RESOLUTION NO. 7048

A RESOLUTION introduced by Mayor Joan Wagnon, describing and authorizing the installation of new radio-based monitoring system for wastewater pumping stations hereinafter referred to as Project No. 29092 and rescinding City of Topeka Resolution No. 6785.

BE IT RESOLVED by the Council of the City of Topeka that it finds the following described public improvement to be necessary and in the public interest and does hereby authorize as hereinafter described:

A. GENERAL NATURE OF IMPROVEMENT:

This project consists of the replacement of the existing obsolete telemetry (SCADA) system. It provides remote, around-the-clock surveillance of the condition and operation of the City’s 38 wastewater pumping stations. The new system will rely on micro-wave transmission to report data regarding operation and condition of monitored facilities.

B. ESTIMATED OR PROBABLE COST:

$928,719.99

C. APPORTIONMENT OF COSTS:

Water Pollution Control operating funds.

BE IT FURTHER RESOLVED that Resolution No. 6785 is hereby rescinded.

ADOPTED and APPROVED by the City Council FEB 15 2000

Joan Wagnon, Mayor
