The City will at all times maintain a Paying Agent and Bond Registrar meeting the qualifications herein described for the performance of the duties hereunder. The City reserves the right to appoint a successor Paying Agent or Bond Registrar by (1) filing with the Paying Agent or Bond Registrar then performing such function a certified copy of the proceedings giving notice of the termination of such Paying Agent or Bond Registrar and appointing a successor, and (2) causing notice of appointment of the successor Paying Agent and Bond Registrar to be given by first class mail to each Owner. No resignation or removal of the Paying
Agent or Bond Registrar shall become effective until a successor has been appointed and has
accepted the duties of Paying Agent or Bond Registrar.

Every Paying Agent or Bond Registrar appointed hereunder shall at all times meet the
requirements of K.S.A. 10-501 et seq. and K.S.A. 10-620 et seq., respectively.

Section 204. Method and Place of Payment of the Bonds. The principal of, or
Redemption Price, if any, and interest on the Bonds shall be payable in any coin or currency
which, on the respective dates of payment thereof, is legal tender for the payment of public and
private debts.

The principal or Redemption Price of each Bond shall be paid at Maturity to the Person in
whose name such Bond is registered on the Bond Register at the Maturity thereof, upon presenta-
tion and surrender of such Bond at the principal corporate trust office of the Paying Agent.

The interest payable on each Bond on any Interest Payment Date shall be paid to the
Owner of such Bond as shown on the Bond Register at the close of business on the Record Date
for such interest (a) by check or draft mailed by the Paying Agent to the address of such Owner
shown on the Bond Register or (b) in the case of an interest payment to any Owner of $500,000
or more in aggregate principal amount of Bonds, by electronic transfer to such Owner upon
written notice given to the Bond Registrar by such Owner, not less than 15 days prior to the
Record Date for such interest, containing the electronic transfer instructions including the bank
(which shall be in the continental United States) ABA routing number and account number to
which such Owner wishes to have such transfer directed.

Notwithstanding the foregoing provisions of this Section, any Defaulted Interest with
respect to any Bond shall cease to be payable to the Owner of such Bond on the relevant Record
Date and shall be payable to the Owner in whose name such Bond is registered at the close of
business on the Special Record Date for the payment of such Defaulted Interest, which Special
Record Date shall be fixed as hereinafter specified in this paragraph. The City shall notify the
Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond
and the date of the proposed payment (which date shall be at least 30 days after receipt of such
notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an
amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted
Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the
date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a
Special Record Date for the payment of such Defaulted Interest which shall be not more than 15
nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall
promptly notify the City of such Special Record Date and, in the name and at the expense of the
City, shall cause notice of the proposed payment of such Defaulted Interest and the Special
Record Date therefore to be mailed, by first class mail, postage prepaid, to each Owner of a Bond
entitled to such notice at the address of such Owner as it appears on the Bond Register not less
than 10 days prior to such Special Record Date.

The Paying Agent shall keep a record of payment of principal and Redemption Price of
and interest on all Bonds and at least annually shall forward a copy or summary of such records
to the City.

office of the Bond Registrar as herein provided. Each Bond when issued shall be registered in
the name of the Owner thereof on the Bond Register.
Bonds may be transferred and exchanged only on the Bond Register as provided in this Section. Upon surrender of any Bond at the principal corporate trust office of the Bond Registrar, the Bond Registrar shall transfer or exchange such Bond for a new Bond or Bonds in any authorized denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange.

Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Bond Registrar, duly executed by the Owner thereof or by the Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. The City shall pay the fees and expenses of the Bond Registrar for the registration, transfer and exchange of Bonds provided for by this Resolution and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, are the responsibility of the Owners of the Bonds. In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Owner hereunder or under the Bonds.

The City and the Bond Registrar shall not be required (a) to register the transfer or exchange of any Bond that has been called for redemption after notice of such redemption has been mailed by the Bond Registrar pursuant to Section 303 hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the City of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to Section 204 hereof.

The City and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute Owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Bond Registrar, the Bond Register may be inspected and copied by the Owners of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Bond Registrar.

Section 206. Execution, Registration, Authentication and Delivery of Bonds. Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be executed for and on behalf of the City by the manual or facsimile signature of the Mayor, attested by the manual or facsimile signature of the Clerk and the seal of the City shall be affixed thereto or imprinted thereon. The Mayor and Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner herein specified, and to cause the Bonds to be registered in the office of the Clerk, which registration shall be evidenced by the manual or facsimile signature of the Clerk with the seal of the City affixed thereto or imprinted thereon. The Bonds shall also be registered in the office of the State Treasurer, which registration shall be
evidenced by the manual or facsimile signature of the State Treasurer with the seal of the State
Treasurer affixed thereto or imprinted thereon. In case any officer whose signature appears on
any Bonds ceases to be such officer before the delivery of such Bonds, such signature shall
nevertheless be valid and sufficient for all purposes, as if such person had remained in office
until delivery. Any Bond may be signed by such persons who at the actual time of the execution
of such Bond are the proper officers to sign such Bond although at the date of such Bond such
persons may not have been such officers.

