The City and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute Owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.
At reasonable times and under reasonable regulations established by the Bond Registrar, the Bond Register may be inspected and copied by the Owners of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Bond Registrar.

Section 206. Execution, Registration, Authentication and Delivery of Bonds.
Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be executed for and on behalf of the City by the manual or facsimile signature of the Mayor, attested by the manual or facsimile signature of the Clerk and the seal of the City shall be affixed thereto or imprinted thereon. The Mayor and Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner herein specified, and to cause the Bonds to be registered in the office of the Clerk, which registration shall be evidenced by the manual or facsimile signature of the Clerk with the seal of the City affixed thereto or imprinted thereon. The Bonds shall also be registered in the office of the State Treasurer, which registration shall be evidenced by the manual or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon. In case any officer whose signature appears on any Bonds ceases to be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form attached hereto as Exhibit A hereof, which shall be manually executed by an authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the Certificate of Authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Resolution or be valid or obligatory for any purpose unless and until such Certificate of Authentication has been duly executed by the Bond Registrar. Such executed Certificate of Authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Resolution. Upon authentication, the Bond Registrar shall deliver the Bonds to the Purchaser upon instructions of the City or its representative.

Section 207. Mutilated, Lost, Stolen or Destroyed Bonds. If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the City and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the City or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the City shall execute and, upon the City's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.
If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the City may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the City, and shall be entitled to all the benefits of this Resolution equally and ratably with all other Outstanding Bonds.

Section 208. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the City.

Section 209. Preliminary and Final Official Statement. The Preliminary Official Statement dated June 11, 2007, is hereby ratified and approved. For the purpose of enabling the Original Purchaser to comply with the requirements of Rule 15c2-12(b)(1) of the Securities and Exchange Commission, the City hereby deems the information regarding the City contained in the Preliminary Official Statement to be "final" as of its date, except for the omission of such information as is permitted by Rule 15c2-12(b)(1), and the appropriate officers of the City are hereby authorized, if requested, to provide the Original Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Original Purchaser to comply with the requirement of such Rule.

The final Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor is hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Original Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the City are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Bonds.

The City agrees to provide to the Original Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the final Official Statement to enable the Original Purchaser to comply with the requirements of Rule 15c2-12(b)(4) of the Securities
Section 210. Sale of the Bonds. The sale of the Bonds to the Original Purchaser is hereby ratified and confirmed. Delivery of the Bonds shall be made to the Original Purchaser as soon as practicable after the passage of this Resolution, upon payment of the Purchase Price.

Section 211. Book-Entry Bonds; Securities Depository.

(a) The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing its respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in subsection (b) hereof. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, redemption premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the beneficial owners as described in subsection (b).

(b) (1) If the City determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, or (2) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name and authenticate and deliver Replacement Bonds to the beneficial owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (1)(A) or (1)(B) of this subsection (b), the City, with the consent of the Bond Registrar, may select a successor securities depository in accordance with Section 211(c) hereof to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the City, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with Section 211(c) hereof, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as
provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the beneficial owners of the Bonds. The cost of printing, registration, authentication and delivery of Replacement Bonds shall be paid for by the City.

(c) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Bond Registrar and the City receive written evidence with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

(d) The execution and delivery of the Representation Letter to DTC by the Mayor of the City in the form attached hereto as Exhibit B with such changes, omissions, insertions and revisions as the Mayor shall deem advisable, is hereby authorized, and execution of the Representation Letter by the Mayor shall be conclusive evidence of such approval. The Representation Letter shall set forth certain matters with respect to, among other things, notices, consents and approvals by Registered Owners of the Bonds and Beneficial Owners and payments on the Bonds. The Paying Agent shall have the same rights with respect to its actions thereunder as it has with respect to its actions under this Resolution.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Optional and Mandatory Redemption by City.

(a) Optional Redemption. The Bonds maturing prior to August 1, 2016, shall become due without the option of prior payment. The Bonds or portions thereof either maturing or subject to mandatory redemption and payment on or after August 1, 2016, may be called for redemption and payment prior to maturity on August 1, 2015, and thereafter in whole or in part on any date (Bonds of less than a single maturity to be selected by lot in multiples of $5,000 principal amount by the Paying Agent and Bond Registrar in such equitable manner as they shall designate), at the redemption price equal to 100% of the principal amount thereof, plus accrued interest thereon, if any, to the date fixed for redemption and payment.

(b) Mandatory Redemption. The Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements of this Section at a Redemption Price equal to 100% of the principal amount
thereof plus accrued interest to the Redemption Date. The City shall redeem on August 1 in each year the following principal amounts of such Term Bonds:

(leaving $315,000 to mature August 1, 2025)

At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the City may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Owner thereof, whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the City under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection (b)) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection (b). Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the City to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity in chronological order, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the City intends to
exercise any option granted by the provisions of clauses (1), (2) or (3) above, the City will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.

**Section 302. Selection of Bonds to be Redeemed.** Bonds shall be redeemed only in the principal amount of $5,000 or any integral multiple thereof. When less than all of the Bonds of the same maturity are to be redeemed and paid prior to their Stated Maturity, the Bonds to be redeemed shall be selected by the Bond Registrar in $5,000 units of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then Outstanding, then for all purposes in connection with such redemption each $5,000 of face value shall be treated as though it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem such $5,000 unit or units, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of such $5,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of the $5,000 unit or units of face value called for redemption (and to that extent only).

