## Robert A. Tavarez, CLTC

*Registered Representative*

Robert A Tavarez, CLTC is a Registered Representative with Lighthouse Financial Network, LLC. He started his career with Mutual of New York and has been in the financial services industry since 1993.

Having been a business owner, Robert knows firsthand the impact of the decisions business owners make on a daily basis. This experience allows Robert to provide customized and personalized pro-active solutions. To help implement these solutions, he offers a variety of financial strategies, services and products including financial needs analysis, life insurance, annuities, college funding strategies, business, and estate and retirement planning strategies.

Robert is a former board member of the Long Island Hispanic Chamber Of Commerce. He has resided in Elmont, New York since 1987 and works with the local high school helping to provide business, social and interviewing skills to the workforce of tomorrow. He is the proud father of two successful young men and grandfather to six dynamic grandchildren. Robert knows and lives first hand, the challenges, concerns and desires of the market he serves. He married his high school sweetheart and has been happily married since 1973.