The Bonds shall have endorsed thereon a Certificate of Authentication substantially in the
form attached hereto as Exhibit A hereof, which shall be manually executed by an authorized
officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or
employee sign the Certificate of Authentication on all of the Bonds that may be issued hereunder
at any one time. No Bond shall be entitled to any security or benefit under this Resolution or be
valid or obligatory for any purpose unless and until such Certificate of Authentication has been
duly executed by the Bond Registrar. Such executed Certificate of Authentication upon any
Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered
under this Resolution. Upon authentication, the Bond Registrar shall deliver the Bonds to the
Original Purchaser upon instructions of the City or its representative.

Section 207. Mutilated, Lost, Stolen or Destroyed Bonds. If (a) any mutilated Bond is
surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the
destruction, loss or theft of any Bond, and (b) there is delivered to the City and the Bond
Registrar such security or indemnity as may be required by each of them, then, in the absence of
notice to the City or the Bond Registrar that such Bond has been acquired by a bona fide
purchaser, the City shall execute and, upon the City's request, the Bond Registrar shall
authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or
stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become
due and payable, the City, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the City may require the payment
by the Owner of a sum sufficient to cover any tax or other governmental charge that may be
imposed in relation thereto and any other expenses (including the fees and expenses of the Bond
Registrar) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior
obligation of the City, and shall be entitled to all the benefits of this Resolution equally and
ratably with all other Outstanding Bonds.

Section 208. Cancellation and Destruction of Bonds Upon Payment. All Bonds that
have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either
at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment,
redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance
with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate
in duplicate describing the Bonds so cancelled and destroyed and shall file an executed
counterpart of such certificate with the City.

Section 209. Preliminary and Final Official Statement. The Preliminary Official
Statement dated October 18, 2004, is hereby ratified and approved. For the purpose of enabling

hereby authorized, if requested, to provide the Original Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Original Purchaser to comply with the requirement of such Rule.

The final Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor is hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Original Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the City are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Bonds.

The City agrees to provide to the Original Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the final Official Statement to enable the Original Purchaser to comply with the requirements of Rule 15c2-12(b)(4) of the Securities and Exchange Commission and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 210. Sale of the Bonds. The sale of the Bonds to the Original Purchaser is hereby ratified and confirmed. Delivery of the Bonds shall be made to the Original Purchaser as soon as practicable after the passage of this Resolution, upon payment of the Purchase Price.

Section 211. Book-Entry Bonds; Securities Depository.

(a) The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing its respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in subsection (b) hereof. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the beneficial owners as described in subsection (b).

(b) (1) If the City determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, or (2) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name and authenticate and deliver Replacement Bonds to the beneficial owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (1)(A) or (1)(B) of this subsection (b), the City, with the consent of the Bond Registrar, may select a successor securities depository in accordance with Section 211(c) hereof to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the
Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the City, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with Section 211(c) hereof, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the beneficial owners of the Bonds. The cost of printing, registration, authentication and delivery of Replacement Bonds shall be paid for by the City.

(c) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Bond Registrar and the City receive written evidence with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

(d) The execution and delivery of the Representation Letter to DTC by the Mayor of the City in the form attached hereto as Exhibit B with such changes, omissions, insertions and revisions as the Mayor shall deem advisable, is hereby authorized, and execution of the Representation Letter by the Mayor shall be conclusive evidence of such approval. The Representation Letter shall set forth certain matters with respect to, among other things, notices, consents and approvals by Registered Owners of the Bonds and beneficial Owners and payments on the Bonds. The Paying Agent shall have the same rights with respect to its actions thereunder as it has with respect to its actions under this Resolution.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Optional Redemption by City. The Bonds maturing prior to August 15, 2010, shall become due without the option of prior payment. The Bonds maturing on or after August 15, 2010, may be called for redemption and payment prior to maturity on August 15, 2009, and thereafter in whole or in part on any date (Bonds of less than a single maturity to be selected by lot in multiples of $5,000 principal amount by the Paying Agent and Bond Registrar in such equitable manner as they shall designate), at the redemption price equal to the principal amount thereof with a redemption premium of one percent of the principal amount redeemed, such redemption premium to decline one-quarter of one percent (1/4 of 1%) each Interest Payment Date thereafter, plus accrued interest thereon to the date fixed for redemption and payment.