**Section 303. Notice and Effect of Call for Redemption.** In the event the City desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by it of the City's written notice at least 45 days prior to the Redemption Date. If the Bonds are refunded more than 90 days in advance of such Redemption Date, any escrow agreement entered into by the City in connection with such refunding shall provide that such written instructions to the Paying Agent shall be given by the escrow agent on behalf of the City not more than 90 days prior to the Redemption Date. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in **Section 303** are met.

Unless waived by any Owner of Bonds to be redeemed, the Bond Registrar shall give written notice of the redemption of said Bonds on a specified date, the same being described by maturity, said notice to be mailed by United States first class mail addressed to the Owners of said Bonds to be redeemed and to the Original Purchaser of the Bonds, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. The City and Bond Registrar shall also give such additional notice as may be required by Kansas
law or regulations of the Securities and Exchange Commission in effect as of the date of
such notice.

All official notices of redemption shall be dated and shall contain the following
information:

(a) the Redemption Date;

(b) the Redemption Price;

(c) if less than all Outstanding Bonds are to be redeemed, the identification
(and, in the case of partial redemption of any Bonds, the respective principal amounts) of
the Bonds to be redeemed;

(d) a statement that on the Redemption Date the Redemption Price will become
due and payable upon each such Bond or portion thereof called for redemption and that
interest thereon shall cease to accrue from and after the Redemption Date; and

(e) the place where such Bonds are to be surrendered for payment of the
Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an
immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the City shall deposit with the Paying Agent
Defeasance Obligations sufficient to pay the Redemption Price of all the Bonds or portions
of Bonds that are to be redeemed on such Redemption Date.

Official notice of redemption having been given as aforesaid, the Bonds or portions
of Bonds to be redeemed shall become due and payable on the Redemption Date at the
Redemption Price therein specified and, from and after the Redemption Date (unless the
City defaults in the payment of the Redemption Price), such Bonds or portion of Bonds shall
cease to bear interest. Upon surrender of such Bonds for redemption in accordance with
such notice, the Redemption Date shall be payable as herein provided for payment of
interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for
the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid
principal as provided herein. All Bonds that have been surrendered for redemption shall be
cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

The Paying Agent is also directed to comply with any mandatory or voluntary
standards then in effect for processing redemptions of municipal securities established by
the State or the Securities Exchange Commission. Failure to comply with such standards
shall not affect or invalidate the redemption of any Bond.
ARTICLE IV

SECURITY FOR AND PAYMENT OF BONDS

Section 401. Security for the Bonds. The principal and interest on the Bonds shall be payable solely from the Net Revenues derived by the City from the rates, fees and charges collected by the City from the operation of the Combined Utility, including all improvements, extensions and enlargements thereto hereafter constructed or acquired by the City and not paid for from any other fund or source. The Bonds shall constitute a lien upon the revenues produced from the operations of the City’s Combined Utility. The Bonds and the interest thereon are payable solely from revenues derived from the rates, fees or charges collected by the City from the operation of the City’s Combined Utility and not from any other funds or sources. The Bonds will not constitute a general obligation of the City, and no taxes can be levied by the City to pay either principal or interest thereon.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS

DEPOSIT AND APPLICATION OF MONEYS

Section 501. Ratification; Establishment of Funds and Accounts. The City hereby covenants and agrees that so long as the Bonds remain outstanding and unpaid, all of the revenues derived by the City from the operation of the Combined Utility, including all revenues from all improvements, extensions and enlargements of the System hereinafter constructed or acquired by the City, shall be paid to the Treasurer of the City and deposited in the City’s Water, Water Pollution Control and Stormwater Utility Revenue Fund (the “Revenue Fund”) heretofore established in the treasury of the City and said Revenue Fund shall only be used to pay the Expenses of the Combined Utility and to pay the principal of and the interest on the Bonds and any prior revenue or general obligation bonds or outstanding and unpaid, as provided by law.

The following funds and accounts presently existing in the treasury of the City are hereby ratified and affirmed:

(a) Water, Water Pollution Control, and Stormwater Utility Revenue Fund (the "Revenue Fund"); and

(b) Water, Water Pollution Control and Stormwater Utility Construction Fund (the “Construction Fund”); and

(c) Water, Water Pollution Control and Stormwater Utility Renewal and Replacement Account (the “Renewal and Replacement Account”).
Contemporaneous with the issuance of the Bonds, there are hereby created and ordered to be established in the treasury of the City the following additional funds and accounts:

(a) Principal and Interest Account for Combined Utility Improvement Revenue Bonds, Series 2007-C (the "Principal and Interest Account"); and

(b) Reserve Account for Combined Utility Improvement Revenue Bonds, Series 2007-C (the “Bond Reserve Account”).

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Resolution so long as the Bonds are Outstanding.

Section 502. Disposition of Bond Proceeds.

(a) Accrued interest, if any, on the Bonds will be deposited into the Series 2007-C Principal and Interest Account established and created in Section 501 of this Resolution;

(b) $2,059,448.88 of the proceeds of the Bonds shall be deposited in the Construction Fund to pay both the costs of the Improvements and the costs, fees and expenses incurred in connection with the issuance of the Bonds not including the bond insurance premium in the amount of $9,767.98 which is paid upon and as a closing condition; and

(c) $45,145.94 of the proceeds of the Bonds shall be deposited in the Bond Reserve Account established and created in Section 501 of this Resolution.

