RESOLUTION NO. 7832

A RESOLUTION introduced by City Manager Norton N. Bonaparte, Jr., describing and authorizing Enterprise Resource Planning (ERP) Improvement Project No. 170336, which provides for the acquisition, installation, and implementation of an enterprise-wide financial, human resources, and payroll system, as more specifically described herein, and specifically authorizing the expenditure of general improvement fund monies therefor.

BE IT RESOLVED by the Council of the City of Topeka, Kansas, that it finds the following described public improvement project to be necessary and in the public interest and does hereby authorize Enterprise Resource Planning (ERP) Improvement Project No. 170336, with a project budget summarized herein and more fully set forth on the attachment hereto:

A. GENERAL NATURE OF IMPROVEMENT:

This project provides for the acquisition, installation, and implementation of a comprehensive solution for capturing and reporting on financial, human resources, payroll, capital asset, grants, cash, and accounting transactions of the City of Topeka, to ensure enhanced efficiency and accuracy in processing, accounting for, and reporting on City operations and projects.

B. ESTIMATED OR PROBABLE COST:

$2,500,000.00 (two million, five hundred thousand dollars)

C. APPORTIONMENT OF COSTS:

General Improvement Funds and any other lawfully available funds.

BE IT FURTHER RESOLVED, that it hereby authorizes the expenditure of an amount not to exceed two million five hundred thousand dollars ($2,500,000.00) from the general improvements fund to acquire, install, and implement said ERP system.
ADOPTED and APPROVED by the City Council July 25, 2006.