Section 302. Selection of Bonds to be Redeemed. Bonds shall be redeemed only in the principal amount of $5,000 or any integral multiple thereof. When less than all of the Bonds of the same maturity are to be redeemed and paid prior to their Stated Maturity, the Bonds to be redeemed shall be selected by the Bond Registrar in $5,000 units of principal amount in such equitable manner as the Bond Registrar may determine.
In the case of a partial redemption of Bonds by lot when Bonds of denominations greater
than $5,000 are then Outstanding, then for all purposes in connection with such redemption each
$5,000 of face value shall be treated as though it were a separate Bond of the denomination of
$5,000. If it is determined that one or more, but not all, of the $5,000 units of face value
represented by any Bond is selected for redemption, then upon notice of intention to redeem such
$5,000 unit or units, the Owner or the Owner’s duly authorized agent shall forthwith present and
surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and
interest to the Redemption Date of such $5,000 unit or units of face value called for redemption,
and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the
aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If
the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and
exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption
date to the extent the $5,000 unit or units of face value called for redemption (and to that extent
only).

Section 303. Notice and Effect of Call for Redemption. In the event the City desires
to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided
to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior
to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and
shall give notice of such redemption as herein provided upon receipt by it of the City's written
notice at least 45 days prior to the Redemption Date. If the Bonds are refunded more than 90
days in advance of such Redemption Date, any escrow agreement entered into by the City in
connection with such refunding shall provide that such written instructions to the Paying Agent
shall be given by the escrow agent on behalf of the City not more than 90 days prior to the
Redemption Date. The Paying Agent may in its discretion waive such notice period so long as
the notice requirements set forth in Section 303 are met.

Unless waived by any Owner of Bonds to be redeemed, the Bond Registrar shall give
written notice of the redemption of said Bonds on a specified date, the same being described by
maturity, said notice to be mailed by United States first class mail addressed to the Owners of
said Bonds to be redeemed and to the Original Purchaser of the Bonds, each of said notices to be
mailed not less than 30 days prior to the date fixed for redemption. The City and Bond Registrar
shall also give such additional notice as may be required by Kansas law or regulations of the
Securities and Exchange Commission in effect as of the date of such notice.

All official notices of redemption shall be dated and shall contain the following
information:

(a) the Redemption Date;
(b) the Redemption Price;
(c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
(d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
(e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.
The failure of any Owner to receive notice given as heretofore provided or an immaterial
defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the City shall deposit with the Paying Agent an amount of
money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be
redeemed on such Redemption Date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of
Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption
Price therein specified, and from and after the Redemption Date (unless the City defaults in the
payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest.
Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption
Price shall be payable as herein provided for payment of interest. Upon surrender for any partial
redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same
Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have
been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as
provided herein and shall not be reissued.

The Paying Agent is also directed to comply with any mandatory or voluntary standards
then in effect for processing redemptions of municipal securities established by the State or the
Securities Exchange Commission. Failure to comply with such standards shall not affect or
invalidate the redemption of any Bond.

ARTICLE IV
SECURITY FOR AND PAYMENT OF BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the
City payable as to both principal and interest in part from special assessments levied upon
specially benefited property and, if not so paid, from ad valorem taxes which may be levied
without limitation upon all the taxable tangible property, real and personal, within the territorial
limits of the City. The balance of the principal of and interest on the Bonds is payable from ad
valorem taxes which may be levied without limitation as to rate or amount upon all the taxable
tangible property, real and personal, within the territorial limits of the City. The full faith, credit
and resources of the City are hereby irrevocably pledged for the prompt payment of the principal
of and interest on the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax. The governing body of the City
shall annually make provision for the payment of principal of, redemption premium, if any, and
interest on the Bonds as the same become due by levying and collecting the necessary taxes upon
all of the taxable tangible property within the City in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls in each of the several
years, respectively, and shall be levied and collected at the same time and in the same manner as
the other ad valorem taxes of the City are levied and collected. The proceeds derived from said
taxes shall be deposited in the Principal and Interest Account, shall be kept separate and apart
from all other funds of the City and shall be used solely for the payment of the principal of,
redemption premium, if any, and interest on the Bonds as and when the same become due, taking
into account the fees and expenses of the Bond Registrar and Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the
Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest
out of the general funds of the City and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS
DEPOSIT AND APPLICATION OF MONEYS

Section 501. Establishment of Funds and Accounts. Simultaneously with the issuance of the Bonds, there shall be created within the treasury of the City the following funds and accounts:

(a) In the treasury of the City, the "Project Account";

(b) In the City's Bond and Interest Fund, the "Principal and Interest Account for the City of Topeka, Kansas, General Obligation Bonds, Series 2004-C (the "Principal and Interest Account"); and

(c) Rebate Fund for the City of Topeka, Kansas, General Obligation Bonds, Series 2004-C (the "Rebate Fund").

