28 **(a) G.O. Bonded Projects.** With regard to the projects identified on pages 13,
29 15, 22 through 30, 32, 33, 34, 37, 38, 39, and 43 in the CIP Book, the Council finds that
30 the public improvements described are necessary and serve the public interest.
31 Accordingly, the Council authorizes, pursuant to Section A12-1 of the Code of the City of
32 Topeka, such projects and approves each project budget not previously approved in
33 Resolution No. 8625. No project budget shall exceed the total budget amount identified
34 in the CIP Book without Council approval.

35 **(b) G.O. Bonded Project/Fire Equipment.** With regard to the projects identified
36 on pages 17 and 18 in the CIP Book, the Council finds that the fire equipment described
37 therein is necessary and serves the public interest. Accordingly, the Council authorizes
38 such projects and approves each project budget not previously approved in Resolution
39 No. 8625. No project budget shall exceed the total budget amount identified in the CIP
40 Book without Council approval.

41 Moreover, the Council intends to acquire the fire-fighting equipment and pay the
42 cost by issuing general obligation bonds maturing not more than 15 years from their date
43 of issuance as authorized by K.S.A. 12-110c. Pursuant to K.S.A. 12-110c, the Council
44 directs the City Clerk to publish a notice of its intention to acquire equipment that has not
45 previously been the subject of a notice of intention, stating the cost and the City's
46 intention to issue general obligation bonds. The notice shall be published once each
47 week for two consecutive weeks in the official City newspaper. If, within 60 days following
48 the last date of publication, a petition signed by not less than 5% of the qualified electors of
49 the City of Topeka is filed with the City Clerk, no such bonds shall be issued until the matter
50 of whether to issue general obligation bonds has been approved by a majority of the
51 qualified electors of the City voting at an election called pursuant to the general bond law.

(c) Enterprise Funded Projects. With regard to the projects identified on pages 46 through 52, 56 through 59, 61, 62, 66 through 74, and 76 of the CIP Book, the Council finds that the improvements to its waterworks system, sanitary and/or stormwater system are necessary and serve the public interest. Accordingly, the Council authorizes such projects, pursuant to Section A12-1 and A18-3 of the Code of the City of Topeka and approves each project budget not previously approved in Resolution No. 8625. No project budget shall be exceeded in excess of the budget identified in the CIP Book without Council approval. No revenue bonds shall be issued unless the Governing Body enacts a separate resolution and notice of intent to issue revenue bonds in accordance with K.S.A. 10-1201 *et seq.*
