrity of location, design, setting, materials 
and workmanship.

(3) In addition to (a)(1) and (a)(2), at least one of the following

   - Current owner(s) of record; and
   - Legal description of each property;

2. A map showing the boundaries of the proposed local historic landmark or local historic district and the location of each asset of importance or value identified by a number or letter designation;

3. Sufficient photographs of each historic asset proposed as a local historic landmark or historic assets listed within the proposed local historic district;

4. Written consent to the nomination by all of the owners of record of the proposed local historic landmark. In the event of a contract sale, both the
owner of record and the party or parties holding an equitable interest in the property must consent to the nomination; and

(5) For a local historic district, 65 percent of the owners of record within the proposed historic district must provide written consent of at least sixty (60%) of the properties within the proposed district shall submit written consents to the nomination. In the event of a contract sale of real property, both the owner of record and party or parties holding an equitable interest in the property must consent to the nomination.

(6) For a local historic district, proposed design review guidelines pursuant to TMC 18.255.090.

(b) Increasing boundaries; local historic district. Applications to increase the boundaries of a local historic district may be made considered if one or more of the following conditions are met:

(1) When additional historic assets which relates and is contiguous to the local historic district are requested for inclusion by its property owner; or

(2) When facts previously undisclosed to or unknown by the Topeka landmarks commission are revealed which indicate that a particular building or site is possessed of special architectural, archaeological, or cultural character, or economic viability to the district Two or more historic assets or local historic landmarks would be included in the expanded local historic district and at least sixty (60%) of the owners of record of properties within the proposed expansion area submit written consents.
(c) Citizen participation. Applicants shall comply with the citizen participation process adopted by the planning director and posted on the City’s website. The planning director shall provide a map of the notification area which shall be a 500 feet radius.

(ed) Consideration by Topeka landmarks commission. Applications to reduce the boundaries of a historic district may be made when one or more of the following conditions have been met: Upon determination by the planning director that the application is sufficient, the director shall submit the application to the Topeka landmarks commission.

(1) When it can be shown that a particular building, structure, site, object or land area has no historic, architectural, archaeological, or cultural importance or value to the viability of the historic district;

(2) When it can be shown that no physical, historical, architectural, archaeological or cultural degradation will result from exclusion of property from the district.

(e) Notification. Upon determination by the planning director that the application is sufficient, the director shall submit the application to the Topeka landmarks commission. The Topeka landmarks commission shall consider the application at a meeting, provided that notice shall be mailed at least twenty (20) days prior to the meeting to the owner(s) of record of any parcel upon which a proposed local historic landmark is situated or which is part of a proposed or expanded local historic district.
(f) Meeting; landmarks commission. The Topeka landmarks commission may solicit expert testimony regarding the historic and architectural importance of the historic assets(s) under consideration for designation. All interested persons may provide written comments and/or appear in person or by representative. The commission shall make a recommendation to the planning commission whether to adopt historic overlay zoning.

(g) Historic overlay zoning. The governing body, upon the recommendation of the planning commission, shall consider whether to adopt historic overlay zoning in accordance with state law and chapter 18.245 of the code governing rezoning.

Section 8. That section 18.255.070, Historic district exemptions, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

Local Historic landmark or district exemptions denomination process.

Within 30 days of approval of a historic district by the city council, property owners located within the district may elect to exempt their property from the requirements of the historic district by providing written notice of the self-exemption to the preservation staff. In the event of a contract sale of real property, both the owner of record and party or parties holding an equitable interest in the property must consent to the exemption. The property shall automatically convert to the historic overlay zoning district upon sale of the property, including a contract sale.

(a) Applications to denominate a local historic landmark or local historic district and/or reduce the district’s perimeter may be made when one or more of the following conditions have been met:
(1) A local historic landmark or building, structure, site, or object within a district has no historic, architectural, archaeological, cultural importance, or value to the viability of the historic district; or

(2) The owners of record of at least seventy-five percent (75%) of the properties within the local historic district provide written consent to the denomination of the local historic district.

