RESOLUTION NO. 2078

A RESOLUTION introduced by Mayor Joan Wagnon, describing and authorizing the design, acquisition and construction of a wetland treatment system in the Wanamaker Drainage Basin.

BE IT RESOLVED by the Council of the City of Topeka that it finds the following described public improvement to be necessary and in the public interest and does hereby authorize as hereinafter described:

A. GENERAL NATURE OF IMPROVEMENT:

The City has worked with 15 private and public partners to develop a watershed protection plan for the Wanamaker Drainage Basin since 1997. This collaborative work has resulted in the following recommendations: 1) The City pursue a wetland treatment system for the storm water runoff and 2) The development of a focused educational program. This project provides for the design, acquisition and construction of a wetland treatment system in the Wanamaker Drainage Basin.

B. ESTIMATED OR PROBABLE COST:

$593,925.00

C. APPORTIONMENT OF COSTS:

Stormwater Utility: $250,000.00
Other (Federal Grants): $343,925.00

ADOPTED and APPROVED by the City Council JUL 11 2000

ATTEST:

Joan Wagnon, Mayor

Iris E. Walker, City Clerk

APPROVED AS TO FORM AND LEGALITY DATE 7/6/2000
