## Real People Sharing Their Real Stories About Filing Their Taxes ...

"ABC-TAX has saved me lots of mental stress over the last four years. They found an extra \$1,171.00 on last year's return and called to advise me. I don't have to worry about the IRS anymore with ABC-TAX's Accuracy Guarantee!"

Rebecca Dempsey

"For the first time in my life I was faced with an IRS audit. Thank goodness ABC-TAX prepared my taxes and were very helpful in helping me understand the 'paper audit process.' The manager explained everything and I was able to settle the audit quickly and get my money."

Rachel Kolb

"I'm a single father with two children. I have custody of my kids and the ABC-TAX preparer helped me get ALL the money back from the IRS I was supposed to. I was treated very fairly and friendly and I appreciate the ABC-TAX staff very, very much. Thank you."

Jeffrey Walker

"ABC-TAX helped me because I was having trouble figuring out whether my ex had claimed my youngest daughter on his taxes and he would have done so illegally. And they did everything they could to help make sure that I got the most money back that I was supposed to get. They helped me figure out what I was supposed to do if he had claimed her and I wanted to contest it. They checked several different ways to make sure that I was benefiting and not going to be penalized in any kind of way. I can honestly say that ABC-TAX got me the biggest refund and went the extra mile in doing so! Thank you."

Michelle Nelson

"I always come to ABC-TAX to get my taxes done. My tax preparer makes sure I get the most money because she checks all of my deductibles to make sure I'm getting what I am due. I recommend ABC-TAX to my family and friends and I always feel confident that my taxes are done accurately."

Emma Payne

"I just came in to ABC-TAX to file my taxes. It

was the best refund I've ever gotten. I want to thank you all so much. The woman that prepared this for me was like the best person I'd ever want to meet. She was nice, kind, explained everything to the tee and I really appreciate you all helping me. Thank you."

Randolph Piper

"I'm a senior and my ABC-TAX preparer was very kind and courteous and he did many things to help me. He encouraged me to fill out a correct form, which I appreciated. And he was helpful -- otherwise I could not have made the progress that I did. And I want to let you know that I deeply appreciate him and your kindness and just for the service that was rendered to me. And thank you very kindly."

Hazel Brown

"A lot of people put off filing their taxes to the last minute because it's such a hassle. ABC-TAX made it HASSLE-FREE and EASY for me to take care of filing my taxes to the IRS. I have been a customer in the past year and I will continue to be one. Thank you very much."
