

RESOLUTION NO. 7503

A RESOLUTION introduced by Mayor James A. McClinton describing Improvement Project No. 28524-00 which provides for the construction of a roadway from Gage Boulevard to the Water Treatment Plant as more specifically described herein.

BE IT RESOLVED by the Council of the City of Topeka, Kansas, that it finds the following described public improvement to be necessary and in the public interest and does hereby authorize Improvement Project No. 28524-00 with an amended project budget as hereinafter described:

A. GENERAL NATURE OF IMPROVEMENT:

This project will construct 1600 feet of 24 feet wide roadway from Gage Blvd. to the Water Treatment Plant. Included in the project will be the construction of a 16'x8'x84' Reinforced Box Culvert underneath the roadway to pass a drainageway from the south. The land between Gage Blvd and the Water Treatment Plant will be purchased as a part of this roadway project to provide for this road access and future plant expansion. This roadway will give a second access to the Water Treatment Plant and will be outside of the flood plain. The current and only road into the Water Treatment Plant is in the flood plain and outside the flood wall limiting access to the plant during flood events.

B. ESTIMATED OR PROBABLE COST:

\$447,000.00

C. APPORTIONMENT OF COSTS:

Water Utility Operating Funds and any other lawfully available funds.
