

TFS Plan - Accessibility for Customers with Disabilities

Toyota Financial Services ("TFS") respects an individual's rights to equal access to our services free from discrimination. This plan is intended to reflect and promote the principles of dignity, independence, equality of opportunity and integration.

TFS' services are provided nationwide through a centralized Customer Service Center. TFS offers services to all Customers via mail, fax, telephone or TTY.

TO BETTER SERVE YOU, WE WILL:

Comply with the *Accessibility for Ontarians with Disabilities Act, 2005* and its regulations.

Ensure that all of our staff is trained and familiar with various assistive devices that may be used by individuals with disabilities while accessing our services. We endeavor to communicate with individuals with disabilities in ways that take into account their disability.

Notify you if there are interruptions to our ability to serve you through our assistive devices via our corporate website located at www.toyotafinancial.ca. This notice will include information about the reason for the disruption, its anticipated length of time, and the description of alternative services, if available.

Provide training to our associates governing the provision of accessible customer service to the public. Our training will include:

- An overview of the *Accessibility for Ontarians with Disabilities Act, 2005* and requirements of the customer service standard;
 - A review of TFS' Accessibility for Customers with Disabilities Plan;
 - How to interact and communicate with individuals with various types of disabilities;
 - How to interact with individuals with disabilities who use an assistive device or require the assistance of a service animal or support person;
 - How to use equipment and devices that may help with providing services to individuals with disabilities; and
 - What to do if an individual with a disability is having difficulty accessing TFS' services.