(b) The applicant shall comply with the citizen participation process adopted by the planning director and posted on the City’s website. The planning director shall provide a map of the notification area which shall be a 500 feet radius.

(c) Upon receipt of such application, the Topeka landmarks commission shall consider the application at a meeting, provided that notice shall be mailed at least twenty (20) days prior to the meeting to the owner(s) of record of any parcel upon which the local historic landmark is situated or which is part of the local historic district. All interested persons may provide written comments and/or appear in person or by representative. The commission shall make a recommendation to the planning commission whether to remove historic overlay zoning.

(d) Historic overlay zoning. The governing body, upon recommendation of the planning commission, shall consider whether to remove historic overlay zoning in accordance with state law and the ordinances governing rezoning.

Section 9. That section 18.255.080, Procedure for designation of historic landmark and historic district, of The Code of the City of Topeka, Kansas, is hereby repealed.

Procedure for designation of historic landmark and historic district
An application for historic landmark and residential historic district designation requires the following procedures:

(a) A historic landmark or historic district nomination form, accompanying material, and for historic districts, historic district preservation guidelines as defined herein, shall be submitted to the city planning department.

(b) Upon receipt of such nomination, a hearing by the Topeka landmarks commission will be scheduled either at its regular meeting or at a special meeting; provided, that notice of the meeting shall be published 20 days prior to the date of such hearing. For purposes of holding a hearing to consider designation of a historic landmark or historic district, five members of the Topeka landmarks commission shall constitute a quorum. The owner or owners of record of any parcel on which a proposed historic landmark is situated or which is a part of a proposed historic district shall be mailed written notice at least 20 days prior to the hearing relating to the designation of such proposed historic landmark or historic district, the amendment to any designation thereof, or the proposed reduction of any designation or the amendment thereto. Owner(s) consent to the historic landmark or historic district designation is a requirement for such designation to occur. The Topeka landmarks commission shall afford a full and fair hearing to all interested persons. The Topeka landmarks commission may solicit expert testimony regarding the historic and architectural importance of the historic asset(s) under consideration for designation. All interested persons may appear in person or by representative and present evidence or comment. The Topeka landmarks commission shall make its decision regarding the designation within a reasonable time, no later than 15 days following the close of the hearing. In the
event a member of the Topeka landmarks commission shall make application, evidence shall be presented in the same manner as all other persons and the Topeka landmarks commission member shall not vote on the matter contained in the application. Five affirmative votes shall be required to constitute a recommendation of approval on any nomination application presented to the Topeka landmarks commission.

(c) After consideration and recommendation by the Topeka landmarks commission, the application shall be submitted to the city planning department. The following is required as part of the designation application:

(1) The Topeka landmarks commission recommendation;

(2) Legal description and map of the boundaries of the proposed designation;

(3) Completed historic landmark or historic district nomination form and accompanying materials;

(4) Applicable historic district preservation guidelines as defined herein; and

(5) A list of property owner(s) of record.

(d) The designation shall be placed on the Topeka planning commission agenda for public hearing to consider historic landmark or historic district designation. The same public notices and public hearing as required by law in a zoning case shall be observed. The owner or owners of record of any parcel on which a proposed historic landmark is situated or within a proposed historic district as well as all property owners of record within a 200-foot radius in the city will be notified of the hearing. At the conclusion of its hearing, the Topeka planning commission shall set forth in writing its findings as to whether the designation is consistent with adopted plans and shall transmit such findings to the city council.
(e) After notice and public hearing as required by law in a zoning case, a historic landmark or historic district may be created by ordinance by the city council. Upon passage of such ordinance a certified copy shall be filed with the Shawnee County register of deeds.

(f) Upon approval of a historic landmark or historic district designation ordinance by the city council, the city planning department shall cause the official designation and delineation of the property or properties involved.

