RESOLUTION NO. 9007

A RESOLUTION introduced by City Manager Brent Trout, declaring the necessity to repair, alter, reconstruct, enlarge or improve the City’s water, water pollution, and/or stormwater utility system through improvement projects authorized by Resolution No. 9006 and providing Notice of Intention authorizing the issuance of revenue bonds in the manner required by K.S.A. 10-1201 et seq.

WHEREAS, the City is a municipality as defined by K.S.A. 10-101 and 10-1201 et seq. and amendments thereto; and

WHEREAS, the City is authorized by the laws of the State of Kansas to issue and sell revenue bonds of the City for improvement to its water, water pollution control, and stormwater utility system (the “System”) pursuant to K.S.A. 10-1201 et seq. and amendments thereto; and

WHEREAS, Resolution No. 9006 adopted and approved the budgets for projects identified in Exhibit A (“Projects”) and incorporated by reference; and

WHEREAS, it is found by the Governing Body that such Projects will not cause a duplication of existing utility service furnished by a private utility; and

WHEREAS, the City desires to issue and sell revenue bonds to fund the cost of the improvements.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF TOPEKA, KANSAS:

Section 1. That notice, pursuant to K.S.A.10-1210 and amendments thereto, shall be provided by the Governing Body of its intention to complete the Projects in accordance with the plans, specifications and cost estimates and to issue revenue bonds to pay the costs. Such notice shall be signed by the Mayor and attested by the City Clerk and shall be published in the official City newspaper. Such notice shall describe the nature of the
proposed improvements, the estimated cost and amount of revenue bonds proposed to be
issued.

Section 2. That the City may commence the improvements described in Exhibit A
and issue revenue bonds in amounts not exceeding the amounts set forth in Exhibit A to
pay the costs unless a written protest signed by not less than twenty percent (20%) of the
qualified electors of the City is filed with the City Clerk within fifteen (15) days after
publication of the Notice of Intention.

Section 3. The City does hereby express its official intent to reimburse any
expenditures made in connection with the Projects from System enterprise funds, or
obligations incurred by the City, on or after the date which is sixty (60) days before the
effective date of this Resolution from the proceeds of its revenue bonds as aforesaid in the
maximum principal amount of $34,557,743.00 in accordance with U.S. Treasury Regulation
1.150-2. This Resolution, as the expression of the governing body’s official intent
regarding the matters described herein, will be posted on the City’s web site at
www.topeka.org and is also available for public inspection in the City Clerk’s office at City
Hall during regular business hours of the City.