Section 503. Application of Moneys in the Construction Fund. That moneys in the Construction Fund shall be used by the City for the sole purpose of paying the cost of improving the System as hereinbefore provided, in accordance with the plans and specifications therefore, heretofore approved by the City Engineer and on file in the office of the City Clerk, including any alterations in or amendments to said plans and specifications approved by the City Engineer, and for paying the costs and expenses incidental to the issuance of the Bonds.

Withdrawals of bond proceeds from the Construction Fund shall be made only when authorized by executed warrants therefore accompanied by a certificate executed by the Director of Public Works of the City that such payment is being made for a purpose within the scope of this Resolution and that the amount of such payment represents only the contract price of the property, equipment, labor, materials or service being paid for, or if such payment is not being made pursuant to an express contract, that such payment is not in excess of the reasonable value thereof. Nothing hereinbefore contained shall prevent the payment out of the Construction Fund of all costs and expenses incidental to the issuance of the Bonds without a certificate from the Director of Public Works of the City.
Upon completion of the extensions, enlargements and improvements to the System as hereinbefore provided, any surplus remaining in the Construction Fund shall be deposited in the Revenue Fund.

Section 504. Application of Moneys in other Funds and Accounts. Gross Revenues shall be deposited in the Revenue Fund. The City shall pay from the Revenue Fund the Expenses of the Combined Utility and keeping the same in good repair and working order. After paying and providing for the payment of the Expenses, the City further covenants and agrees that it will allocate, pay and credit the Net Revenues at the time in the Revenue Fund as follows in such amounts so at all times the City will have sufficient money to meet and pay the requirements of the Principal and Interest Account, Bond Reserve Account and any other obligations of the Combined Utility on a parity with the Bonds.

(a) There shall first be paid and credited to the Principal and Interest Account, accrued interest, if any, received by the City upon delivery of the Bonds, respectively, and to the extent necessary to meet at the maturity thereof the interest on and the principal of the Bonds the following amounts:

(1) Beginning on or before August 1, 2007, and continuing on the first day of each month thereafter an equal pro rata portion of the interest that will become due on the Bonds on February 1, 2008; and beginning on March 1, 2008, and continuing on the first day of each month thereafter an equal pro rata portion of the interest that will become due on the Bonds on the next succeeding Interest Payment Date.

(2) Beginning on August 1, 2007, and continuing on the first day of each month thereafter an equal pro rata portion of the principal of the Bonds that will become due on August 1, 2008, and continuing on the first day of each month thereafter an equal pro rata portion of the principal amount of the Bonds that will become due on the next succeeding principal payment or mandatory redemption date of the Bonds.

All amounts paid and credited to the Principal and Interest Account shall be used and expended by the City for the sole purpose of paying the interest on and principal of the Bonds as and when the same become due and to pay related fees of the Paying Agent.

(b) Monies held in the Bond Reserve Account shall be used solely to prevent any default in the payment of the principal of or interest on the Bonds if at any time the monies in the Principal and Interest Account are insufficient to pay the principal of and/or interest on the Bonds. Unless all of the Bonds outstanding at any given time are called for redemption and payment or are refunded as is provided in this Resolution, no part of the Bond Reserve Account shall ever be used or expended by the City to call and redeem, in part, said Bonds for payment prior to their ultimate maturity. So long as the monies and investments in the Bond Reserve Account shall aggregate not less than the Bond Reserve Requirement no payments into said account shall be required, but if at any time the City shall be compelled to use and expend any part of said Bond Reserve Account for any purpose and/or the amount in said account shall be less than the Bond Reserve Requirement, then the City, after making all payments and credits at the time required to be made by it
under the provisions of this Resolution, will make monthly payments or credits to
the Bond Reserve Account in such amounts as are sufficient to replenish the
account to its required balance within eighteen (18) months of the shortfall therein.

(c) After making all payments and credits from the Revenue Fund at the time required
to be made under provisions of paragraphs (a) through (c) of this Section, all
remaining monies in the Revenue Fund which shall not be required for the
operation and maintenance of the System for the ensuing forty-five (45) day period
shall be deposited into the Renewal and Replacement Account and may be used by
the City for any one or more of the following purposes as determined by both the
Director of Public Works and the Director of Financial Services of the City:
(1) to pay the cost of extraordinary repairs and maintenance of the System;
(2) for capital improvements to the System; and
(3) to pay Expenses of the Combined Utility if sufficient funds are not available
in the Revenue Fund.

Section 505. Deposits and Investment of Moneys. Moneys in each of the Funds
and Accounts shall be deposited in accordance with the requirements of K.S.A. 10-131, as
amended. All such deposits shall be continuously and adequately secured by the financial
institutions holding such deposits as provided by the laws of the State. All moneys held in
the Funds and Accounts shall be kept separate and apart from all other funds of the City so
that there shall be no commingling of such funds with any other funds of the City.

Moneys held in the funds and accounts herein created or established in conjunction
with the issuance of the Bonds may be invested by the City in Permitted Investments or in
other investments allowed by Kansas law in such amounts and maturing at such times as
shall reasonably provide for moneys to be available when required in said accounts or funds;
provided, however, that no such investment shall be made for a period extending longer than
to the date when the moneys invested may be needed for the purpose for which such fund or
account was created. All interest on any Permitted Investment held in any fund or account
shall accrue to and become a part of the Revenue Fund. In determining the amount held in
any fund or account under the provisions of the Resolution, Permitted Investments shall be
valued at their par value or at their then redemption value, whichever is lower.

