RESOLUTION NO. 8407

A RESOLUTION introduced by Daniel R. Stanley, Interim City Manager, relating to and authorizing Improvement Project No. T-291014.00 which provides for the replacement of the Halfday Creek Wastewater Pump Station #32 as more specifically described herein.

WHEREAS, the City is authorized by the laws of the State of Kansas to issue and sell revenue bonds of the City for improvement to its water, water pollution control, and stormwater utility system (the “System”) pursuant to K.S.A. 10-1201 et seq. and amendments thereto; and

WHEREAS, the City of Topeka is authorized pursuant to City of Topeka Code § A12-1 to issue general obligation bonds for the purposes of paying for improvement, repair or extension to the City’s System.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TOPEKA, KANSAS, that it finds the following described public improvement to be necessary and in the public interest and does hereby authorize Improvement Project No. T-291014.00 with a project budget summarized herein and set forth on the attachment hereto:

A. GENERAL NATURE OF IMPROVEMENT:

The location of this project is south of the intersection of NW Menninger Road and NW Green Hills Road and along NW Green Hills Road to approximately NW Gregg Street. This project will construct a new pump station to replace the existing pump station, install the necessary piping to the new pump station and demolish the existing pump station and piping. The new pump station will be located approximately 400 feet north of the existing pump station; outside of the floodway, to the edge of the 100-year floodplain and outside of the 500 foot critical zone associated with the Soldier Creek levees. The new pump station will be sized to handle waste flow from existing and future areas within its service area. The existing gravity main and manholes will be abandoned per USACOE requirements and a new force main installed to connect the new pump station to the existing force main.
B. TOTAL PROJECT BUDGET COST:

$499,930.00

C. SOURCE OF FUNDS:

Utility Operating Funds, Revenue Bonds, General Obligation Bonds, Temporary Notes Kansas Department of Health and Environment State Revolving Fund Loan

D. REIMBURSEMENT OF CAPITAL EXPENDITURES:

The City both reasonably expects and intends to finance the costs of said project improvements from the proceeds of general obligations bonds of the City. The City does hereby express its official intent to reimburse any such capital expenditures made or obligations incurred by it on or after the date which is 60 days before the date of this Resolution from the proceeds of such bonds in the estimated maximum principal amount of $499,930.00. The City will issue such bonds for such purposes and make the reimbursements within eighteen (18) months after the date the expenditure to be reimbursed was paid or, if later, eighteen (18) months after the date on which the property resulting from the expenditure was placed in service. Provided, that, in any event, the City must make the reimbursement allocation within three (3) years after the date the expenditure was paid. This Resolution, as the expression of the governing body’s intent regarding the matters described herein, will be available for public inspection in the City Clerk’s office at City Hall during regular business hours of the City.

ADOPTED and APPROVED by the City Council March 27, 2012.
