Letter from the Publishers

Dear Readers,

I recently ran across the statistic that 18-34 year olds receive 80% of all of their content from their phones. Of course I'm older and still enjoy reading hard copy print whenever possible. However, I'm starting to understand the need to bridge the gap between print and the digital world.

Beginning this Fall to help facilitate bridging this gap, you will now have the option to not only receive the printed version of your TPAC, Schermerhorn & Studio Tenn publications, but you will now also be able to download the new ARTZ App, and read your publication before you even attend a show...right from your phone.

Plus we will also be offering a digital only program for the Frist Center for the Visual Arts. One more way we are keeping you connected to what's happening via the new ARTZ App.

Download the new free ARTZ App today and start buying tickets, receive exclusive offers and view upcoming shows, and be the first to read the TPAC, Schermerhorn, Studio Tenn and Frist Center digital publications on your phone.

Available now at the App Store & Google Play.

So welcome to the next big thing in digital content...The ARTZ App!

If you have any questions or comments, feel free to give me a call. 615-429-9689

From Darkness to Sight

FOREWORD BY SENATOR WILLIAM FRIST, MD

MING WANG

Harvard/MIT (MD)
PhD (laser physics)

chronicles the remarkable life journey of Dr. Ming Wang, a world-renowned laser eye surgeon, philanthropist and Kiwanis Nashvillian of the Year.

As a teenager, Ming fought valiantly to escape one of history's darkest eras – China's Cultural Revolution – during which millions of innocent youth were deported to remote areas to face a life sentence of poverty and hard labor. Through his own tenacity and his parents' tireless efforts to provide a chance of freedom for their son, Ming eventually made his way to America with \$50 in his pocket and an American dream in his heart, where against all odds he would earn a PhD in laser physics and graduate magna cum laude with the highest honors from Harvard Medical School

and MIT. He embraced the Christian faith and tackled one of the most important questions of our time – Are faith and science friends or foes? – which led to his invention of a breakthrough biotechnology to restore sight.

To date, Dr. Wang has performed over 55,000 eye procedures and has treated patients from nearly every state in the U.S. and from over 55 countries worldwide.

He is considered the “doctor's doctor,” as he has operated on over 4,000 physicians. Dr. Wang has published 8 textbooks, holds several U.S. patents and performed the world's first laser artificial cornea implantation. He is currently the only surgeon in the state who performs 3D LASIK (age 18+), 3D Laser Kamra (age 45+), 3D Forever Young Lens Surgery (age 50+), and 3D Laser Cataract Surgery (age 60+). He established a non-profit foundation which provides sight restoration surgeries for indigent patients who otherwise would never have the opportunity to receive them free-of-charge.

This is a story of one man's inspirational journey, of turning fear, poverty, persecution and prejudice into healing and love for others. It demonstrates how focus, determination, humility and profound faith can inspire a life that, in turn, impacts that of countless others.

***SOMETHING ROTTEN!* IS COMING TO NASHVILLE**

Playing June 27 - July 2 at TPAC

*“Fresh, irreverent
and hysterical!”*

– AP

“A big, fat hit!”

– NY Post

*“Ingenious! Outrageous!
Irresistible!”*

– Variety

*“An explosion of
musical joy!”*

– NPR

From the director of *Disney’s Aladdin* and co-director of *The Book of Mormon* and the producer of *RENT*, *Avenue Q*, and *In the Heights*, comes the original new musical *Something Rotten!* with a limited, one-week engagement at TPAC’s Andrew Jackson Hall June 27 – July 2.

Set in 1595, this hilarious smash tells the story of Nick and Nigel Bottom, two playwrights stuck in the shadow of that Renaissance rockstar Will Shakespeare. When a soothsayer foretells the next big thing in theatre involves singing, dancing, and acting *at the same time*, the Bottom brothers set out to write the world’s very first musical! With the most singing, the most dancing, and the most gut-busting laughs on Broadway, it’s something wonderful... something for everyone... It’s *Something Rotten!*

With its heart on its ruffled sleeve and sequins in its soul, this irresistible ode to musicals is “*The Producers* + *Spamalot* + *The Book of Mormon*. Squared!” (*New York Magazine*).

Exclusive Presale: During the run of *The Book of Mormon*, use the promo code **TOMATO** to unlock your advance tickets for *Something Rotten!* This one-week, presale offer ends at 11:59 p.m. on Sunday, November 20.

Tickets for *Something Rotten!* are on sale now at TPAC.ORG/Rotten, by phone at 615-782-4040, and at the TPAC Box Office in downtown Nashville.

***A Gentleman's Guide to Love & Murder* charms audiences at TPAC January 24-29, 2017!**

Getting away with murder can be so much fun... and there's no better proof than the knock-'em-dead hit show that's earned unanimous raves and won the 2014 Tony Award® for Best Musical – *A Gentleman's Guide to Love & Murder!* Coming direct from New York, where a most gentlemanly NPR critic said he'd "Never laughed so hard at a Broadway musical," *Gentleman's Guide* tells the uproarious story of Monty Navarro, an heir to a family fortune who sets out to jump the line of succession by – you guessed it – eliminating the eight pesky relatives who stand in his way.

Concerns or compliments?
PatronServices@TPAC.org

Accessibility Services at TPAC

include parking, elevators, wheelchair seating, use of a TPAC wheelchair, designated restrooms, and services for hearing and visually impaired patrons. Infrared assisted listening devices are available at no charge at the entrance to each theater. TPAC offers signing for hearing impaired patrons, and audio description and Braille programs for blind and visually impaired patrons on the Sunday matinee in the season ticket series of HCA/TriStar Health Broadway at TPAC. Large print programs are available for Broadway and TPAC Presents shows. Special accessibility requests and concerns, excluding assisted listening headsets, should be discussed in advance with the TPAC House Manager at 615-782-4087. Reservations for a wheelchair should be made on the day of performance.

Restrooms for Jackson Hall are located one level down from the 6th Avenue entrance, in the halls behind the seats in the tier and balcony, and downstairs in the back of the orchestra level. Restrooms for Polk Theater are located down the stairs to the left of the entrance to the orchestra level and on the balcony level.

Bars are located in the lobbies and in the back of the orchestra level of Jackson Hall.

An ATM is on the G-Level, near the main security desk at the Deaderick Street entrance to the building.

All electronic devices including cell phones, pagers, watch alarms, cameras, and recorders should be turned off prior to the performance or checked-in with the floor manager or an usher, who will note the seating location of physicians and others who expect emergency calls.

Call Lost and Found at 615-782-4098 to report an item you might have left at TPAC.

In case of an emergency, the number to leave with others is 615-782-4000 (plus performance, theater, and seat location).

Smoking, including use of all tobacco products and electronic cigarettes, is permitted outside the building.
