RESOLUTION NO. 7049

A RESOLUTION introduced by Mayor Joan Wagnon, describing Improvement Project No. 29015-2 which provides for construction of the Oakland Wastewater Treatment Plant Effluent Disinfection and Pump Station Facilities and authorizing the same.

BE IT RESOLVED by the Council of the City of Topeka that it finds the following described public improvement to be necessary and in the public interest and does hereby authorize as hereinafter described:

A. GENERAL NATURE OF IMPROVEMENT:

The project consists of the construction of effluent disinfection facilities to comply with the seasonal fecal coliform and chlorine residual discharge limits set by the draft National Pollutant Elimination System (NPDES) Permit. Improvements include the construction of an effluent pump station to handle discharges from the Oakland Waste Water Treatment Plant to the Kansas River during storm events when the river exceeds the 100-year flood elevation.

B. ESTIMATED OR PROBABLE COST:

$4,600,000.00

C. APPORTIONMENT OF COSTS:

State Revolving Loan Funds administered by State of Kansas, Department of Health and Environment

ADOPTED and APPROVED by the City Council FEB 15 2000

ATTEST:

Joan Wagnon, Mayor

Iris E. Walker, City Clerk

APPROVED AS TO FORM AND LEGALITY DATE 2/3/2000