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Resolution so long as the Bonds are Outstanding.

Section 502. Disposition of Bond Proceeds. The proceeds of the Bonds in the amount of $6,875,000, together with any premium thereon, shall be deposited in the Project Account, upon issuance and delivery thereof.

Section 503. Withdrawals from the Project Account. The Treasurer shall make withdrawals from the Project Account solely for the purpose of paying costs and expenses of the Improvements, and paying the Costs of Issuance for the Bonds. Such withdrawals shall be made only on due authorization by the governing body of the City.

Section 504. Surplus in the Project Account. All moneys remaining in the Project Account after the completion of the Improvements, as determined by the governing body of the City, shall be transferred immediately to the Principal and Interest Account and applied to the next installment of principal due on the series of Bonds from which such surplus moneys remain.

Section 505. Application of Moneys in Principal and Interest Account. All amounts paid and credited to the Principal and Interest Account shall be expended and used by the City for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Bond Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Principal and Interest Account sums sufficient to pay principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Bond Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal or Redemption Price, interest and fees of the Bond Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the City. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys.
Any moneys or investments remaining in the Principal and Interest Account after the retirement of the indebtedness for which the Bonds were issued shall be transferred and paid into the Bond and Interest Fund of the City.

Section 506. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Arbitrage Instructions. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to pay rebatable arbitrage to the United States of America, and neither the City nor the Owner of any Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Arbitrage Instructions.

(b) The City shall periodically determine the rebatable arbitrage, if any, under Section 148(f) of the Code in accordance with the Arbitrage Instructions, and the City shall make payments to the United States of America at the times and in the amounts determined under the Arbitrage Instructions. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any rebatable arbitrage, or provision made therefor, shall be deposited into the Principal and Interest Account of the City.

(c) Notwithstanding any other provision of this Resolution, including in particular Article VII hereof, the obligation to pay rebatable arbitrage to the United States of America and to comply with all other requirements of this Section and the Arbitrage Instructions shall survive the defeasance or payment in full of the Bonds.

(d) The Arbitrage Instructions may be amended or replaced if, in the opinion of Bond Counsel, such amendment or replacement will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Section 507. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be invested in accordance with the requirements of K.S.A. 10-131, as amended. All such investments constituting deposits shall be continuously and adequately secured by the financial institutions holding such deposits as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the City so that there shall be no commingling of such funds with any other funds of the City.

Moneys held in the funds and accounts herein created or established in conjunction with the issuance of the Bonds may be invested by the City in Permitted Investments or in other investments allowed by Kansas law in such amounts and maturing at such times as shall reasonably provide for moneys to be available when required in said accounts or funds; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund or account was created. All interest on any Permitted Investment held in any fund or account (except amounts required to be deposited in the Rebate Fund in accordance with the Arbitrage Instructions) shall accrue to and become a part of such fund or account; provided, however, that interest earned on investments of moneys held in the Project Account may, at the direction of the governing body of the City, be paid and credited to the Principal and Interest Account and used to pay interest on the Bonds. In determining the amount held in any fund or account under the provisions of the Resolution, Permitted Investments shall be valued at their par value or at their then current redemption value, whichever is lower.

Section 508. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have
been made available to the Paying Agent, all liability of the City to the Owner thereof for the
payment of such Bond shall forthwith cease, determine and be completely discharged, and
thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for
interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted
exclusively to such funds for any claim of whatever nature on his part under this Resolution or
on, or with respect to, said Bond. If such funds shall have remained unclaimed for five (5) years
after such principal or interest has become due and payable, such funds shall be paid to the City;
and all liability of the Paying Agent to the Owner thereof for the payment of such Bond shall
forthwith cease, terminate and be completely discharged. The obligations of the Paying Agent
under this Section to pay any such funds to the City shall be subject to any provisions of law
applicable to the Paying Agent or to such funds providing other requirements for disposition of
unclaimed property.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Resolution, including the covenants and
agreements herein contained, shall constitute a contract between the City and the Owners of the
Bonds. Except as hereinafter provided while the Policy is in effect, if an Event of Default occurs
and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the
Bonds at the time Outstanding shall have the right for the equal benefit and protection of all
Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce
the rights of such Owner or Owners against the City and its officers, agents and employees, and
to require and compel duties and obligations required by the provisions of the Resolution or by
the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the City, its
officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things
which may be unlawful or in violation of the rights of the Owners of the Bonds.