Section 10. That section 18.255.090, Historic district preservation guidelines, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

**Historic district preservation Design-review guidelines.**

Preservation guidelines for a proposed historic district shall be submitted with a nomination application. The district preservation guidelines shall not apply to the interior of commercial structures. Further, the district guidelines shall include, but not be limited to, the following:

(a) Guidelines for those seeking a certificate of appropriateness including, but not limited to, the following Design review guidelines for each local historic district shall address the following:

1. Acceptable materials for any construction, additions, remodeling or rehabilitation activities to the exterior of the structures;

2. Appropriate architectural character, scale, and detail for any construction, additions, remodeling or rehabilitation activities;

3. Acceptable appurtenances to the structures;
(4) Acceptable textures and ornamentation to the exterior of the structures;

(5) Acceptable accessories on structures;

(6) Such other building regulations which would have impact on the buildings;

(7) Acceptable standards for changes to noncontributing resources within the district; and

(8) Acceptable signage.

(b) Guidelines for public improvements in the district, including street furniture, signs, design textures of sidewalks, streets and parks. The Topeka landmarks commission shall make available the proposed design review guidelines to each owner of record in a proposed local historic district prior to consideration by the commission.

Section 11. That section 18.255.100, Historic district designation administrative requirements, of The Code of the City of Topeka, Kansas, is hereby repealed.

Historic district designation administrative requirements

The following shall apply:

(a) When the Topeka landmarks commission considers an area as a possible historic district, the Topeka landmarks commission shall, prior to rendering its final recommendation, submit the nomination package including district preservation guidelines to appropriate city departments and other public agencies directly affected.

(b) In addition, the Topeka landmarks commission shall, prior to rendering its final recommendation, make the historic district preservation guidelines available upon request to all landowners in the proposed historic district.
The Topeka landmarks commission-approved graphics for designated historic assets within a historic district may be made available to the owners of designated structures.

Section 12. That section 18.255.110, Certificate of appropriateness review, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

Certificate of appropriateness review; minor and major projects; no demolition.

The following procedures and requirements shall apply to certificate of appropriateness review:

(a) A permit for any project as defined herein affecting a designated historic landmark or any property within a designated historic district shall not be issued to any applicant by the development services office unless an application for a certificate of appropriateness has first been reviewed and approved by the preservation staff, by the Topeka landmarks commission and, if a protest is filed, by the city council. Projects not requiring a permit but which propose to alter features which have been defined in a historic district’s preservation guidelines as requiring protection shall require a certificate of appropriateness application. Projects which will or have the potential to damage or destroy historic features of a historic landmark or a historic asset which is located within a historic district shall be subject to a certificate of appropriateness review.

(b) When applying for a certificate of appropriateness, the applicant shall provide plans, specifications or other documentation pertaining to the work as required on the Topeka landmarks commission’s adopted application forms. A complete certificate of appropriateness application and accompanying materials shall be submitted to the
preservation staff for review of the application and determination if the proposed work is a major or minor project.

(c) The Topeka landmarks commission shall review the application and recommend approval, approval with conditions, or denial within 30 days of the receipt of the application. A 15-day period for written comments regarding the project shall be provided prior to the Topeka landmarks commission’s hearing. These written comments shall be directed to the Topeka landmarks commission. If approved, and provided that a protest is not filed within five business days, preservation staff shall issue a copy of the certificate of appropriateness to the applicant and provide a copy to the development services office and the applicant. If an appeal is filed by the applicant or any interested party with the preservation staff within five business days of the Topeka landmarks commission’s action, the certificate of appropriateness shall not be issued until the city council holds a public hearing regarding the application. This public hearing shall be at the next available meeting of the city council. For the purpose of this section, interested party shall mean an individual or individuals with a legally recognized interest in the real property located within the subject historic district.

(d) A certificate of appropriateness for a minor project shall be reviewed and approved or denied by the preservation staff. If approved, the preservation staff shall provide a certificate of appropriateness to the applicant and provide a copy of documented approval to the development services office. An appeal from a denial of an application for a minor project may be filed with the preservation staff within five business days. A public hearing on the appeal shall be at the next available meeting of the city council.
(e) Ordinary maintenance and repair not otherwise subject to a permit or restricted by
the historic preservation guidelines may be carried out without a certificate of
appropriateness.