Section 506. Nonpresentment of Bonds. If any Bond is not presented for payment
when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond
have been made available to the Paying Agent, all liability of the City to the Owner thereof
for the payment of such Bond shall forthwith cease, determine and be completely
discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, with-
out liability for interest thereon, for the benefit of the Owner of such Bond, who shall
thereafter be restricted exclusively to such funds for any claim of whatever nature on his
part under this Resolution or on, or with respect to, said Bond. If such funds shall have
remained unclaimed for five (5) years after such principal or interest has become due and
payable, such funds shall be paid to the City; and all liability of the Paying Agent to the
Owner thereof for the payment of such Bond shall forthwith cease, terminate and be
completely discharged. The obligations of the Paying Agent under this Section to pay any
such funds to the City shall be subject to any provisions of law applicable to the Paying Agent or to such funds providing other requirements for disposition of unclaimed property.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Resolution, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the City contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bond Owners.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or
acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the City and the Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

(a) The provisions of this Section 604 shall apply notwithstanding any other provision of the Resolution.

(b) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Bond Reserve Account, if any.

(c) Notwithstanding anything to the contrary set forth in the Resolution, amounts on deposit in the Bond Reserve Account shall be applied solely to the payment of debt service due on the Bonds.

(d) The Insurer shall be deemed to be the sole holder of the insured Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Bonds insured by it are entitled to take pursuant to the Resolution pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Paying Agent.

(e) Remedies granted to the Bondholders shall expressly include mandamus.

(f) If acceleration is permitted under the Resolution, the maturity of Bonds insured by the Insurer shall not be accelerated without the consent of the Insurer and in the event the maturity of the Bonds is accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued on such principal to the date of acceleration (to the extent unpaid by the City) and the Paying Agent shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Insurer's obligations under the Insurance Policy with respect to such Bonds shall be fully discharged.

(g) No grace period for a covenant default shall exceed 30 days or be extended for more than 60 days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.

(h) The Insurer shall be included as a third party beneficiary to the Resolution.
(i) Upon the occurrence of an extraordinary optional, special or extraordinary mandatory redemption in part, the selection of Bonds to be redeemed shall be subject to the approval of the Insurer.

(j) The exercise of any provision of the Resolution which permits the purchase of Bonds in lieu of redemption shall require the prior written approval of the Insurer if any Bond so purchased is not cancelled upon purchase.

(k) Any amendment, supplement, modification to, or waiver of, the Resolution or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of Bondowners or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.

(l) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Construction Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Bonds.

(m) The rights granted to the Insurer under the Resolution or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Insurer.

(n) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Insurer, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of the Insurer, securities eligible for "AAA" defeasance under then existing criteria of S & P or any combination thereof, shall be used to effect defeasance of the Bonds unless the Insurer otherwise approves.

To accomplish defeasance, the City shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be
acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer "Outstanding" under the Resolution and (iv) a certificate of discharge of the Paying Agent with respect to the Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the City, Paying Agent and Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

Bonds shall be deemed "Outstanding" under the Resolution unless and until they are in fact paid and retired or the above criteria are met.

(o) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Resolution and the Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the City in accordance with the Resolution. The Resolution shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.

(p) Each of the City and Paying Agent covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledged security hereunder under applicable law.

(q) Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Paying Agent, after making all transfers and deposits required under the Resolution, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent shall give notice to the Bond Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Paying Agent shall designate any portion of payment of principal on Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Bondholder, whether DTC or its nominee or
otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Financial Security Assurance Inc., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the City on any Bond or the subrogation rights of the Insurer.

The Paying Agent shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent.

Upon payment of a claim under the Insurance Policy, the Paying Agent shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Paying Agent shall have exclusive control and sole right of withdrawal. The Paying Agent shall receive any amount paid under the Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent to Bondholders in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the City agrees to pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). “Late Payment Rate” means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The City hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Net Revenues and payable from such Net Revenues on a parity with debt service due on the Bonds.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent. Any funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to the Insurer.
The Insurer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy. Each obligation of the City to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.

The City shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Resolution or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Resolution or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Resolution or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Resolution or any other Related Document.

After payment of reasonable expenses of the Paying Agent, the application of funds realized upon default shall be applied to the payment of expenses of the City or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore the Bond Reserve Account to the Bond Reserve Requirement.

The Insurer shall be entitled to pay principal or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the City (as such terms are defined in the Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Resolution, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.

The notice address of the Insurer is: Financial Security Assurance Inc., 31 West 52nd Street, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. 208771-N, Telephone: (212) 826-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

The Insurer shall be provided with the following information by the City or Paying Agent, as the case may be:
(i) Annual audited financial statements within 150 days after the end of the City's fiscal year (together with a certification of the City that it is not aware of any default or Event of Default under the Resolution), and the City's annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;

(ii) Notice of any draw upon the Bond Reserve Account within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Bond Reserve Requirement and (ii) withdrawals in connection with a refunding of Bonds;

(iii) Notice of any default known to the Paying Agent or City within five Business Days after knowledge thereof;

(iv) Prior notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(v) Notice of the resignation or removal of the Paying Agent and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(vi) Notice of the commencement of any proceeding by or against the City or Obligor commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");

(vii) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Bonds;

(viii) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and

(ix) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents.

