Section 2. The exemption is based on the analysis of the security plan completed on this building and the determination of the Governing Body that safety is sufficient to continue the ban on concealed weapons from this building.

Section 3. A security plan has been developed for the building being exempted which supplies adequate security to the occupants of the building and merits the
prohibition of the carrying of a concealed handgun as authorized by the personal and family protection act. The prohibition shall continue until December 31, 2017.

Section 4. A copy of the security plan shall be maintained by the City Clerk and will be provided to the Kansas Attorney General or local law enforcement upon request. The security plan is not subject to disclosure under the Kansas Open Records Act.

ADOPTED and APPROVED by the Governing Body on December 3, 2013.
