RESOLUTION NO. 8493

A RESOLUTION introduced by Councilmember Chad Manspeaker declaring the City Council’s opposition to HB 2069.

WHEREAS, the Kansas Legislature is considering HB 2069 which prohibits a city from requiring contractors and employers doing business with the city to provide certain compensation and benefits to its employees; and

WHEREAS, the Topeka City Council believes that such prohibition would interfere with the city’s ability to establish standards and qualifications of contractors and employers who do business with the city; and

WHEREAS, the Topeka City Council believes that the prohibitions contained in HB 2069 are not in the public interest.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TOPEKA, KANSAS, that it opposes HB 2069 which is now pending in the Kansas Legislature; that it requests the Shawnee County Legislative Delegation to oppose the bill; and that written testimony in opposition to the bill shall be filed.

ADOPTED and APPROVED by the City Council on February 12, 2013.