(f) If no action has been taken by the preservation staff and/or the Topeka landmarks
commission within 30 days for major projects and within 15 days for minor projects after
date of receipt of the completed application, the permit may be applied for with the
development services office.

(g) No significant change shall be made in the work defined in the certificate of
appropriateness application after issuance of a certificate of appropriateness without
resubmittal and approval thereof in the same manner provided herein.

(h) A certificate of appropriateness may be refiled, provided the request addresses the
concerns stated by the city council in its denial.

   (a) No local historic landmark, contributing feature, or a portion of either, shall
be altered, removed, or moved unless a certificate of appropriateness is approved in
accordance with this section. No certificate is required for maintenance and repair not
requiring a permit or not restricted by design review guidelines. If an application
proposes that a local historic landmark be removed or moved to a new site, the proposal
shall be treated as an application for denomination or a nomination, as appropriate. If
an application proposes that a contributing feature be removed or moved to a new site,
the proposal may be treated as an application for denomination or a nomination, as
appropriate.

   (b) Preservation staff shall review the application and determine whether the
project is a major or minor project, as defined in section 18.255.020.
(c) If the project is determined to be minor, preservation staff may approve or deny the application, based on the Secretary of the Interior’s Standards for the Treatment of Historic Properties and any approved design review guidelines, within 30 days of receipt of a complete application. If the application is denied, the applicant may request a review by the planning director, within five business days from the date of denial. If the planning director affirms the denial, based on the Secretary of the Interior’s Standards for the Treatment of Historic Properties and any approved design review guidelines, the applicant may request a review by the Topeka landmarks commission which will determine, based on the Secretary of the Interior’s Standards for the Treatment of Historic Properties and any approved design review guidelines, whether to affirm, reject, or modify the planning director’s decision.

(d) If the project is determined to be major but does not involve demolition of a local historic landmark or contributing feature in a local historic district, the following procedure shall apply:

1. The Topeka landmarks commission shall consider each application at a meeting, provided that notice shall be mailed at least twenty (20) days prior to the meeting to the owner(s) of record of the local historic landmark that is the subject of the application and the owners of record of properties located within any local historic district where the local historic landmark or contributing feature is located.

2. All interested persons may provide written comments and/or appear in person or by representative.
(3) The Topeka landmarks commission may request additional information, approve, approve with conditions, or deny the certificate based upon the Secretary of the Interior’s Standards for the Treatment of Historic Properties and approved design review guidelines.

(4) The owner of the local historic landmark or a property owner within the local historic district may appeal the commission’s decision to the city council by submitting a notice of appeal to the planning director within 10 calendar days of the decision.

(5) The council shall affirm the commission’s decision if there is sufficient evidence to support the decision.

Section 13. That section 18.255.120, Historic landmark and historic district demolition and moving permits, of The Code of the City of Topeka, Kansas, is hereby amended as follows:

**Historic landmark and historic district demolition and moving permits Certificate of appropriateness review; demolition; historic landmark and contributing feature.**

(a) If an application is received by the development services office for demolition or moving of any historic landmark or structure within a historic district the applicant shall be referred to the preservation staff for a certificate of appropriateness application. Review of such application for a certificate of appropriateness shall be as provided herein. No local historic landmark, contributing feature, or portion of either shall be demolished unless a certificate of appropriateness is approved by the city council. Additionally, no permit to demolish a local historic landmark, contributing
feature, or portion of either, shall be issued prior to approval of a certificate of
appropriateness.

(b) For a project which involves demolition of a historic landmark property or
properties within a historic district the proponents of such project shall, before doing any
of the demolition or work in furtherance of such project, whether or not a building or
other permit is required to be obtained to do such demolition work, file an application for
a certificate of appropriateness for review as provided herein. Citizen participation. The
applicant shall comply with the citizen participation process adopted by the planning
director and posted on the city's website. The planning director shall provide a map of
the notification area which shall be a 500 feet radius.