(x) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in the Resolution, no such issuance may occur (1) if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such default shall be cured upon such issuance and (2) unless the Bond Reserve Account is fully funded at the Bond Reserve Requirement.
Reserve Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Insurer.

(y) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Resolution would adversely affect the security for the Bonds or the rights of the Bondholders, the Paying Agent shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(z) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds or scheduled interest payments thereon have been paid and discharged or provision for their payment and discharge has been made pursuant to Article III hereof, then the requirements contained in this Resolution and the pledge of security hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Resolution if there has been deposited with the Paying Agent, or other legally qualified commercial bank or trust company and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds are to be redeemed prior to their Stated Maturity, (1) the City has elected to redeem such Bonds, and (2) either notice of such redemption has been given, or the City has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with Section 303 of this Resolution. Any Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the City, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Resolution.
ARTICLE VIII

CONTINUING DISCLOSURE REQUIREMENTS

Section 801. Disclosure Requirements. The City hereby covenants with the Original Purchaser and the Beneficial Owners (as defined in the Disclosure Certificate) to provide and disseminate such information as is required by Rule 15c2-12 (as defined in the Disclosure Certificate) and is further set forth in the Disclosure Certificate. Such covenant shall be for the benefit of and enforceable by the Original Purchaser and such Beneficial Owners.

Section 802. Failure to Comply with Continuing Disclosure Requirements. In the event the City fails to comply in a timely manner with its covenants contained in the preceding section, the Original Purchaser and/or any such Beneficial Owner may make demand for such compliance by written notice to the City. In the event the City does not remedy such noncompliance within 10 days of receipt of such written notice, the Original Purchaser or any such Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy as the Original Purchaser and/or any such Beneficial Owner shall deem effectual to protect and enforce any of the duties of the City under such preceding section.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 901. Particular Covenants of the City. That the City covenants with the Original Purchasers and Owners of the Bonds that, so long as the Bonds remain outstanding and unpaid:

(a) The City will faithfully perform at all times any and all covenants, agreements, undertakings and provisions contained in the Ordinance, this Resolution and the Bonds.

(b) The City will operate and maintain the System in an efficient manner and at reasonable cost and will keep the same in good repair and working order.

(c) The City will fix, establish, maintain and collect such rates, fees or charges for service furnished by and through the Combined Utility including all extensions, improvements and enlargements thereto thereafter constructed or acquired by the City, which rates, fees or charges shall be sufficient to pay the Expenses of the Combined Utility and to pay the principal of and interest on the Bonds and all other Combined Utility revenue bonds of the City hereafter issued and standing on a parity with the Bonds as and when the same become due, and to create and maintain reasonable reserves as hereinafter specified; provided, however, that such rates, fees and charges of the water, water pollution control
and stormwater utilities shall not be set or otherwise established so that the rates, fees or charges of one such division subsidize the other. The City further covenants and agrees that it will at all times maintain and collect rates, fees or charges for the use of or services rendered by the Combined Utility which will be sufficient to enable the City to have in each fiscal year Net Revenues from the Combined Utility in an amount which will be not less than 125% of the amount required to be paid by the City in the next succeeding fiscal year on account of both principal of and interest on all Combined Utility revenue bonds of the City at that time outstanding. As soon as possible after the end of each fiscal year, the annual audit and report made for such year by the City's officers pursuant to provisions of this Resolution shall be presented to and considered by the City's Governing Body and if it shall appear that an increase in existing rates, fees or charges for the services of the Combined Utility is necessary in order to satisfy the obligations of the City under provisions of this Resolution, the Governing Body shall promptly make such increase and shall cause the same to be effective within ninety (90) days thereafter. If prior to the end of the then current fiscal year, any interim operating statements of the Combined Utility shall indicate that an increase in the existing rates, fees or charges is necessary to satisfy the obligations of the City under provisions of this Resolution, the Governing Body shall promptly make such increase and shall cause the same to be effective within ninety (90) days thereafter.

(d) None of the facilities or services afforded by the Combined Utility will be furnished to any user without a reasonable charge being made therefore.

(e) The City will not mortgage, pledge or otherwise encumber the System or any part thereof, or any extension, improvement or betterment thereof nor will it sell, lease or otherwise dispose of the System or any material part thereof. The City may, however, dispose of any property which has become obsolete and non-productive or otherwise unusable to the advantage of the City. Any cash proceeds derived from the City's sale of such property shall be used by the City to improve, extend or enlarge the System.

(f) The City will carry and maintain a reasonable amount of all risk insurance upon the properties forming part of the System insofar as they are of an insurable nature, the amount of such insurance being the amount as would normally be carried by a municipal corporation engaged in a similar type of utility enterprise. In the event of loss or damage, the City, with all reasonable dispatch, will use the proceeds of such insurance to reconstruct and replace the property damaged or destroyed or, if such reconstruction or replacement be unnecessary, then either to improve, extend or enlarge the System or to redeem or purchase in the open market the outstanding Bonds. The City in operating the Combined Utility will carry and maintain public liability and worker's compensation insurance in such amounts as would normally be maintained by a municipal corporation engaged in a similar type of utility enterprise and the proceeds derived from any of such policies shall be used in paying the claims on the account of which such proceeds were received; provided, however, the City may, in accordance with applicable law, self insure such obligations. The cost of all insurance referred to in this paragraph shall be paid as an operating cost out of the revenues of the Combined Utility.
(g) The City will install and maintain proper books, records and accounts separate from all other records and accounts of the City in which complete and correct entries will be made of all dealings and transactions of or in relation to the properties, business and affairs of the Combined Utility. Such accounts shall show the amount of revenue received from the Combined Utility, the application of such revenue and all financial transactions in connection therewith. Said books shall be kept by the City according to the standard accounting practices as applicable to the operation of the water, water pollution control and stormwater utility systems by municipalities.