Provided, however, the Insurer shall be recognized as the registered Owner of each Bond
which it insures, for the purposes of exercising all rights and privileges available to Bondholders.
For Bonds which it insures, the Insurer shall have the right to institute any suit, action, or
proceeding at law or in equity under the same terms as a bondholder in accordance with this
Article VI of this Resolution. Other than the usual redemption provisions, any acceleration of
principal payments must be subject to the Insurer’s prior written consent. While the Policy is in
effect, the Insurer, acting alone, shall have the right to direct all remedies in the Event of Default.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the
City contained herein and in the Bonds shall be for the equal benefit, protection, and security of
the Owners of any or all of the Bonds, all of which Bonds shall be equal rank and without
preference or priority of one Bond over any other Bond in the application of the funds herein
pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as
to rate of interest, date of maturity and right of prior redemption as provided in this Resolution.
No one or more Owners secured hereby shall have any right in any manner whatever by its
action to affect, disturb or prejudice the security granted and provided for herein, or to enforce
any right hereunder, except in the manner herein provided, and all proceedings at law or in
equity shall be instituted, had and maintained for the equal benefit of all Owners of Outstanding
Bonds.
Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the City and the Owners of the Outstanding Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 604. Bond Insurance.

a. In the event that, on the second Business Day, and again on the Business Day, prior to the payment date on the Bonds, the Paying Agent has not received sufficient moneys to pay all principal of and interest on the Bonds due on the second following or following, as the case may be, Business Day, the Paying Agent shall immediately notify the Insurer or its designee on the same Business Day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency.

b. If the deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent shall so notify the Insurer or its designee.

c. In addition, if the Paying Agent has notice that any Owner has been required to disgorge payments of principal or interest on the Bonds to a trustee in Bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Owner within the meaning of any applicable bankruptcy laws, then the Paying Agent shall notify the Insurer or its designee of such fact by telephone or telegraphic notice, confirmed in writing by registered or certified mail.

d. The Paying Agent is hereby irrevocably designated, appointed, directed and authorized to act as attorney-in-fact for Owners of the Bonds as follows:

1. If and to the extent there is a deficiency in amounts required to pay interest on the Bonds, the Paying Agent shall (a) execute and deliver to U.S. Bank Trust National Association, or its successors under the Policy (the "Insurance Paying Agent"), in form satisfactory to the Insurance Paying Agent, an instrument appointing the Insurer as agent for such Owners in any legal proceeding related to the payment of such interest and an assignment to the Insurer of the claims for interest to which such deficiency relates and which are paid by the Insurer, (b) receive as designee of the respective Owners (and not as Paying Agent) in accordance with the tenor of the Policy payment from the Insurance Paying Agent with respect to the claims for interest so assigned, and (c) disburse the same to such respective Owners; and

2. If and to the extent of a deficiency in amounts required to pay principal of the Bonds, the Paying Agent shall (a) execute and deliver to the Insurance Paying Agent in form satisfactory to the Insurance Paying Agent an instrument appointing the Insurer as agent for such Owner in any legal proceeding relating to the payment of such principal and an assignment to the Insurer of any of the Bond surrendered to the Insurance Paying
Agent of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Paying Agent and available for such payment (but such assignment shall be delivered only if payment from the Insurance Paying Agent is received), (b) receive as designee of the respective Owners (and not as Paying Agent) in accordance with the tenor of the Policy payment therefor from the Insurance Paying Agent, and (c) disburse the same to such Owners.

e. Payments with respect to claims for interest on and principal of Bonds disbursed by the Paying Agent from proceeds of the Policy shall not be considered to discharge the obligation of the City with respect to such Bonds, and the Insurer shall become the owner of such unpaid Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.

f. Irrespective of whether any such assignment is executed and delivered, the City and the Paying Agent hereby agree for the benefit of the Insurer that:

1. They recognize that to the extent the Insurer makes payments, directly or indirectly (as by paying through the Paying Agent), on account of principal of or interest on the Bonds, the Insurer will be subrogated to the rights of such Owners to receive the amount of such principal and interest from the City, with interest thereon as provided and solely from the sources stated in this Resolution and the Bonds; and

2. They will accordingly pay to the Insurer the amount of such principal and interest (including principal and interest recovered under subparagraph (ii) of the first paragraph of the Policy, which principal and interest shall be deemed past due and not to have been paid), with interest thereon as provided in this Resolution and the Bond, but only from the sources and in the manner provided herein for the payment of principal of and interest on the Bonds to Owners, and will otherwise treat the Insurer as the owner of such rights to the amount of such principal and interest.

g. In connection with the issuance of additional Bonds, the City shall deliver to the Insurer a copy of the disclosure document, if any, circulated with respect to such additional Bonds.

h. Copies of any amendments made to the documents executed in connection with the issuance of the Bonds which are consented to by the Insurer shall be sent to Standard & Poor’s Corporation.

i. The Insurer shall receive notice of the resignation or removal of the Paying Agent and the appointment of a successor thereto.

j. The Insurer shall receive copies of all notices required to be delivered to Owners and, on an annual basis, copies of the City’s audited financial statements and Annual Budget.