(c) After review of certificate of appropriateness and, upon the
recommendation of the Topeka landmarks commission and the Topeka planning
commission, the city council shall hold a hearing within 30 days of the Topeka
landmarks commission’s recommendation. In addition to the recommendation of the
Topeka landmarks commission, the city council shall consider the state of repair of the
building, the reasonableness of the cost of restoration or repair, owner hardship, the
purpose of preserving the designated historic landmark or structure within a historic
district, alternatives presented by interested parties, the character of the neighborhood,
the economic consequences to the city and the affected owner(s), and all other factors
which it finds appropriate. The owner(s) of the historic landmark or owner(s) of the
structure within the historic district shall bear the burden of proof demonstrating
hardship. Notification. The Topeka landmarks commission shall consider each
application at a meeting, provided that notice shall be mailed at least twenty (20) days
prior to the meeting to the owner(s) of record of the local historic landmark that is the
subject of the application and the owners of record of properties located within any local
historic district where the local historic landmark or contributing feature is located.

(d) Meeting; landmarks commission. All interested persons may provide
written comments and/or appear in person or by representative. The commission shall
make its determination based upon the Secretary of the Interior’s Standards for the
Treatment of Historic Properties.

(de) After review and recommendation by the Topeka landmarks commission,
the city council may approve or deny the certificate of appropriateness or deny the
certificate of appropriateness if it determines that feasible alternatives to demolition or
moving of the historic landmark or structure within the historic district exist and that in
the interest of preserving historical values, the historic landmark or structure within the
historic district should not be demolished or moved based on the following factors:

(1) Whether feasible alternatives to demolition exist, including mothballing the structure;

(2) The state of repair of the structure;

(3) The cost of restoration or repair;

(4) Hardship to the applicant if the certificate is denied;

(5) Economic consequences to affected property owners; and

(6) The interest in preserving historical values.

(ef) In the event of an “emergency” demolition of a historic landmark or a
structure within a historic district, the development services office shall notify the
preservation staff as soon as possible Notwithstanding subsection (e), if the Topeka
landmarks commission determines that the demolition will destroy historic property included in the National Register of Historic Places or the State Register of Historic Places, demolition shall not proceed until the governing body makes any determination required by K.S.A. 75-2724 and amendments thereto.

(g) If a demolition is approved by the council, the planning commission shall make a recommendation to the governing body whether to remove historic overlay zoning in accordance with state law and the ordinances governing rezoning.

Section 14. That section 18.255.130, Review of demolition buildings and moving permits for historic resources, of The Code of the City of Topeka, Kansas, is hereby repealed.

Review of demolition buildings and moving permits historic resources.

An application to the development services office for a demolition or moving permit shall require notification to preservation staff if the permit is for a historic resource determined by preservation staff to have potential for landmark designation. These resources shall be 50 years or older and meet one or more of the criteria for landmark designation described herein. The following procedure applies:

(a) Demolition and moving permit applications for buildings or structures listed as historic resources will be reviewed by preservation staff.

(b) Preservation staff may make the determination that a building, site or structure threatened with demolition or removal meets the criteria for landmark designation.

(c) If a building, site or structure is determined by the preservation staff to meet criteria for historic landmark designation a written notice shall be sent by certified
mail to the owner or owners of such building, site or structure. Said notice shall describe the property which meets historic landmark criteria including its location and boundaries and justification of its historic or architectural significance. The notice shall also be delivered to the development services office with acknowledgment of receipt by the development services office.

(d) Following application for a moving or demolition permit for a listed historic resource, a 90-day delay shall occur prior to the issuance of the requested moving or demolition permit in order for alternatives to be explored with the owner by the Topeka landmarks commission staff.

(e) During such period, no permit shall be issued unless for emergency public safety reasons, or a certificate of appropriateness has been issued.

(f) After the delay, if demolition of the historic resource is the conclusive alternative of the Topeka landmarks commission, the Topeka landmarks commission shall direct staff to document the resource with photography, and/or measured drawings for record purposes.

Section 15. That section 18.255.140, Historic landmark and historic district demolition by neglect, of The Code of the City of Topeka, Kansas, is hereby repealed.

