The group and its leader, David Miscavige, are accused of child abuse, human trafficking and forced labor.

Gov. Ron DeSantis lifts a restriction that had kept them on the sidewalk. The city will monitor its ongoing pilot program.

A lawsuit challenges a new bill that could hinder access to early voting

College voting sites in peril?

A lawsuit challenges a new bill that could hinder access to early voting.

**By Tracy McKenzie Times Staff Writer**

A team of eight victim rights attorneys on Tuesday filed the first of what they promise will be a series of lawsuits against the Church of Scientology and its leader, David Miscavige, on behalf of a group of defectors. The lawsuit accuses ritual leaders of forcing defectors to make up a range of explanations from child abuse, human trafficking and forced labor to revange tactics related to the church.