Notices: Any notice that is required to be given to a holder of the Bond or to the Paying Agent pursuant to the Resolution shall also be provided to the Insurer. All notices required to be given to the Insurer under the Resolution shall be in writing and shall be sent by registered or certified mail addressed to MBIA Insurance Corporation, 113 King Street, Armonk, New York 10504 Attention: Surveillance.

k. The City agrees to reimburse the Insurer immediately and unconditionally upon demand, to the extent permitted by law, for all reasonable expenses, including attorneys’ fees and expenses, incurred by the Insurer in connection with (i) the enforcement by the Insurer of the City’s obligations, or the preservation or defense of any rights of the Insurer, under this Resolution and any other document executed in connection with the issuance of the Bonds, and (ii) any consent, amendment, waiver or other action with respect to the Resolution or any related document, whether or not granted or approved, together with interest on all such expenses from and including the date incurred to the date of payment at Citibank’s Prime Rate plus 3% or the maximum interest rate permitted bylaw, whichever, is less. In addition, the Insurer reserves the
right to charge a fee in connection with its review of any such consent, amendment or waiver, whether or not granted or approved.

1. The City agrees not to use the Insurer’s name in any public document including, without limitation, a press release or presentation, announcement or forum without the Insurer’s prior consent; provided however, such prohibition on the use of the Insurer’s name shall not relate to the use of the Insurer’s standard approved form of disclosure in public documents issued in connection with the current Bonds to be issued in accordance with the terms of the Commitment; and provided further such prohibition shall not apply to the use of the Insurer’s name in order to comply with public notice, public meeting or public reporting requirements.

m. The City shall not enter into any agreement nor shall it consent to or participate in any arrangement pursuant to which Bonds are tendered or purchased for any purpose other than the redemption and cancellation or legal defeasance of such Bonds without the prior written consent of MBIA.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Resolution and the pledge of the City's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds are to be redeemed prior to their Stated Maturity, (1) the City has elected to redeem such Bonds, and (2) either notice of such redemption has been given, or the City has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with Section 303 of this Resolution. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the City, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Resolution.

ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants.

(a) The City covenants and agrees that (1) it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds and (2) it will not use or permit the use of any Bond proceeds or any other funds of the City in a manner
which would adversely affect the exclusion from gross income of the interest on the bonds, and
(3) will not take or permit any other action, or fail to take any action, if any such action or failure
to take action would adversely affect the exclusion from gross income of the interest on the
Bonds. The City will, in addition, adopt such other ordinances or resolutions and take such other
actions as may be necessary to comply with the Code and with all other applicable future laws,
regulations, published rulings and judicial decisions, in order to ensure that the interest on the
Bonds will remain excluded from federal gross income, to the extent any such actions can be
taken by the City.

(b) The City covenants and agrees that (1) it will use the proceeds of the Bonds as
soon as practicable and with all reasonable dispatch for the purposes for which the Bonds are
issued, and (2) it will not invest or directly or indirectly use or permit the use of any proceeds of
the Bonds or any other funds of the City in any manner, and will not take or omit to take any
action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148(a)
of the Code.

(c) The City covenants and agrees that it will not use any portion of the proceeds of
the Bonds, including any investment income earned on such proceeds, directly or indirectly, in a
manner that would cause any Bond to be a "private activity bond" within the meaning of Section
141(a) of the Code.

Section 802. Rebate Covenant. The City covenants and agrees that it will pay, or
provide for the payment of, from time to time all amounts required to be rebated to the United
States pursuant to Section 148(f) of the Code and the Arbitrage Instructions. This covenant shall
survive payment in full or defeasance of the Bonds. The Arbitrage Instructions may be amended
or replaced if, in the opinion of Bond Counsel such amendment or replacement will not
adversely affect the exclusion from gross income for federal income tax purposes of interest on
the Bonds.

Section 803. Survival of Covenants. The covenants contained in this Article shall
remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to Article
VII hereof or any other provision of this Resolution until the final maturity date of all Bonds
Outstanding.

Section 804. Qualified Tax-exempt Obligations. The Bonds are not designated as
"qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code.

ARTICLE IX
CONTINUING DISCLOSURE REQUIREMENTS

Section 901. Disclosure Requirements. The City hereby covenants with the Original
Purchaser and the Beneficial Owners (as defined in the Disclosure Certificate) to provide and
disseminate such information as is required by Rule 15c2-12 (as defined in the Disclosure
Certificate) and is further set forth in the Disclosure Certificate. Such covenant shall be for the
benefit of and enforceable by the Original Purchaser and such Beneficial Owners.