(h) Annually at the end of each fiscal year the City will cause an audit to be made by a competent firm of independent auditors of the Combined Utility and shall cause a copy of such audit to be mailed to the Original Purchaser of the Bonds. Said audit shall include:

1. a classified statement of the gross revenues received, of expenditures for operation and maintenance, of expenditures for all other purposes, and the amount of any capital expenditures made from such revenues made during the fiscal year;

2. a balance sheet as of the end of each fiscal year, with an amount on hand at the end of such year in each of the accounts created or referred to in this Resolution;

3. a statement showing gain or loss for such fiscal year;

4. a statement of the Bonds redeemed, purchased or paid during the preceding fiscal year, and a statement of all interest paid during such year on the Bonds;

5. a statement of the number of customers served by the Combined Utility at the beginning and also at the end of such fiscal year;

6. a statement showing the amount and character of insurance carried by the City on the property constituting the System and showing the names of the insurers, expiration dates of the policies and the premium thereon;

7. the opinion of the auditors as to whether or not the City is meeting the requirements of paragraph (c) of this Section by maintaining and collecting adequate rates, fees and charges for Combined Utility services furnished by the City; and

8. such remarks and recommendations regarding the City's method of operation of the Combined Utility and its accounting practice as such auditors may deem appropriate. Such audit shall be completed as soon as practicable after the end of each fiscal year and a copy thereof filed with the office of the City Clerk where it shall be open to public inspection.
(i) The City shall semiannually conduct an internal rate review for the purpose of determining the sufficiency of the water, water pollution control and stormwater utility rates and charges of the City in view of the covenants herein and heretofore made.

(j) As long as the Bonds are Outstanding, any payments in lieu of taxes made to the City from the Net Revenues of the Combined Utility shall not exceed an amount based on the method currently in effect in the City, such method being based on the net value of the equity of the City in the System located within the corporate limits of the City. Further, such payment in lieu of taxes will not be made if the City is in default in paying the principal of or interest on the Bonds or any additional bonds issued in accordance with Section 902 hereof, or if such payment would cause the City to default in the payment of principal or interest on the Bonds or any such additional bonds.

Section 902. Additional Bonds. That the City hereby covenants and agrees that so long as any of the Bonds remain outstanding and unpaid, it will not issue any additional Combined Utility revenue bonds or any other obligations payable from the Net Revenues of the Combined Utility which are superior in lien, security or otherwise to the Bonds other than Permitted Loans. The City hereby covenants and agrees except as hereinafter provided, that so long as the Bonds remain outstanding and unpaid it will not issue any additional bonds or other obligations payable out of the revenues of the Combined Utility which stand on a parity or equality with the Bonds unless each of the following conditions are met:

(a) The City shall not be in default in making any of the payments at the time required to be made by it into the respective funds or accounts created or referred to in this Resolution, or in the performance of any covenant contained herein.

(b) The annual Net Revenues derived by the City from the operation of the Combined Utility for the fiscal year next preceding the issuance of additional bonds, shall equal or exceed 125% of the maximum amount required to be paid out of the Net Revenues in any succeeding fiscal year on account of both principal and interest becoming due with respect to the Bonds, and any additional revenue bonds previously issued on a parity with the Bonds.

(c) In addition, projected annual Net Revenues expected to be derived by the City from the operation of the Combined Utility, for the fiscal year following the issuance of any additional bonds, shall equal or exceed 125% of the maximum amount required to be paid out of the Net Revenues in any succeeding fiscal year on account of both principal and interest becoming due with respect to the Bonds, including any revenue bonds previously issued on a parity with the Bonds together with additional bonds proposed to be issued, based on a detailed investigation and report of an engineering firm or an independent public accountant as to the amount of annual Net Revenues expected in such fiscal year, and said amount as defined and certified by said engineer or accountant shall govern in determining the right of the City to issue additional parity bonds under this Section 902. No investigation or report of an engineer or accountant shall be required pursuant to this Section 902 (i) in the event any issuance of additional bonds shall not increase the
maximum amount required to be paid out of the Net Revenues in any succeeding fiscal year
on account of both principal and interest becoming due with respect to the Bonds, including
any additional revenue bonds previously issued on a parity with the Bonds together with
additional bonds proposed to be issued or (ii) in the event that the annual Net Revenues
derived by the City from the operation of the Combined Utility, for the fiscal year next
preceding the issuance of any additional bonds, shall have been equal to 125% of the
maximum amount required to be paid out of the Net Revenues in any succeeding fiscal year
on account of both principal and interest becoming due with respect to the Bonds, including
any additional revenue bonds previously issued on a parity with the Bonds together with the
additional revenue bonds proposed to be issued.