Historic landmark and historic district demolition by neglect.

In the event of demolition by neglect of a historic landmark or structure within a historic district on public or private property, the following provisions shall apply:

(a) If a historic landmark or a property within a historic district has been determined by the Topeka landmarks commission to be the subject of demolition by neglect, the Topeka landmarks commission or preservation staff shall provide the owner
of record with a written notice specifying the conditions of deterioration and the
minimum items of repair or maintenance necessary to correct or prevent further
deterioration

(b) Such notice shall be sent by certified mail, return receipt requested,
addressed to the owner of the property, contract purchaser, if applicable, at his or her
last known address, or the address shown on the real property tax records in the clerk’s
office of Shawnee County, Kansas. Such notice, when so addressed and deposited with
the United States Postal Service with proper postage prepaid, shall be deemed
complete and sufficient. In the event that notification cannot be accomplished, as
aforesaid, after reasonable efforts, notice shall be accomplished by posting a public
notice on the property. A copy shall also be provided to the development services office.

(c) The notice shall provide that corrective action shall commence no later
than 30 days from the receipt or posting of said notice, unless an extension is granted
by the Topeka landmarks commission. The owner or contract purchaser, if applicable,
shall demonstrate continual progress and all repairs shall be completed within a
reasonable period of time. The notice shall state that the owner(s) of record of the
subject property may within 10 days request a hearing before the Topeka landmarks
commission challenging the finding of demolition by neglect and/or the notice to repair.
If such request for a hearing is received within this time period, a hearing will be at the
next regular meeting of the Topeka landmarks commission. The Topeka landmarks
commission shall review all evidence of demolition by neglect at the scheduled hearing.

(d) In the event that the Topeka landmarks commission finds that,
notwithstanding the necessity for such improvements, corrective action would impose a
substantial hardship on the owner or any or all persons with any right or title in the subject property, then the commission shall establish a period of 45 days and direct preservation staff to seek alternative methods to preserve the historic landmark or property located within a historic district.

(e) If no alternative is found to preserve the structure without undue hardship to the owner, and any or all persons with any right or title in the subject property and the structure is determined a threat to human safety and is in violation of city code, a demolition permit may be issued.

Section 16. That section 18.255.160, Concurrent use of Topeka landmarks commission by the county commission, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows.

Concurrent use of Topeka landmarks commission by the county commission.

(a) The county commission, at its sole option, may seek the advice and assistance of the Topeka landmarks commission on designating and preserving historic assets, historic resources and historic districts located in Shawnee County.

(b) In the event the county commission seeks the advice and assistance of the Topeka landmarks commission, it shall receive such county staff support as directed and supplied by the county administration.

(c) The Topeka landmarks commission may be used by the county commission for the recommendation of local historic landmarks or districts located in the county according to procedures and criteria established by the county commission.
(d) The county commission may rely upon the Topeka landmarks commission for assistance in establishing historic preservation guidelines according to the criteria, standards, and factors specified by the county commission.

(e) The county commission may seek the recommendation of the Topeka landmarks commission on the demolition or issuance of a moving permit for a local historic landmark or historic district located in the county according to such procedures and criteria established by the county commission.

Section 17. That section 18.255.170, Continuation of existing designation, of The Code of the City of Topeka, Kansas, is hereby amended to read as follows:

Continuation of existing designation.

Nothing contained in this section shall eliminate, change, or otherwise affect the existing designation of an local historic landmark or an historic resource local historic district in the city of Topeka or Shawnee County which was originally made by the Topeka-Shawnee County landmarks commission. Any such historic landmark or resource designation shall remain in force and effect.

Section 19. This ordinance shall take effect and be in force from and after its passage, approval and publication in the official City newspaper.

Section 20. This ordinance shall supersede all ordinances, resolutions or rules, or portions thereof, which are in conflict with the provisions of this ordinance.
Section 21. Should any section, clause or phrase of this ordinance be declared invalid by a court of competent jurisdiction, the same shall not affect the validity of this ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

PASSED AND APPROVED by the Governing Body on May 6, 2014.