Section 902. Failure to Comply with Continuing Disclosure Requirements. In the
event the City fails to comply in a timely manner with its covenants contained in the preceding
section, the Original Purchaser and/or any such Beneficial Owner may make demand for such
compliance by written notice to the City. In the event the City does not remedy such
noncompliance within 10 days of receipt of such written notice, the Original Purchaser or any
such Beneficial Owner may in its discretion, without notice or demand, proceed to enforce
compliance by a suit or suits in equity for the specific performance of such covenant or
agreement contained in the preceding section or for the enforcement of any other appropriate
legal or equitable remedy as the Original Purchaser and/or any such Beneficial Owner shall deem
effectual to protect and enforce any of the duties of the City under such preceding section.

ARTICLE X
MISCELLANEOUS PROVISIONS

Section 1001. Annual Audit. Annually, promptly after the end of the Fiscal Year, the
City will cause an audit to be made of its funds and accounts for the preceding Fiscal Year by a
certified public accountant or firm of certified public accountants.

Within 30 days after the completion of each such audit, a copy thereof shall be filed in
the office of the Clerk, and a duplicate copy of the audit shall be mailed to the Original Purchas-
er. Such audit shall at all times during the usual business hours of the City be open to the
examination and inspection by any taxpayer, any Owner of the Bonds or by anyone acting for or
on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and
mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or
prospective Owner.

As soon as possible after the completion of the annual audit, the governing body of the
City shall review such audit, and if the audit discloses that proper provision has not been made
for all of the requirements of this Resolution, the City shall promptly cure such deficiency.

Section 1002. Amendments. The rights and duties of the City and the Owners, and the
terms and provisions of the Bonds or of this Resolution, may be amended or modified at any
time in any respect by resolution of the City with the written consent of both the Owners of not
less than a majority in principal amount of the Bonds then Outstanding and the Insurer, such
consent to be evidenced by an instrument or instruments executed by such parties and duly ac-
knowledged or proved in the manner of a deed to be recorded, and such instrument or
instruments shall be filed with the Clerk, but no such modification or alteration shall:

(a) extend the maturity of any payment of principal or interest due upon any Bond;

(b) effect a reduction in the amount which the City is required to pay as principal of
or interest on any Bond;

(c) permit preference or priority of any Bond over any other Bond; or

(d) reduce the percentage in principal amount of Bonds required for the written
consent to any modification or alteration of the provisions of this Resolution.

Any provision of the Bonds or of this Resolution may, however, be amended or modified
by resolution duly adopted by the governing body of the City at any time in any legal respect
with the written consent of both the Owners of all of the Bonds at the time Outstanding and the
Insurer.

With notice to the Insurer, the City may amend or supplement this Resolution without the
consent of either the Owners or the Insurer for the purpose of curing any formal defect, omission,
inconsistency or ambiguity therein or in connection with any other change therein which is not
materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Bonds or of this Resolution, to
which the written consent of the Owners and Insurer is given, as above provided, shall be
expressed in a resolution adopted by the governing body of the City amending or supplementing the provisions of this Resolution and shall be deemed to be a part of this Resolution. A certified copy of every such amendatory or supplemental resolution, if any, and a certified copy of this Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Bond, the Insurer or a prospective purchaser or owner of any Bond authorized by this Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Resolution will be sent by the Clerk to any such Owner or prospective Owner. A copy of every amendatory or supplemental resolution shall be sent to both the Insurer and Standard & Poor’s

Any and all modifications made in the manner hereinafter provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the City hereinafter provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Bonds then Outstanding and the Insurer. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The City shall furnish to the Bond Registrar and to the Paying Agent a copy of any amendment to the Bonds or this Resolution which affects the duties or obligations of the Bond Registrar or the Paying Agent under this Resolution.

Section 1003. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Resolution, and shall be conclusive in favor of the City, the Bond Registrar and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to make acknowledgements within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Resolution, Bonds owned by the City shall be disregarded and deemed not to be Outstanding under this Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's rights so to act with respect to such Bonds and that the pledgee is not the City.

Section 1004. Further Authority. The officers and officials of the City, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be con-
exclusive evidence of such necessity or advisability; provided, that the Insurer's consent shall have
been obtained prior to the issuance of any additional bonds and/or the execution of any such
supplemental legal document.

Section 1005. Severability. If any section or other part of this Resolution is for any
reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of
this Resolution.

Section 1006. Governing Law. This Resolution shall be governed exclusively by and
construed in accordance with the applicable laws of the State.

Section 1007. Effective Date. This Resolution shall take effect and be in full force from
and after its passage by the Council of the City.