Additional Combined Utility revenue bonds of the City issued under the conditions
hereinbefore in this Section set forth shall stand on a parity with the Bonds and shall enjoy
complete equality of lien on and claim against the revenues of the Combined Utility with
said Bonds, and the City shall make equal provision for paying said additional Combined
Utility revenue bonds and the interest thereon out of the Revenue Fund and provide for the
creation of a principal and interest account for the payment of such additional Combined
Utility revenue bonds and a bond reserve account to be funded as herein required. Any
increases in the Bond Reserve Requirement as a result of the issuance of such additional
Combined Utility revenue bonds shall be fully funded concurrently with the issuance of
such additional Combined Utility revenue bonds from the proceeds of such bonds or from
other funds available for such purpose. In addition, if the City receives an opinion of Bond
Counsel to the effect that the Bond Reserve Requirement for any additional Combined
Utility revenue bonds must be reduced in order that the amounts on deposit in such bond
reserve fund may continue to be invested without yield restriction under the Code the
amount held in such bond reserve fund shall be reduced in conformity with said opinion.

Nothing contained in this Section shall prohibit or restrict the right of the City to
issue additional Combined Utility revenue bonds or other revenue obligations for the
purpose of reconstructing, altering, repairing, improving or extending and enlarging the
System and to provide that the principal of and interest on said revenue bonds or obligations
shall be payable out of the Net revenues of the Combined Utility, provided that at the time
of the issuance of such additional revenue bonds or obligations the City shall not be in
default of performance of any covenant or agreement contained in this Resolution and
provided further that such additional revenue bonds or obligations shall be junior and
subordinate to the Bonds, so that if any time the City shall be in default in paying either
interest on or principal of the Bonds or if the City shall be in default in making any
payments required to be made by it under the provisions of this Resolution, the City shall
make no payments of either principal of or interest on said junior or subordinate revenue
bonds or obligations until said default or defaults be cured and no default shall exist on the
part of the City under the covenants, agreements and conditions contained in this
Resolution. In addition, any default on any junior and subordinate bonds shall not be
deemed a default on the Bonds.

Section 903. Additional Permitted Loans. The City hereby covenants and
agrees that so long as, except as hereinafter provided, any of the Bonds remain outstanding
and unpaid, it will not issue any additional Permitted Loans payable out of the revenues of
the Combined Utility that are superior in lien and security to the Bonds unless each of the
following conditions are met:

(a) The City shall not be in default in making any of the payments at the time
required to be made in connection with any outstanding Permitted Loans or into the
respective funds or accounts created or referred to in this Resolution, or in the performance
of any covenant contained herein.

(b) The annual Net Revenues derived by the City from the operation of the
Combined Utility, for the fiscal year next preceding the issuance of additional Permitted
Loans, shall have been equal to 125% of the maximum amount required to be paid out of the
Net Revenues in any succeeding fiscal year on account of both principal and interest
becoming due with respect to the Bonds, including any additional revenue bonds previously
issued on a parity with the Bonds.

(c) In addition, projected annual Net Revenues (adjusted as provided in the last
sentence of this Subsection 903(c)) expected to be derived by the City from the operation of
the Combined Utility, for the fiscal year following the issuance of any additional Permitted
Loans, shall equal or exceed 125% of the maximum amount required to be paid out of the
Net Revenues in any succeeding fiscal year on account of both principal and interest
becoming due with respect to the Bonds, including any additional revenue bonds previously
issued on a parity with the Bonds, based on a detailed investigation and report of an
engineering firm or an independent public accountant as to the amount of annual Net
Revenues expected in such fiscal year, and said amount as defined and certified by said
engineer or accountant shall govern in determining right of the City to issue additional
Permitted Loans payable out of the revenues of the Combined Utility that are superior in lien and security to the Bonds under this Section 903. No investigation or report of an
engineer or accountant shall be required pursuant to this Section 903 in the event that the
annual Net Revenues (adjusted as provided in the last sentence of this Subsection 903(c))
derived by the City from the operation of the Combined Utility, for the fiscal year next
preceding the issuance of any additional Permitted Loan, would have been equal to 125% of
the maximum amount required to be paid out of the Net Revenues in any succeeding fiscal
year on account of both principal and interest becoming due with respect to the Bonds,
including any additional revenue bonds previously issued on a parity with the Bonds. For
purposes of determining Net Revenues as required for this Subsection 903(c), the maximum
amount payable in any succeeding fiscal year on the additional Permitted Loan shall be
treated as an Expense in the fiscal year for which the Net Revenues are being computed.

Section 904. Authorization of Bond Sale. That the sale of the Bonds to Morgan
Keegan & Co., Inc., Memphis, Tennessee, in accordance with their bid pursuant to the
notice of bond sale dated June 11, 2007, is hereby ratified and confirmed.

Section 905. Annual Audit. Annually, promptly after the end of the Fiscal Year,
the City will cause an audit to be made of its Funds and Accounts for the preceding Fiscal
Year by a certified public accountant or firm of certified public accountants as provided in Section 901(h) of this Resolution.

Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk. Such audit shall at all times during the usual business hours of the City be open to the examination and inspection by any taxpayer, any Owner of the Bonds or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner.

As soon as possible after the completion of the annual audit, the governing body of the City shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Resolution, the City shall promptly cure such deficiency.

Section 906. Amendments. The rights and duties of the City and the Owners, and the terms and provisions of the Bonds or of this Resolution, may be amended or modified at any time in any respect by resolution of the City with the written consent of the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

(a) extend the maturity of any payment of principal or interest due upon any Bond;

(b) effect a reduction in the amount which the City is required to pay as principal of or interest on any Bond;

(c) permit preference or priority of any Bond over any other Bond; or

(d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Resolution.

