RESOLUTION NO. 7839

A RESOLUTION introduced by Councilmembers John Alcala and Lana Kennedy concerning the public’s access to City services during the lunch period.

WHEREAS, the citizens of Topeka deserve the best customer service City government can provide. To that end, it is reasonable to expect City offices to remain open during the lunch period each regular business day so that citizens can conduct City business at a time that is convenient to them.

NOW THEREFORE BE IT RESOLVED by the Council of the City of Topeka that it requests the City Manager to keep all City offices open to the public during the lunch period each regular business day so that citizens may conduct City business during that time. This request does not pertain to the occasion when staffing is reduced to one employee due to illness or vacation.

ADOPTED and APPROVED by City Council August 1, 2006.