FURTHER TERMS AND PROVISIONS

This Bond is one of a duly authorized series of Bonds of the City aggregating the
principal amount of $6,875,000 (the "Bonds") issued for the purposes set forth in Ordinance No.
18332 of the City (the "Ordinance"). This Bond and the series of Bonds of which it is a part are
issued by the authority of and in full compliance with the provisions, restrictions and limitations
of the Constitution and Laws of the State of Kansas, including the home rule authority granted to
the cities of the State of Kansas by Section 5 of Article 12 of the Kansas Constitution, K.S.A. 10-
101 to 125, inclusive, as amended, K.S.A. 12-685 et seq., K.S.A. 12-6a01 et seq., Charter
Ordinances Nos. 68 and 89 of the City, and all amendments thereof, acts supplemental thereto,
the Ordinance, Resolution No. 7540 of the City (the "Resolution") and all other provisions of the
laws of the State of Kansas applicable thereto.
The Bonds are issuable in fully registered form in the denomination of $5,000 each or authorized integral multiples thereof. This Bond may be exchanged at the principal office of the Bond Registrar for a like aggregate principal amount of Bonds of the same maturity of other authorized denominations upon the terms set forth in the authorizing Ordinance and the Resolution.

At the option of the City, the Bonds maturing on or after August 15, 2010, may be called for redemption and payment prior to maturity on August 15, 2009, and thereafter in whole or in part on any date (Bonds of less than a single maturity to be selected by lot in multiples of $5,000 principal amount by the Paying Agent and Bond Registrar in such equitable manner as they shall designate), at the redemption price equal to the principal amount thereof with a premium of one percent of the principal amount redeemed, such premium to decline one-quarter of one percent (1/4 of 1%) each interest payment date thereafter, plus accrued interest thereon to the date fixed for redemption and payment.

Bonds will be redeemed in integral multiples of $5,000. If less than all Bonds are called for redemption, the Bond Registrar will, in the case of Bonds in denominations greater than $5,000, treat each $5,000 of face value as though it were a separate Bond.

In the event of any such redemption, the Paying Agent shall give notice of such call by mailing a copy of the redemption notice by first class mail, postage prepaid, not less than thirty (30) days prior to the date of such redemption to the Owner of each Bond to be redeemed at the address shown on the registration books maintained by the Bond Registrar. Failure to give such notice by mailing to the Owner of any Bond, or any defect therein, shall not affect the validity of any proceedings for the redemption of other Bonds. Any notice mailed as provided herein shall be conclusively presumed to have been duly given, whether or not the Owner of such Bonds received the notice.

The City and the Bond Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal hereof, or redemption price hereof and interest due hereon and for all other purposes.

The Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Ordinance. One Bond certificate with respect to each date on which the Bonds are stated to mature or with respect to each form of Bonds, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody. The book-entry system will evidence positions held in the Bonds by the Securities Depository's participants, beneficial ownership of the Bonds in authorized denominations being evidenced in the records of such participants. Transfers of ownership shall be effected on the records of the Securities Depository and its participants pursuant to rules and procedures established by the Securities Depository and its participants. The City and the Paying Agent will recognize the Securities Depository nominee, while the registered owner of the Bond, as the owner of this Bond for all purposes, including (i) payments of principal of, and redemption premium, if any, and interest on, this Bond, (ii) notices and (iii) voting. Transfer of principal, interest and any redemption premium payments to participants of the Securities Depository, and transfer of principal, interest and any redemption premium payments to beneficial owners of the Bonds by participants of the Securities Depository will be the responsibility of such participants and other nominees of such beneficial owners. The City and the Paying Agent will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its participants or persons acting through such participants. While the Securities Depository nominee is the owner of this Bond, notwithstanding the provision hereinabove contained, payments of principal of,
redemption premium, if any, and interest on this Bond shall be made in accordance with existing
arrangements among the city, the Paying Agent and the Securities Depository.

This Bond is transferable by the Owner hereof in person or by his attorney duly
authorized in writing at the principal office of the Bond Registrar, but only in the manner, subject
to the limitations and upon payment of the charges provided in the Resolution, and upon
surrender and cancellation of this Bond. The City shall pay out of the proceeds of the Bonds or
from other funds all costs incurred in connection with the issuance, transfer, exchange,
registration, redemption or payment of the Bonds except (a) the reasonable fees and expenses in
connection with the replacement of a Bond or Bonds mutilated, stolen, lost or destroyed or (b)
any tax or other governmental charge imposed in relation to the transfer, exchange, registration,
redemption or payment of the Bonds. Upon such transfer a replacement Bond or Bonds of
authorized denominations of the same maturity and for the same aggregate principal amount will
be issued to the transferee in exchange therefore.

DTCC
The Depository Trust & Clearing Corporation
1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds $500 million, one certificate will be issued with respect to each $500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity
of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as if the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC nor its nominee, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarking] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant’s interest in the Securities, on DTC’s records, to [Tender/Remarking] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC’s records and followed by a book-entry credit of tendered Securities to [Tender/Remarking] Agent’s DTC account.

10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.
