

RESOLUTION NO. 7675

A RESOLUTION introduced by Councilmember Brett Blackburn relating to the sale of City property located at 10434 SW 61st Street, commonly known as the Zoo Conservation Propagation Farm.

WHEREAS, the City would like to dispose of property located at 10434 SW 61st Street, more commonly known as the Zoo Conservation Propagation Farm. The sale of the property would be expedited by the City's hiring of a professional auctioneer as opposed to selling the property by other means. The City would also avoid restrictions or warranties on the property if the property is sold "as is" to the highest bidder.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Topeka that pursuant to City of Topeka Code Section 2-457, the City Manager is hereby directed and authorized to dispose of the property located at 10434 SW 61st Street, more commonly known as the Zoo Conservation Propagation Farm, by public auction to be conducted by a retained professional auctioneer.

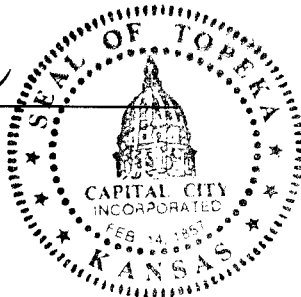

Be it further resolved that the previous communication concerning this matter, as adopted at the June 21, 2005 City Council meeting, is hereby specifically repealed.