Any provision of the Bonds or of this Resolution may, however, be amended or modified by resolution duly adopted by the governing body of the City at any time in any legal respect with the written consent of the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the City may amend or supplement this Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity therein or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Bonds or of this Resolution, to which the written consent of the Owners is given, as above provided, shall be
expressed in a resolution adopted by the governing body of the City amending or supplementing the provisions of this Resolution and shall be deemed to be a part of this Resolution. A certified copy of every such amendatory or supplemental resolution, if any, and a certified copy of this Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the City hereinabove provided for, duly certified, as well as proof of any required consent to such modification by Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The City shall furnish to the Bond Registrar and Paying Agent a copy of any amendment to the Bonds or this Resolution which affects the duties or obligations of the Bond Registrar and Paying Agent under this Resolution.

Section 907. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Resolution, and shall be conclusive in favor of the City, the Bond Registrar and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to make acknowledgements within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Registrar.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Resolution, Bonds owned by the City shall be disregarded and deemed not to be Outstanding under this Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so
disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in

good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction

of the Owners the pledgee's rights so to act with respect to such Bonds and that the pledgee

is not the City.

Section 908. Further Authority. The officers and officials of the City, including

the Mayor and Clerk, are hereby authorized and directed to execute all documents and take

such actions as they may deem necessary or advisable in order to carry out and perform the

purposes of this Resolution and to make ministerial alterations, changes or additions in the

foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such

action shall be conclusive evidence of such necessity or advisability.

Section 909. Severability. If any section or other part of this Resolution is for any

reason held invalid, the invalidity thereof shall not affect the validity of the other provisions

of this Resolution.

Section 910. Governing Law. This Resolution shall be governed exclusively by

and construed in accordance with the applicable laws of the State.

Section 911. Effective Date. This Resolution shall take effect and be in full force

from and after its passage by the Council of the City.

FURTHER TERMS AND PROVISIONS

This Bond is one of a duly authorized series of Bonds of the City aggregating the principal amount of $2,140,000 (the "Bonds") issued for the purposes set forth in Ordinance No. 18907 of the City (the "Ordinance"). This Bond and the series of Bonds of which it is a part are issued by the authority of and in full compliance with the provisions, restrictions and limitations of the Constitution and Laws of the State of Kansas, including K.S.A. 10-101 to 125, inclusive, as amended by K.S.A. 10-620 to 10-632, inclusive, and Article 12 of Chapter 10 of the Kansas Statutes Annotated, and all amendments thereof, acts supplemental thereto, the Ordinance, Resolution No. 7964 of the City (the "Resolution") and all other provisions of the laws of the State of Kansas applicable thereto.

The Bonds are issued in fully registered form in the denomination of $5,000 each or authorized integral multiples thereof. This Bond may be exchanged at the principal office of the Bond Registrar for a like aggregate principal amount of Bonds of the same maturity or other authorized denominations upon the terms set forth in the authorizing Ordinance and the Resolution.

At the option of the City, the Bonds or portions thereof either maturing or subject to mandatory redemption and payment on or after August 1, 2016, may be called for redemption and payment prior to maturity on August 1, 2015, and thereafter in whole or in part on any date (Bonds of less than a single maturity to be selected by lot in multiples of $5,000 principal amount by the Paying Agent and Bond Registrar in such equitable manner as they shall designate), at the redemption price equal to 100% of the principal amount thereof, plus accrued interest thereon to the date fixed for redemption and payment.
Each of the Bonds maturing on August 1, 2025, shall also be subject to mandatory redemption and payment prior to maturity beginning on August 1, 2008, and on each August 1 thereafter, pursuant to the redemption schedule set forth in the Resolution at the redemption Price of 100% (expressed as a percentage of the principal amount) plus accrued interest thereon to the Redemption Date.

Bonds will be redeemed in integral multiples of $5,000. If less than all Bonds are called for redemption, the Bond Registrar will, in the case of Bonds in denominations greater than $5,000, treat each $5,000 of face value as though it were a separate Bond.

In the event of any such redemption, the Paying Agent shall give notice of such call by mailing a copy of the redemption notice by first class mail, postage prepaid, not less than thirty (30) days prior to the date of such redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books maintained by the Bond Registrar. Any notice mailed as provided herein shall be conclusively presumed to have been duly given, whether or not the owner of such Bonds received the notice.

The principal and interest of this Bond is hereby made a lien upon the revenues derived from the combined Water, Water Pollution Control and Stormwater Utilities of the City and said principal and interest are to be paid solely and only from a special fund into which there shall be paid, from the revenues derived from the rates, fees or charges collected by said City from the operation of said combined Water, Water Pollution Control and Stormwater Utilities sums sufficient to make said payments when due, after deducting only reasonable operation and maintenance expenses. The City and the Bond Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal hereof, or redemption price hereof and interest due hereon and for all other purposes.

The Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Resolution. One Bond certificate with respect to each date on which the Bonds are stated to mature or with respect to each form of Bonds, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody. The book-entry system will evidence positions held in the Bonds by the Securities Depository’s participants, beneficial ownership of the Bonds in authorized denominations being evidenced in the records of such participants. Transfers of ownership shall be effected

procedures established by the Securities Depository and its participants. The City and the 
Paying Agent will recognize the Securities Depository nominee, while the registered owner

such participants. While the Securities Depository nominee is the owner of this Bond, 
notwithstanding the provision hereinabove contained, payments of principal of, redemption
